1. PURPOSE

This notice provides instructions for processing grant applications submitted for funding under the Fiscal Year (FY) 1998 SuperNOFA for Housing and Community Development Programs. Covered under this processing notice are the FY 1998 Public Housing Drug Elimination Program (PHDEP); FY 1997 carryover funds being made available to housing authorities that did not receive an award under the May 23, 1997, PHDEP NOFA; and the New Approach Anti-Drug Program (NAADP), formerly known as the Safe Neighborhood Grant Program (SNG).

2. APPLICABILITY

This notice is applicable to those Public Housing Authorities (PHAs), Tribally Designated Housing Entities (TDHEs), Indian Housing Authorities (IHAs), and owners of assisted housing properties eligible to submit grant applications for FY 1998 PHDEP and NAADP funds and FY 1997 carry-over PHDEP funds. The term Housing Authority (HA) shall include PHAs and IHAs. The term Field Office (FO) shall refer to local Public Housing HUBs, Multifamily
HUBs, Public Housing Program Centers, Multifamily Program Centers, and Area Offices of Native American Programs (AONAPs).

3. BACKGROUND

HUD announced the availability of FY 1998 funding in the amount of $243,563,000 under the PHDEP for use in reducing/eliminating drug-related crime in and around public and assisted housing communities; $44,935,934 in FY 1997 carry-over funds; $20,000,000 for the New Approach Anti-Drug Program and $2,000,000 for the Public Housing Drug Elimination Technical Assistance (TA) Program. A Notice of Funding Availability (NOFA) announcing funding for these programs was published in the Federal Register/Vol. 63, Number 61 on Tuesday, March 31, 1998.

On Friday, May 29, 1998, HUD published a Technical Correction to the SuperNOFA for Housing and Community Development Programs. The technical correction affects Section I.C(3)(a) and (b) of the PHDEP, found on page 15587. The Technical Amendment directs HAs to confirm/validate unit counts with the local Field Office (Office of Public Housing or Area Office of Native American Programs) before they submit their applications, and provides instructions to FOs on how to validate/confirm unit counts. Appendix 1 of this Notice includes a copy of the PHDEP technical correction.

At Section IV of the SuperNOFA ("Application Submission Requirements") the Technical Correction added a second paragraph to read:

"..An applicant shall submit only one application, per housing authority, for each drug elimination program contained in this program section of the SuperNOFA. Joint applications are permitted only in those cases where HAs have a single administration (such as HAs managing another HA under contract or HAs sharing a common Executive Director). In those cases, a separate budget, plan, and timetable and unit count shall be supplied in the application."

4. DEFINITIONS

The definitions for the PHDEP are contained in 24 CFR 761 of
the "Streamlined" Consolidated Public and Assisted Housing Drug Elimination Program final rule dated March 28, 1996.

5. **ELIGIBLE AND INELIGIBLE ACTIVITIES**

The purposes of this notice are also to announce OMB approval numbers for two programs contained in the SuperNOFAs and to
correct certain technical errors that appeared in the SuperNOFAs or clarify certain provisions.

SUPPLEMENTARY INFORMATION:

Background
On March 31, 1998 (63 FR 15490), HUD published its SuperNOFA for Housing and Community Development Programs (SuperNOFA I). On April 30, 1998, HUD published the following NOFAs: SuperNOFA for Economic Development and Empowerment Programs (SuperNOFA II) (63 FR 23876); SuperNOFA for Targeted Housing and Homeless Assistance Programs (SuperNOFA III) (63 FR 23988); and SuperNOFA for National Competition Programs (National SuperNOFA) (63 FR 23958). The purposes of this notice are to: extend the application due date for the FHIP and Housing Counseling Programs, announced in SuperNOFA I; announce the OMB approval numbers of two programs that were part of the SuperNOFAs; to correct certain technical errors that appeared in the SuperNOFAs; and to clarify certain provisions.

