## **For HUD ASSISTED RESIDENTS**

### **Below Market Interest Rate (BMIR)**

## **“HOW YOUR RENT IS DETERMINED”**

**Office of Housing**

**\*\* June 2007\*\***

*This Fact Sheet is a general guide to inform the Owner/Management Agents (OA) and HUD-assisted residents of the responsibilities and rights regarding income disclosure and verification.*

### **Why Determining Income and Rent Correctly is Important**

Department of Housing and Urban Development studies show that many resident families pay incorrect rent. The main causes of this problem are:

- Under-reporting of income by resident families, and
- OAs not granting exclusions and deductions to which resident families are entitled.

OAs and residents all have a responsibility in ensuring that the correct rent is paid.

### **OAs' Responsibilities:**

- Obtain accurate income information
- Verify resident income
- Ensure residents receive the exclusions to which they are entitled
- Accurately calculate Tenant Rent
- Provide tenants a copy of lease agreement and income and rent determinations
- Recalculate rent when changes in family composition are reported
- Recalculate rent when resident income decreases
- Recalculate rent when resident income increases by \$200 or more per month
- Provide information on OA policies upon request
- Notify residents of any changes in requirements or practices for reporting income or determining rent

### **Residents' Responsibilities:**

- Provide accurate family composition information
- Report all income
- Keep copies of papers, forms, and receipts which document income and expenses
- Report changes in family composition and income occurring between annual recertifications
- Sign consent forms for income verification
- Follow lease requirements and house rules

### **Income Determinations**

A family's anticipated gross income determines not only eligibility, but also determines the rent a family will pay. The anticipated income, subject to exclusions the family will receive during the next twelve (12) months, is used to determine the family's rent.

### **What is Annual Income?**

Gross Income – Income Exclusions = Annual Income

### **Determining Tenant Rent**

## Below Market Interest Rate (BMIR) Rent

### Formula:

- At move-in or initial occupancy, the family pays the contract rent
- At recertification, they continue to pay the same rent unless their **income is equal to or higher than 110% of the BMIR income limit**. If the income has risen to 110% of the BMIR income limit, they pay the **higher** of the BMIR Market Rent or the amount they now pay.

## Income and Assets

HUD assisted residents are required to report **all** income from all sources to the Owner or Agent (OA).

Exclusions to income are part of the tenant rent process.

When determining the amount of income from assets to be included in annual income, the actual income derived from the assets is included except when the cash value of all of the assets is in excess of \$5,000, then the amount included in annual income is the higher of 2% of the total assets or the actual income derived from the assets.
