PROGRAM: Community Development Block (ICDBG) Grant for Indian Tribes and Alaska Native Villages

FOR: Tribal Government Leaders and Tribally Designated Housing Entities (TDHE)

FROM: Rodger J. Boyd, Deputy Assistant Secretary, PN

TOPIC: Notice of HUD’s Fiscal Year (FY) 2006 Notice of Funding Availability (NOFA), Policy Requirements and General Section to the SuperNOFA for HUD’s Discretionary Grant Programs

Purpose: To make eligible applicants aware of the correction published in the Federal Register on April 28, 2006, that makes changes to the General Section of the Fiscal Year (FY) 2006 SuperNOFA and to the SuperNOFA for HUD’s Discretionary Grants. The Federal Register is attached. Please note that the Federal Register includes corrections to many discretionary grants such as the Youth Build and Home Hazard Demonstration programs. However, this program guidance document specifically draws your attention to the corrections made for the Community Development Block Grant Program for Indian Tribes and Alaska Native Villages (ICDBG). This program guidance document gives you a quick glance at the corrections contained in the Federal Register. It is designed to allow you to quickly and easily access the corrections in the Federal Register. It shows the page numbers found on the original documents and references the corrections made.

Background: On January 20, 2006, HUD published its FY 2006 Notice of Funding Availability Policy Requirements and General Section to the SuperNOFA for HUD’s Discretionary Programs. On March 8, 2006, HUD published its FY 2006, SuperNOFA for HUD’s Discretionary Grants Programs. These documents gave eligible applicants information on the available funds, eligibility requirements, submission requirements, the application review tools and the application submission deadline dates.
Corrections:

General Section

1. **Page 11736**, Section V.A.2. HUD changes the chart to show both current and new applicants are eligible for up to 40 points for Rating Factor 1.
2. **Page 11737**, Section V.A.2, third column. HUD corrects points available to new applicants on Rating Factor 1.1.b.
3. **(A) Page 11738**, Section V.A.2, first column. HUD corrects points available to new applicants on Rating Factor 1.1.c.
   **(B) Page 11738**, Section V.A.2, second column. HUD is deleting the paragraph with the point breakdown on Rating Factor 1.1.c.
   **(C) Page 11738**, Section V.A.2, second column. HUD is correcting points available to new applicants.
   **(D) Page 11738**, Section V.A.2, third column. HUD adds additional requirements for applicants to describe application of procurement and contract management policies and procedures.
   **(E) Page 11738**, Section V.A.2, third column. HUD is correcting points available to new applicants on Rating Factor 1.1.d. Changes the available points for current grantees and new applicants respectively from two and five points to two and ten points.
   **(F) Page 11738**, Section V.A.2, third column. HUD is correcting points available to new applicants on Rating Factor 1.1.d. Changes the available points for current grantees and new applicants respectively from one and four points to one and five points.
4. **Page 11739**, Section V.A.2 second column. HUD is correcting the second sentence on Rating Factor 1.2.e. (1) to read “If there were no open audit or ICDGB monitoring findings (current grantees only), the applicant will receive 4 points.

Further Information: If there are any questions regarding the corrections to the General Section of the 2006 SuperNOFA or HUD’s Discretionary Grants, including the ICDBG program, please contact your Area Office of Native American Programs.

**SUPPLEMENTARY INFORMATION:**

The Department will submit the proposed information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35, as amended).

This Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

**Title of Proposal:** Multifamily Housing Mortgage and Housing Assistance Restructuring Program (Mark-to-Market).

**OMB Control Number,** if applicable: 2502–0533.

**Description of the need for the information and proposed use:** The Mark to Market Program is authorized under the Multifamily Assisted Housing Reform and Affordability Act of 1997 as extended by The Mark to Market Extension Act of 2001. The information collection is required and will be used to determine the eligibility of FHA-insured multifamily properties for participation in the Mark to Market program and the terms on which such participation should occur as well as to process eligible properties from the program through closing of the mortgage restructuring in accordance with program guidelines.
clarifications to the General Section, the Community Development Block Grant Program for Indian Tribes and Alaska Native Villages (ICDBG), Housing Counseling Programs, Lead-Based Paint Hazard Control Grant Program, Lead Hazard Reduction Grant Program, Operation Lead Elimination Action Program, Technical Studies Programs (Lead Technical Studies and Healthy Homes Technical Studies), Home Hazard Demonstration Program, Brownfields Economic Development Initiative (BEDI), Youthbuild, Section 202 Housing for the Elderly Program (Section 202 Program), and Section 811 Supportive Housing For Persons With Disabilities (Section 811 Programs). These changes affect the NOFAs listed, but do not affect the application packages on Grants.gov.