Extension of FHIP and Housing Counseling Application Due Dates

In SuperNOFA I, HUD announced that the application due dates for the Fair Housing Initiatives Program (FHIP) and the Housing Counseling Program to be June 1, 1998. Due to delays in receipt of the application kits for the FHIP program from the printer, FHIP program applicants faced a hardship in not having kits available to complete their applications. Accordingly, to assist FHIP program applicants, HUD is extending the application due date for the FHIP and Housing Counseling programs to June 25, 1998.

Announcement of OMB Approval Numbers

In SuperNOFA II, HUD noted that the OMB approval for the Local Lead Hazard Awareness Campaign program was pending (see 63 FR 23880). In the National SuperNOFA, HUD noted that the OMB approval number for the National Lead Hazard Awareness Campaign was pending (see 63 FR 23961). Since publication of these two SuperNOFAs, both OMB approval numbers have been received and they are, respectively: 2539-0013 and 2539-0014. Please note that in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid control number.
Federal Register Correction of Printing Errors

In addition to the corrections being made by this notice, the Department notes that in the printing of SuperNOFA I, two printing errors were made and these errors were corrected by the Federal Register in the Federal Register issue of Tuesday, May 5, 1998 (see 63 FR 24843). Those corrections pertained to the Public Housing Drug Elimination program section of SuperNOFA I (beginning at 63 FR 15586). For the convenience of the reader, the corrections published on May 5, 1998 are as follows: 1. On page 15587, in the first column, in paragraph (c)(iii) in the second line, “24,000” should be “25,000.” 2. On page 15587, in the second column, in the first line “$250,000 per unit” should read “$250.00 per unit.”

Corrections and Clarifications Made by This Notice

In the SuperNOFA for Housing and Community Development Programs (SuperNOFA I), notice document 98-8102, beginning at 63 FR 15490, in the issue of Tuesday, March 31, 1998, the following corrections are made: A. On page 15496, in the middle column, under Section IV (captioned “Application Submission Requirements”), a new sentence is added at the end of that section to read as follows:

B. Historically Black Colleges and Universities (HBCUs)

Program Section of SuperNOFA I, Beginning at 63 FR 15527 1. On page 15529, in the middle column, the last sentence of the first paragraph of Section II(A)(2) is removed. C. Fair Housing Initiatives Program Section of SuperNOFA I, Beginning at 63 FR 15536 1. On page 15539, in the third column, in Section II(A)(4), captioned “Project Starting Period,” the date of “October 1, 1998” in this paragraph is replaced with the phrase “90 days from the date of the grant award.” 2. On page 15539, in the third column, in the first sentence of Section II(A)(10), captioned “Outreach Expenses,” the words “Enforcement (PEI/FHOI)” are inserted before the word “Applications.” D. Housing Counseling Program section of SuperNOFA I, beginning at 63 FR 15545. 1. On page 15549, in the middle column, in Section I(C)(1)(b)(ii), captioned “National, Regional, or Multi-State Intermediaries,” the second to the last sentence of this paragraph (ii) is removed. 2. On page 15577, under ”Application Due Date,” the phrase “12:00 pm Eastern time” should be “12:00 midnight, Eastern time.” 2. On page 15583, in the third column, a new paragraph (d) is added to Section III(C)(1), and on page 15584, in the first column, a new paragraph (d) is added to Section III(C)(2), and both new paragraphs (d) read as follows:
If two or more applications have the same score and there are insufficient funds to fund all of them, the application(s) with the highest score for the Soundness of Approach rating factor shall be selected for funding. If a tie still remains, the application(s) with the highest score for the Capacity of the Applicant and Relevant Organizational Experience rating factor shall be selected. Further tied applications will be selected by their scores in the Need/Extent of Problem, Leveraging Resources, and Comprehensiveness and Coordination rating factors, in that order. F. Public Housing Drug Elimination Program section of SuperNOFA I, beginning at 63 FR 15586. 1. On page 15587, first column, in Section I(C)(3)(a), a second paragraph is added to paragraph (a) so that paragraph (a) reads as follows:

