

## **Amendment # 2 to the Moving to Work Agreement**

This Amendment # 2 to the Moving to Work Demonstration Agreement (the MTW Agreement) is entered into by and between the U.S. Department of Housing and Urban Development (“HUD”) and the Lawrence-Douglas County Housing Authority (LDCHA).

WHEREAS the parties now desire to amend the MTW Agreement;

NOW, THEREFORE, the parties do hereby agree as follows:

The Agreement is hereby amended by adding the following:

1. The term of this Agreement shall be extended for three years from the initial or extended term specified herein. The MTW Agreement shall now expire on March 30, 2009.
2. The following sections are added to *Section 2, Plan Elements, E. Administrative Issues* of the Appendix of the MTW Agreement:

*“Add new paragraph to 5. The Fiscal Year 2006 Appropriations law that authorizes the extension to MTW Agreements specifies that for those MTW sites that are provided an extension, “the Secretary shall require that data be collected so that the effect of Moving to Work policy changes on residents can be measured.”*

To meet this data collection requirement, HUD is therefore requiring the Lawrence-Douglas County Housing Authority to transmit 50058 data either by continuing to submit HUD-50058 data using the Form 50058 module, or by using the MTW Template submitted to the MTW module as soon as it is available after the PIC release in March 2006. (The MTW Template contains a subset of fields from the Form HUD-50058 MTW.) This Amendment emphasizes that MTW Demonstration sites have been required to collect the data throughout the term of participation in the Demonstration, and now HUD requires submission of that data in order to comply with the request of Congress.

7. VMS Reporting. Further, the Lawrence-Douglas County Housing Authority is required to submit Voucher Management System (VMS) Data on a quarterly basis. Instructions on VMS reporting are available on the VMS website and are referenced in PIH notices published annually implementing the Appropriations Act.”

Except as expressly provided in this Amendment, every term and condition contained in the MTW Agreement shall continue to apply with the same force and effect as if it were fully set forth herein, with such corrections, variations and modifications thereof as may be appropriate to make the same conform to this Amendment. This Amendment is effective upon execution by HUD.