DATES: The application submission dates for the program sections of the SuperNOFA remain as published in the Federal Register on March 8, 2006.

FOR FURTHER INFORMATION CONTACT: Questions regarding the General Section of January 20, 2006, should be directed to the NOFA Information Center between the hours of 10 a.m. and 6:30 p.m. Eastern Time at (800) HUD-8929. Hearing-impaired persons may call 800–HUD–2209. For the programs listed in this notice, please contact the office or individual listed under section VII of the individual program sections of the SuperNOFA, published on March 8, 2006.

SUPPLEMENTARY INFORMATION: On January 20, 2006 (71 FR 3382), HUD published its Fiscal Year (FY) 2006, Notice of Funding Availability Policy Requirements and General Section (General Section) to the SuperNOFA for HUD’s Discretionary Programs. Early publication of the General Section was intended to provide prospective applicants additional time to become familiar with and address those provisions in the General Section that constitute part of almost every application. On March 8, 2006 (71 FR 11712), HUD published its Notice of HUD’s Fiscal Year (FY) 2006, SuperNOFA for HUD’s Discretionary Grant Programs. The FY2006 SuperNOFA announced the availability of approximately $2.2 billion in HUD assistance. This notice published in today’s Federal Register makes technical corrections and clarifications to the General Section, the Community Development Block Grant Program for Indian Tribes and Alaska Native Villages (ICDBG), Housing Counseling Programs, Lead-Based Paint Hazard Control Grant Program, the Lead Outreach Grant Program, the Lead Hazard Reduction Demonstration Grant Program, the Operation Lead Elimination Action Program, Technical Studies Programs (Lead Technical Studies and Healthy Homes Technical Studies), Home Hazard Demonstration Program, Brownfields Economic Development Initiative (BEDI), Youthbuild, Section 202 Housing for the Elderly Program (Section 202 Program), and Section 811 Supportive Housing For Persons With Disabilities (Section 811 Programs). Additionally, changes have been made to the Logic Models for the Rural Housing Economic Development Program NOFA, which now includes an option to select “other” in the dropdown listing for Outputs and outcomes; the Community Development-Technical Assistance Program NOFA, which corrected the drop down activity listing which was not showing one of the activities; and Youthbuild Program NOFA, which now provides an output element for GED program enrollment. The revised Logic Models, which are not part of today’s notice, can be found in the program instruction download at Grants.gov.

Summary of Technical Corrections

Summaries of the technical corrections made by this document follow. The page number shown in brackets identifies where the individual funding availability announcement that is being corrected can be found either in the January 20, 2006, General Section or the March 8, 2006, SuperNOFA. The technical correction described in today’s Federal Register will also be reflected in the application instructions located on Grants.gov/Apply. Applicants who have submitted their applications prior to this publication can choose to resubmit an updated application that reflects the corrections and clarifications. The last application received and validated by Grants.gov by the deadline date will be the application that is reviewed and rated.

General Section [3382]

On page 3389, section IV.C.5., second column, HUD is clarifying the procedure for requesting a waiver by e-mail. Those applicants wishing to submit waiver requests by e-mail must include their organization’s name, DUNS number, and the name of the Authorized Official that is legally able to make such a request from HUD in the body of the e-mail. Applicants must also include a contact name and telephone number in case clarification is needed. Waivers will only be granted for cause. If this information is not included the waiver request will not be considered.