(a) PHAs: The unit count includes rental, Turnkey III Homeownership and Section 23 leased housing bond-financed projects. PHAs preparing PHDEP applications are required to confirm/validate the unit count with the local Field Office (Office of Public Housing) before the application is submitted. Field Offices shall not include non-Federally Assisted Housing located in High Intensity Drug-Trafficking Areas in the unit count. Confirmation/Validation may be given if the unit count to be used for a particular program (e.g., PHA-Owned Rental) is the same as the unit count reflected on a PHA’s most recently approved Operating Budget (Form HUD-52564) and/or subsidy calculation (Form HUD-52723) submitted for that program. Field Offices that have PHAs that are not required to submit either of these forms may confirm/validate the PHDEP unit count if it is the same as the most recently submitted Form HUD-51234. Note: In determining the unit count for PHA-Owned Rental Housing, a long-term vacancy unit as defined in 24 CFR 990.102 is included in the count.

2. On page 15587, first column, in the first sentence of the second paragraph of Section I(C)(3)(b) the words “and occupied” is removed so that the sentence reads: “Eligible units are those units which are under management and fully developed.” 3. On page 15587, first column, a third paragraph is added to paragraph (b) of Section I(C)(3) to read as follows:

Use the number of units counted as Formula Current Assisted Stock for Fiscal Year 1998 as defined in 24 CFR 1000.316. Tribes who have not previously received funds from the Department under the 1937 Act should count housing units under management that are owned and operated by the tribe and are identified in their housing inventory as of September 30, 1997.

4. On page 15587, first column, in Section I(C)(3)(c)(iv), “$30 million” should read “$35 million.” 5. On page 15592, in the third column, a new paragraph (10) is added to Section I(E) to read as follows:

Funding may be used for the activities to eliminate drug-related crime in housing owned by public housing agencies that is not public housing assisted under the United States Housing Act of 1937 and is not otherwise federally assisted (for example, housing that receives tenant subsidies under Section 8 is federally assisted and would not qualify, but housing that receives only State, Tribal or local assistance would qualify if they meet all of the following: (i) The housing is located in a high intensity drug trafficking area designated pursuant to Section 1005 of the Anti-Drug Abuse Act of 1988; and (ii) The PHA owning the housing demonstrates, on the basis of information submitted that the drug-related crime at the housing authority has a detrimental affect on or about the housing. Grant extensions during the FY 1997 and FY 1998 PHDEP funding round are not permitted. Any funds not expended at the end of the FY 1997 and FY 1998 PHDEP grant term shall be remitted to HUD.

F. Drug Elimination Grants for Federally Assisted Low-Income Housing (Multifamily Housing Drug Elimination) Program section of SuperNOFA, beginning at 63 FR 15607. 1. On page 15608, in the first column, under Section I(C), the last sentence of that section which begins “Owners of Section 8 tenant- based. * * *” is succeeded by two new paragraphs that read as follows:
HUD inadvertently failed to include tie-breaker language in the selection criteria for the FY 97 DEG funding round. As a result, the application submitted by the Calib Foundation on behalf of Village Heights Apartments, which received the same rating as another selected grantee, was not selected. HUD will correct this oversight by funding Village Heights in the amount of $125,000 from the FY 98 allocation. HUD is also revising this year’s selection process to include tie-breaker language. At this time, HUD is aware of only this one tie-breaker situation. However, in the event that other applicants notify HUD of similar situations and HUD can confirm that an applicant was not selected due to a tie score with a selected grantee, HUD will take additional corrective funding actions.

2. On page 15610, in the first column, under Section III, a new paragraph (C) is added to read as follows:

(C) Tie-Breaker Situations. If two or more applications have the same score and there are insufficient funds to fund all of them, the application(s) with the highest score for the Soundness of Approach rating factor shall be selected for funding. If a tie still remains, the application(s) with the highest score for the Capacity of the Applicant and Relevant Organizational Experience rating factor shall be selected. Further tied applications will be selected by their scores in the Need/Extent of Problem, Leveraging Resources, and Comprehensiveness and Coordination rating factors, in that order.

