I.  INTRODUCTION

**Background** - In March 2008, the United States Department of Housing and Urban Development (HUD) signed a 10 year Moving to Work (MTW) Demonstration Agreement with the Housing Authority of the County of San Bernardino (HACSB). Subsequently, an Initial MTW Plan and a comprehensive Revised Initial Plan were submitted and approved by HUD for the period covering October 1, 2008 through September 30, 2009. Our Fiscal Year (FY) 2010 MTW Annual Plan was approved by HUD on September 30, 2009. Shortly thereafter, we submitted and HUD approved an Amendment to the FY 2010 MTW Annual Plan to incorporate the proposed HOPE VI Revitalization Plan for the Lugonia Avenue public housing site in Redlands, California.

Throughout our participation as an MTW demonstration site, we have been working diligently to plan and implement innovative MTW initiatives to solve local problems and increase affordable housing options for residents of the County of San Bernardino. We are amending our FY 2010 MTW Annual Plan again to further these initiatives. Through this amendment we will adopt an additional Moving to Work activity to be implemented this fiscal year that reflects new authorizations granted to the Housing Authority through the second amendment to its Moving to Work Agreement. There are no other changes to the MTW Annual Plan.

II.  GENERAL OPERATING INFORMATION

There are no proposed changes to the General Operating Information in this amendment.

III.  LONG-TERM MTW PLAN

There are no proposed changes to the Long-Term MTW Plan in this amendment.

IV.  PROPOSED MTW ACTIVITIES

HUD recently approved HACSB’s Use of Funds proposal and allowed the Housing Authority to amend its MTW Agreement to incorporate language that allows for the expenditure of MTW Funds on activities outside of Sections 8 and 9 of the U.S. Housing Act of 1937. The proposed MTW Activity, Operating Subsidy for Vista del Sol, uses this flexibility to provide increased affordable housing options to low-income seniors at a newly developed senior community in the Redlands.
Activity 16: Operating Subsidy for Vista del Sol

A. Description – Vista del Sol is a new 71 unit affordable senior housing community developed by HACSB’s affiliated non-profit, Housing Partners I Inc., that will be ready for occupancy by February 2010. Through a combination of funding received from the County of San Bernardino, the City of Redlands, Neighborhood Initiative Program funds, the Department of Housing and Urban Development (HUD) HOME funds, and a loan from HACSB, approximately 75% of the development will be affordable to seniors at no more than 80% of the Area Median Income (AMI). The development will feature 58 one-bedroom units and 13 two-bedroom units as well as a 2,886 square foot community building.

Vista del Sol began accepting applications for these units in October and the average annual income of applicants is $14,057 which is well under 80% AMI income limits. The average amount of rent a senior on the application list can afford is $351 per month which is far below the HOME rents for the units. For example, the rent for one-bedroom units (which are restricted to at or below 80% of AMI) is $792 and for two-bedroom units (which are restricted to at or below 50% of AMI) is $748. As a result, the rents in Vista del Sol are between $397 and $441 higher than what is affordable to the low-income seniors on its waiting list. Although Housing Partners I, Inc., intends to restrict the majority of units in the project so that it is affordable to households below 80% of AMI, the reality is that rents in Vista del Sol are not within reach of low-income seniors without an additional subsidy.

To meet this affordability gap the HACSB intends to project-base some of its existing Housing Choice Vouchers in 42 one-bedroom units and 11 two-bedroom units. However, due to a funding shortfall in the HCV program, Project-Based Vouchers will not be available until mid-2010 for this property.

Until such time as Project-Based Vouchers are available, HACSB will exercise its Use of Funds flexibility under this activity to provide a temporary operating subsidy of approximately $134,000 from its MTW Fund, to its affiliate non-profit, Housing Partners I, Inc. to meet this affordability gap at the newly constructed Vista del Sol development in Redlands. This operating subsidy will assist approximately 53 seniors in affording units within this community. As soon as the HACSB Housing Choice Voucher Program is able to afford the lease up of Project-Based Vouchers in this community the operating subsidy will cease and the 53 units will convert to Project Based Vouchers.

The picture below, taken in October of 2009, shows the Vista del Sol construction site. Construction is on-schedule to be completed by February 2010.
B. **Statutory Objective** – This activity addresses the MTW statutory objective to increase housing options for low-income families.

C. **Anticipated Impacts** – This activity will ensure that approximately 53 additional seniors will have quality, affordable housing. Without this MTW Activity these apartments likely will remain vacant until such time as Project-based Vouchers are available.

D. **Baselines, proposed benchmarks, and metrics to assess outcomes** – The first baseline for this activity will be the total projected operating budget shortfall that would have hindered Vista del Sol if Use of Funds flexibility were not implemented to allow HACSB to provide a short-term operating subsidy. The second baseline is the average income of Vista del Sol tenants to ensure that only income-eligible seniors are being served by the operating subsidy. As this project is only intended to last for approximately six months the benchmarks will be evaluated on a monthly basis.

E. **Data Collection and Protocols** – A baseline report will be developed to identify the operating budget shortfall that would have existed without the Project-based Vouchers immediately prior to the development’s completion. HACSB will monitor monthly operating statements to ensure that the MTW Funds are being used for income-eligible families only and that the project remains financially viable with no operating budget shortfall.

F. **Authorization Cited** – HACSB is authorized to undertake this initiative through Attachment D of the Moving to Work Agreement.

### V. ONGOING MTW ACTIVITIES
