Healthy Homes Grantees in Region IX, Pacific/Hawaii

Name of Grantee: City of Phoenix Neighborhood Services Department
Name of Project: 
Amount Awarded: $ 950,000
Year of Grant: 2002
Contact Info:

Project Partners: Phoenix Children's Hospital, the Arizona Department of Health Services, City of Phoenix Head Start

Summary of Project Activities: The City of Phoenix Neighborhood Services Department is collaborating with the Phoenix Children's Hospital, the Arizona Department of Health Services, and the City of Phoenix Head Start to assess and conduct interventions in at least 150 privately owned housing units in the City of Phoenix. The target population will be concentrated in the Phoenix Neighborhood Initiative Areas and Enterprise Community. The project will assess and correct a spectrum of housing-related hazards in the target area, conduct community and family education activities, and provide at least three jobs for low-income workers in the Enterprise Community.

Product Outcomes/Outputs: The project will assess and correct a spectrum of housing-related hazards in the target area, conduct community and family education activities, and provide at least three jobs for low-income workers in the Enterprise Community.
