**Subject: Project-Based Vouchers on the Family Report (Form HUD-50058)**

- 1. PURPOSE.** This Notice implements new data entry requirements for project-based vouchers on the Family Report (form HUD-50058). With the Public Housing Information Center (PIC) latest release, Section 11 of the Family Report (Section 8: Project Based Certificates and Vouchers) has been fixed to accept data on project-based vouchers. Prior to the latest release only data on project-based certificates and obsolete pre-merger certificates could be entered in Section 11 of the form.
- 2. EFFECTIVE DATE.** This Notice is effective upon publication.
- 3. IMPLEMENTATION.** Upon publication of this Notice, public housing agencies (PHAs) must enter data for project-based vouchers in Section 11. PHAs must submit this data at the next scheduled submission of the Family Report into PIC for the affected families. This would occur at new admission, interim reexamination or annual reexamination. Data on families that are receiving project-based certificate assistance will continue to be entered in Section 11. Please note that portability billing does not apply to the project-based voucher or certificate programs; therefore, field 11e should always be zero and 11f should always be blank.
- 4. INFORMATION CONTACT.** Inquiries about this notice should be directed to the staff in the Housing Voucher Management and Operations Division, Office of Public Housing and Voucher Programs, at (202) 708-0477.
- 5. PAPERWORK REDUCTION ACT.** The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2577-0083. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number.
