SETTLEMENT AGREEMENT

RECITALS

This Settlement Agreement is made and entered into between the U.S. Department of Housing and Urban Development ("HUD" or "Department") and Cat Creek Properties, LLC

WHEREAS, the Interstate Land Sales Full Disclosure Act ("Act"), 15 USC § 1701 et seq., and its implementing regulations 24 CFR § 1700 et seq. ("Regulations") govern interstate land sales;

WHEREAS, the Secretary of HUD ("Secretary") is responsible for the enforcement of the Act and its Regulations;

WHEREAS 15 U.S.C. § 1703(a)(2) prohibits any developer or agent, directly or indirectly, to employ any device, scheme, or artifice to defraud; or to obtain money or property by means of any untrue statement of a material fact, or any omission to state a material fact necessary in order to make the statements made (in the light of the circumstances in which they were made and within the context of the overall offer and sale or lease) not misleading, with respect to any information pertinent to the lot or the subdivision; or engage in any transaction, practice, or course of conduct of business which operates or would operate as a fraud or deceit upon a purchaser;

WHEREAS the Secretary is authorized by 15 U.S.C. § 1714(b) to make such investigations as deemed necessary to determine whether any person has violated or is about to violate any provision of the Act or any rule or regulation prescribed pursuant thereto, and is authorized to investigate any facts, conditions, practices or matters which he may deem necessary or proper to aid in the enforcement of the Act;

WHEREAS Cat Creek, LLC was the developer of The Gardens at Cat Creek and The Preserve at Cat Creek (collectively, "Cat Creek") located in North Carolina;

WHEREAS Respondent is the successor in interest to the assets and liabilities of Cat Creek, LLC;

WHEREAS the Department has completed an investigation into Respondent’s sale of lots in Cat Creek;

WHEREAS the Respondent has cooperated with HUD’s investigation;

WHEREAS the Department has determined that the Respondent in 2001 was investigated by the State of North Carolina to determine whether there were any violations regarding certain representations regarding North Carolina’s approval of a water system, when, in fact, approval had not been granted;
WHEREAS, the State of North Carolina assessed the Respondent a penalty for failing to comply with state regulatory requirements to obtain an Authorization to Construct for a water supply system and for resuming construction after prior notice of a violation.

WHEREAS, as a result of the North Carolina investigation into the water supply system, the Respondent, without admitting any liability or fault, paid a fine in the amount of $15,000 to the State of North Carolina;

WHEREAS, Cat Creek now has an approved water system;

WHEREAS, the Department has determined that the Respondent in 2001 advertised to consumers that Cat Creek would be serviced by a water system that had been approved by the State of North Carolina when in fact approval had not been granted;

WHEREAS, the Respondent has already been required to pay a fine to the State of North Carolina and an appropriate disposition of this matter is for the Respondent to pay a portion of the costs associated with the Department’s investigation;

WHEREAS the Respondent does not agree with HUD’s determinations;

WHEREAS this Settlement Agreement shall not constitute an admission of liability or fault on the part of the Respondent; and

WHEREAS the parties to this Settlement Agreement now desire to avoid further expense and proceedings and to settle this matter under the terms and conditions set forth below.

AGREEMENTS

6. Should the Respondent fail to comply with the terms set out above, or should any of its representations prove to be false or incomplete in any material manner, HUD may take appropriate enforcement action, and/or refer the matter to other governmental authorities for further action.

7. It is understood and agreed that, except as otherwise stated herein, this Settlement Agreement expresses the complete settlement of Respondent’s liabilities in connection with HUD’s investigation upon which this Settlement Agreement is based.

8. Each party shall bear its own costs and attorney’s fees.