II. In the SuperNOFA for Economic Development and Empowerment Programs (SuperNOFA II), notice document 98-11392, beginning at 63 FR 23876, in the issue of Thursday, April 30, 1998, the following corrections are made: A. Introduction to the SuperNOFA Process, beginning at 63 FR 23877. 1. On page 23878, in the middle column, the last sentence of this column is corrected to read: “The Programs Section of the SuperNOFA describes each program for which funding is being competed under this SuperNOFA.” 2. On page 23880, in the first column, an asterisk is placed after the following program name “Intermediaries Technical Assistance Grant Program.” and a footnote is placed at the end of the chart that contains the Intermediaries Technical Assistance Program and Outreach and Training Grants for Technical Assistance Program to read as follows: “$1,000,000 is currently available in FY 1998, and $8,000,000 is subject to appropriations in FY 1999.” B. General Section of the SuperNOFA, beginning on 63 FR 23881. On page 23884, in the middle column, under Section IV (captioned “Application Submission Requirements”), a new sentence is added at the section to read as follows:

Whenever a provision of an application kit for one of the programs included in this SuperNOFA is inconsistent with a provision of this SuperNOFA, the provision of the SuperNOFA will prevail.

III. In the SuperNOFA for Targeted Housing and Homeless Assistance Programs (SuperNOFA III), notice document 98-11400, beginning at 63 FR 23988, in the issue of Thursday, April 30, 1998, the following corrections are made: A. Introduction to the SuperNOFA Process, beginning at 63 FR 23989. 1. On page 23990, in the middle column, the third sentence of the third paragraph in the middle column is corrected to read: “The Programs Section of the SuperNOFA describes each program for which funding is being competed under this SuperNOFA.” B. General Section of the SuperNOFA, beginning at 63 FR 23992. 1. On page 23995, in the first column, under Section IV (captioned “Application Submission Requirements”), a new sentence is added at the section to read as
follows:

Whenever a provision of an application kit for one of the programs included in this SuperNOFA is inconsistent with a provision of this SuperNOFA, the provision of the SuperNOFA will prevail.

C. Housing Opportunities for Persons with AIDS (HOPWA) Program section of SuperNOFA III, beginning at 63 FR 24007. 1. On page 24011, in the middle column, under Section III(D), the reference to “Section III(C)(2) of the General Section” in the third sentence of paragraph (D) should read “Section III(C) of the General Section.”

D. Section 202 Supportive Housing for the Elderly Program section of SuperNOFA III, beginning at 63 FR 24015. 1. On page 24025, in the first column, the first sentence of the second paragraph of Section I(D) is corrected by replacing the phrase “three (3) or more Hubs” with “a single Hub.”

E. Section 811 Supportive Housing for Persons with Disabilities Program section of SuperNOFA III, beginning at 63 FR 24031. 1. On page 24034, in the third column, a new paragraph is added to Section I(C) which precedes the last paragraph that begins “The Section 811 capital advance * * *.” The new paragraph reads as follows:

As a result of a rating error in the Boston Office, the application submitted by Employment Options, Inc. was not selected for funding under the Fiscal Year 1997 Section 811 Program of Supportive Housing for Persons with Disabilities. Since this was a HUD error, the application will be funded from the Fiscal Year 1998 allocation to the Boston Office.

2. On page 24035, the chart is amended by placing an asterisk (*) next to the word “Boston” in the first column and adding the following footnote at the bottom of the chart on page 24035.

This amount includes Capital Advance Authority of $529,300 to fund Employment Options, Inc., Marlborough, Massachusetts. Since this 6-unit project was not selected in Fiscal Year 1997 by HUD error, this application will be funded from the Fiscal Year 1998 allocation to the Boston Office.

3. On page 24039, in the first column, the first sentence of the second paragraph of Section I(D) is corrected by replacing the phrase “three (3) or more Hubs” with “a single Hub.”

4. On page 24039, in the first column, a new paragraph (h) is added to Section I(E)(2) to read: “(h) Intermediate care facilities.”