On page 3396, section V.B.2.e., first column, HUD is correcting the sentence that contains the reference to the Web site where applicants can find the listing of MSIs. The Web site on the Department of Education Web page is no longer available. The correct Web site can be found at the Department of Transportation Web site, at http://www.dotcr.ost.dot.gov/asp/dotpart/msi/dotpart.htm#3.

On page 3398, section V.C., third column, above the first full paragraph, HUD is adding an additional paragraph to section V.C., in order to clarify how applicants should complete the Logic Model. HUD has received questions on what numbers or letters should be used to note Strategic Goals and Policy Priorities in completing the Logic Model. Please use the numbers or letters as they are designated, in the January 20, 2006, General Section, published in the Federal Register, identifying the HUD (Strategic) Goals and HUD Policy Requirements for submitting attachments to the application. All documents that you are submitting as electronic files must be submitted electronically in Microsoft Word (version 9 or earlier), Microsoft Excel 2000, or in Portable Document Format (PDF) that is compatible with Adobe Reader version 6.0 or earlier. Computer Aided Design (CAD) files must be saved and submitted as PDF files. HUD is taking the opportunity afforded by this technical correction to clarify that all file types that are attached using the attachments form must be Microsoft Word (version 9 or earlier), Microsoft Excel 2000, or PDF version 6.0 or earlier. In addition, some NOFAs may request photos, if this is the case, the photos may be attached using .jpg files. If HUD receives any file in a format other than those specified in this technical correction, HUD will not be able to read the file(s) and, therefore, the file(s) will not be reviewed.

On page 3391, section IV.F.3.d.(2)(a), third column, first full paragraph, HUD is clarifying the instructions provided to applicants for submitting faxes.

On page 3393, section IV.F.5., second column, HUD is clarifying the upload instructions. If an applicant fails the validation check the applicant will have an opportunity to resubmit the application within the deadline. This item is correctly found on page 3393, section IV.F.4.a., first column, as part of the Submission Tips.

On page 3391, section IV.F.3.d.(1), second column, describes the requirements for submitting attachments to the application. All documents that you are submitting as electronic files must be submitted electronically in Microsoft Word (version 9 or earlier), Microsoft Excel 2000, or in Portable Document Format (PDF) that is compatible with Adobe Reader version 6.0 or earlier. Computer Aided Design (CAD) files must be saved and submitted as PDF files. HUD is taking the opportunity afforded by this technical correction to clarify that all file types that are attached using the attachments form must be Microsoft Word (version 9 or earlier), Microsoft Excel 2000, or PDF version 6.0 or earlier. In addition, some NOFAs may request photos, if this is the case, the photos may be attached using .jpg files. If HUD receives any file in a format other than those specified in this technical correction, HUD will not be able to read the file(s) and, therefore, the file(s) will not be reviewed.

On page 3391, section IV.F.3.d.(2)(b), third column, first full paragraph, HUD is clarifying the instructions provided to applicants for submitting faxes.

On page 3393, section IV.F.5., second column, HUD is clarifying the upload instructions. If an applicant fails the validation check the applicant will have an opportunity to resubmit the application within the deadline. This item is correctly found on page 3393, section IV.F.4.a., first column, as part of the Submission Tips.
On page 11736, section V.A.2., chart, bottom-half of page, HUD mistakenly constructed Rating Factor 1 to provide current grantees the opportunity to get 40 points but only gave new applicants an opportunity to earn 30 points. Both current grantees and new applicants are eligible for up to 40 points for this factor. HUD is correcting the Rating Factor point breakdown by changing points for Rating Factor 1, subfactors 1.b. through 1.d. to be worth a maximum of 10 points for new applicants.

On page 11737, section V.A.2., first column, Rating Factor 1, 1.c., HUD is correcting the misstatement of points available to new applicants by changing “(20 points for current ICDBG grantees) (30 points for new applicants)” to “(20 points for current ICDBG grantees) (40 points for new applicants)”.

On page 11737, section V.A.2., third column, Rating Factor 1, 1.b., HUD is correcting the misstatement of points available to new applicants by changing “(5 points for current ICDBG grantees) (7 points for new applicants)” to “(5 points for current ICDBG grantees) (10 points for new applicants).” This change occurs twice in the section, both in the third column of page 11737.

