eligibility. For more information on the methodology used to estimate both subsidy eligibility and
funding availability, please see

Please note that the estimated eligibility for this project may vary from its final eligibility

funding amounts for all PHAs may change once all FFY 2011 operating subsidy forms have been
approved. Additionally, the final proration level may change from the interim proration level
based on both the total amount of approved project eligibility and the final appropriation amount.

All funds must be used in accordance with the Annual Contributions Contract and associated
laws and regulations. By drawing down the funds obligated in this letter, you and your agency are
confirming agreement and compliance with the all terms and conditions of the Operating Fund
program. Further, a drawdown of these funds constitutes an agreement that the current estimated
eligibility and obligation is correct. The amount of your agency’s obligated funds is available
through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of
eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and
