

SIXTH AMENDMENT
TO
AMENDED AND RESTATED MOVING TO WORK AGREEMENT
BETWEEN
U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
AND
CHICAGO HOUSING AUTHORITY

This Sixth Amendment to the Moving to Work ("MTW") Agreement ("Agreement") is entered into by and between the United States of America through the U.S. Department of Housing and Urban Development ("HUD") and the Chicago Housing Authority ("Agency") and is effective on the date of execution by HUD. Unless otherwise defined herein, all capitalized terms used herein shall have the same meanings ascribed to them in the Agreement.

Attachment D is amended as follows:

Add the following language after Section 23 (reasonable cost formulas) of Attachment D:

Use of MTW Funds

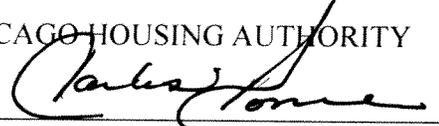

The agency and HUD acknowledge that Section 204(a) of the Omnibus Consolidated Rescissions and Appropriations Act of 1996 (Pub. L. 104-134) provides that an agency participating in the MTW demonstration program may combine public housing operating and capital funds provided under Section 9 of the U.S. Housing Act of 1937 (the "1937 Act") and voucher program funds provided under Section 8 of the 1937 Act "to provide housing assistance for low-income families, as defined in section 3(b)(2) of the 1937 Act, and services to facilitate the transition to work on such terms and conditions as the agency may propose and the Secretary may approve." Notwithstanding any language to the contrary, those provisions in this Agreement or its attachments that restrict the use of funds to Sections 8 and 9 are repealed, and the agency may use MTW Funds to provide housing assistance for low-income families, as defined in section 3(b)(2) of the 1937 Act, and services to facilitate the transition to work, whether or not any such use is authorized by Sections 8 or 9 of the 1937 Act, provided such uses are consistent with other requirements of the MTW statute [i.e., including but not limited to the requirements to maintain a comparable mix of families and serve substantially the same number of families as would have been assisted if the agency was not in the MTW demonstration, assuring that housing assisted under the demonstration meets housing quality standards established or approved by the Secretary, that at least 75 percent of the families assisted be very low income families, that the agency has established a reasonable rent policy that is designed to encourage employment and self-sufficiency by participating families, that the requirements of sections 12 of the 1937 Act are applied to any housing assisted under the demonstration other than housing assisted solely because of occupancy by families receiving tenant-based assistance, and that Section 18 of the 1937 Act shall continue to apply to public housing notwithstanding the use of any use of the housing under the demonstration] and have been proposed in the agency's Annual MTW Plan and approved by HUD.

Notwithstanding the above, such funds remain Federal funds, and are subject to any and all other Federal requirements outside of the 1937 Act (e.g., including but not limited to Appropriations Acts,

competitive HUD notices of funding availability under which the Agency has received an award, state and local laws, Federal statutes other than the 1937 Act, and OMB Circulars and requirements), as modified from time to time.

IN WITNESS WHEREOF, the parties have caused this Sixth Amendment to be executed by their duly authorized representatives.
