**Disaster Voucher Program (DVP)
Instructions Letter #5
Pre-disaster Public Housing, Project-based, Homeless and Special Needs Housing Families**

Dear Executive Director:

The purpose of this letter is to notify you that DVP assistance is once again extended for pre-disaster public housing, project-based, homeless and special needs housing families that participate in the Disaster Voucher Program (DVP).

In Notice PIH 2008-29, the Department extended the projected end date for all DVP assistance from June 30, 2008 until at least September 30, 2008. The notice also stated that the length of the extension would be dependent on the availability of funding and the number of families assisted. Based on current funding levels, the new projected end date for DVP assistance is February 28, 2009. Again, DVP may be extended beyond this date based on availability of funding and the number of families assisted. Please note that this extension applies only to those families already receiving DVP assistance, and does not permit any additional families to be admitted to the program.

Please notify all DVP participants and affected owners of the latest DVP extension as soon as possible.

If you have any questions regarding this information, please contact Laure Rawson at (202) 402-2425 or Trenea Sidney at (202) 402-4303.

Your prompt attention to this guidance is greatly appreciated.

Sincerely,

David Vargas