On page 11738, section V.A.2., first column, Rating Factor 1, 1.c., HUD is correcting the misstatement of points available to new applicants by changing “(3 points for current ICDBG grantees) (8 points for new applicants)” to “(3 points for current ICDBG grantees) (10 points for new applicants).” This change occurs twice in the section, both in the first column of page 11738.

On page 11738, section V.A.2., second column, Rating Factor 1, 1.c., HUD is correcting the misstatement of points available to new applicants by changing “(2 points for current ICDBG grantees) (4 points for new applicants) to (2 points for current ICDBG grantees) (5 points for new applicants).”

On page 11738, section V.A.2., second column, Rating Factor 1, 1.c., HUD is deleting the paragraph with the point breakdown “(1 points for current ICDBG grantees) (2 points for new applicants)” because it duplicates the language contained in the preceding paragraph.

On page 11738, section V.A.2., second column, Rating Factor 1, 1.d., HUD is correcting the misstatement of points available to new applicants by changing “(2 points for current ICDBG grantees) (5 points for new applicants)” to “(2 points for current ICDBG grantees) (10 points for new applicants).”

On page 11738, section V.A.2., Rating Factor 1, 1.d., third column, HUD is adding the requirement that applicants must describe how they will apply their procurement and contract management policies and procedures to the specific project for which they are applying. HUD inadvertently omitted to include this requirement in the section describing what applicants must include in their application in order to receive the maximum number of points under this subsection.

On page 11738, section V.A.2., second column, Rating Factor 1, 1.d., HUD is correcting the years of eligibility language to the Lead Hazard Reduction Demonstration Grant Program section of the chart, “States and Indian Tribes may apply on behalf of units of local government within their jurisdiction, if the local government designates the state or Indian Tribe as their applicant.” Further information regarding applicant eligibility for each of the programs contained in the NOFA can be found in section Overview Information, G.3.

On page 11818, section III.C.1.b.(10), third column, HUD is removing the family occupancy with a child under the age of six condition from the description of eligible other direct costs regarding lead hazard control activities. The Residential Lead Based Paint Hazard Reduction Act (Title X), the governing legislation for this program, requires at least 50 percent to be occupied by low-income families. See section III.C.8.

On page 11819, section III.C.3.c., first column, HUD is correcting the years required for applicants to report the number of children with documented elevated blood lead levels residing within the jurisdiction where the lead hazard control work will occur from “2002, 2003 and 2004” to “2003, 2004, or 2005.” This technical correction conforms the requirement to the language contained in section V.A.2.a., Rating Factor 2 (page 11825), which says that HUD is looking for data for the most recent available year. Also, in this section HUD is replacing “calendar
years” with “twelve month period” because it has come to HUD’s attention that many health departments do not report elevated blood level data on a calendar year cycle. To continue to rely on a calendar year cycle would impair the ability of applicants to report data under this NOFA.

On page 11822, section III.C.20.b.(18), second column, HUD is deleting an incorrect Web site address and inserting the correct Web site address to which applicants should refer.

On page 11824, section V.A.1.a.(2), third column, HUD is clarifying the term “Current or previous grantee” by adding “awarded funds in FY2001 or later.” Also in this section, HUD will not be awarding points based on the combination of green, yellow, or red performance ratings and, therefore, has removed that language.

On page 11825, section V.A.2.b., first and second column, HUD is modifying the language in this section to account for the different focuses of the various programs contained within this single NOFA. The provision referring to pre-1940 occupied rental housing is being corrected to read, “Points will be awarded under the Lead Hazard Reduction Demonstration program for the number of pre-1940 occupied rental housing units in the applicant’s target area(s) * * *” Highlighting this distinction will avoid confusion because it is only the Lead Hazard Reduction Demonstration Program that focuses on pre-1940 occupied rental housing, whereas the Lead-Based Paint Hazard Control and Operation Lead Elimination Action Programs target pre-1978 occupied housing. HUD is also deleting the two last sentences of subsection b. and inserting the following sentence, “Points will be awarded under the Lead-based Paint Hazard Control and Operation Lead Elimination Action Programs for the number of pre-1978 occupied housing units in the applicant’s target area(s) according to the table, “Points Awarded for Number of Pre-1978 Occupied Housing Units Target Area,” that can be downloaded from http://www.hud.gov/offices/adm/grants/fundsavail.cfm.”