5. On page 24044, in the third column, in Section IV(B)(5)(f), the last sentence of the paragraph which precedes the second “Note” which appears in the third column, is revised to read as follows, and is followed by a new sentence:

In order for applications submitted with site control to be eligible for bonus points for site control, this information would have to be submitted to the local HUD Office no later than 30 days after the application submission deadline date. Otherwise, the application will be considered as a “site identified” application and will not receive bonus points for site control.

1. **APPLICANT’S/SUBGRANTEES SUCCESSFUL EXPERIENCE IN USING SIMILAR STRATEGIES TO ALLEVIATE CRIME** (7 points)

Reviewers shall consider applicant’s demonstration that it has worked in partnership with its subgrantee(s) using a similar strategy that reduced crime in and/or around Assisted Housing developments. Applicant must show reduction in crime as indicated in Factor 3. Examples of other federal programs promoting such partnerships are Operation Safe Home, Safe Neighborhood Action Program, and to some extent, the Drug Elimination Program. NEED/EXTENT OF PROBLEM
MAXIMUM POINTS: 25

This factor addresses extent to which there is need for funding the proposed activities to address a documented problem in target area (degree of severity of drug-related crime problem in project proposed for funding). It is divided into two sub-factors and scores as follows.

1. OBJECTIVE CRIME DATA
   15 points maximum)
   __________

2. OTHER CRIME DATA

   ________

   TOTAL (25 points maximum)
   ________

A detailed description of each sub-factor follows. After they are rated, copy scores above, then total.
FACTOR 2 contd.

1. OBJECTIVE CRIME DATA (15 points)

Reviewers shall consider submission of verifiable records (not anecdotal reports). Where appropriate, statistics should be reported both in real numbers and as an annual percentage of the residents in each development (e.g., 20 arrests in a two-year period for distribution of heroin in a development with 100 residents reflects a 20% occurrence rate). Refer to type and quality of data, as described below, when assigning points.

Choose and assign points to one of the following categories:

_____ (11-15 points) Applicant provides the best objective/data to clearly outline the problem, thoroughly documents crime statistics by listing types of crime by Uniform Crime Reports (UCR) Parts 1 and 2 standards, drug activity is clearly defined including where and to whom it is sold and how drug markets operate.

_____ (6-10 points) Applicant provides some objective data outlining/describing/analyzing the nature and frequency of crime, includes crime statistics including list of drug-related and other crime and their nature and frequency, and defines the who, where, and how of drug activity.

_____ (0-5 points) Applicant provides little or no evidence of objective crime data, crime statistics by type of crime, or description of drug activities.

2. OTHER CRIME DATA--Supporting Data on Extent of Drug-Related Crime (10 points)

To extent objective data as described above may not be available, or to complement that data, assessment must use data from other verifiable sources that have a direct bearing on drug-related crime in developments proposed for assistance under this program. However, if other relevant information is to be used in place of objective data, the application must indicate reasons why objective data could not be obtained and what efforts were made to obtain it, and will be made during grant period to begin obtaining the data. Other data may include surveys of residents and staff in targeted developments, research/government studies, vandalism cost, information from schools, health providers, residents, and government officials; and verifiable opinions/observations of individual having direct knowledge of drug-related crime and nature and frequency of problems in developments proposed for assistance.

Choose and assign points to one of the following categories:

_____ (8-10 points) Applicant includes other documentation as described above to complement objective data or thoroughly and reasonably explains why such documentation could not be obtained, what efforts were made to obtain it and will be made to obtain it in the future; other data submitted clearly describes the nature and frequency of crime, and has a direct bearing on drug-related crime in the development proposed for assistance.

_____ (4-7 points) Applicant includes some of the other documentation as described above, includes other documentation which partially describes the nature and frequency of crime and/or types of crime including drug-related and other crimes; and/or provides drug activity by whom it is being sold to, where and how it is sold, and how drug markets are operating.

_____ (0-3 points) Applicant provides little or no evidence of additional supporting documentation as described above.
