

HUD is here to help you. You have been identified as a previously HUD-assisted household that may have been evacuated from your home as a result of Hurricanes Katrina and Rita. You may be currently living in a shelter or hotel; or perhaps you are living with a friend or relative. The temporary place where you live now may not be an adequate housing solution for you and your family.

HUD is asking you to register for the Disaster Voucher Program (DVP) as quickly as possible. Once you are registered, DVP personnel will assist you in finding a place to live, as you and your family will be eligible to receive a monthly rent subsidy, which may include utility allowances. No tenant contribution is required to receive this assistance. Please call (866) 373-9509 toll-free or contact your local DVP Disaster Housing Assistance Center listed below or visit www.hud.gov/offices/pih. We look forward to working with you.