On page 11825, section V.A.3., second column, HUD listed 40 available points for Rating Factor 3: Soundness of Approach, however, when each component of Rating Factor 3 is added together the points total 45. To correct this inadvertent mistake, HUD is reducing the points available under “Lead Hazard Control Work Plan Strategy” from 20 to 15 points.

These corrections are also reflected in the instructions found on Grants.gov/Apply. Applicants must download the instructions to receive all forms and instructions related to this NOFA. Applicants are encouraged to read the instructions on Grants.gov/Apply prior to submitting their application in response to the Lead-Based Paint Hazard Control Grant Program, Lead Hazard Reduction Demonstration Grant Program, or Operation Lead Elimination Action Program funding opportunity.

**Technical Studies Programs (Lead Technical Studies and Healthy Homes Technical Studies)** [Page 11834]

On page 11838, section III.D.1., third column, HUD is modifying the language to make it consistent with the General Section and clarify that applicants must meet the threshold requirements for compliance with Fair Housing and Civil Rights Laws, Conducting Business in Accordance with Core Values and Ethical Standards, Delinquient Federal Debt and Pre-Award Accounting System Surveys prior to receiving an award of funds from HUD. Applications can be rated and ranked prior to meeting these threshold requirements, but an award will not be made if an applicant has not met these requirements.

These corrections are also reflected in the instructions found on Grants.gov/Apply. Applicants must download the instructions to receive all forms and instructions related to this NOFA. Applicants are encouraged to read the instructions on Grants.gov/Apply prior to submitting your application in response to the Healthy Homes Demonstration Program funding opportunity.

**Healthy Homes Demonstration Program** [Page 11858]

On the following pages and sections, HUD has inserted the correct Web site address to which applicants should refer:

- Page 11859, section I.A., third column;
- Page 11860, section II.A., second column;
- Page 11860, section III.C.2.c., third column;
- Page 11861, section III.C.2.k., first column;
- Page 11861, section III.C.3.k., second column;
- Page 11862, section III.C.3.n., second column;
- Page 11863, section IV.E.1., third column;
- Page 11865, section V.A.2.c., first column;
- Page 11866, section V.A.2.c.(1)(ii)(B), third column; and
- Page 11894, section V.A.2.d.(3)(ii), second column.

On page 11864, section V.A.2., first column, HUD is removing the instruction that applicants should refer to the Scoring of Rating Factors guide.

On page 11864, section V.A.2.a.(3), second paragraph, third column, HUD is correcting a typographical error by inserting the word “should.” The sentence will now read, “This table should be included in your application.” HUD is also correcting the Web site address applicants should refer to in this section.

On page 11865, section V.A.2.b.(2)(c), first column, HUD is adding a new paragraph requiring applicants to complete and submit the Factor 2 Table.

On page 11869, section VII., second column, HUD is correcting the room number provided.

On page 11869, section VIII.B., third column, HUD is replacing “semi annual reports” with “quarterly reports” so as to be consistent with the rest of the NOFA.

These corrections are also reflected in the instructions found on Grants.gov/Apply. Applicants must download the instructions to receive all forms and instructions related to this NOFA. Applicants are encouraged to read the instructions on Grants.gov/Apply prior to submitting your application in response to the Healthy Homes Demonstration Program funding opportunity.

**Brownfields Economic Development Initiative (BEDI)** [11870]

On page 11873, section II.C.2.b., first column, HUD is correcting one of the examples as to why a BEDI grant has been reduced below the original request.

On page 11884, section VII., second column, the Agency Contact is being changed to David Kaminsky and the telephone extension is changed to 4612.

These corrections are also reflected in the instructions found on Grants.gov/Apply. Applicants must download the instructions to receive all forms and instructions related to this NOFA. Applicants are encouraged to read the instructions on Grants.gov/Apply prior to submitting your application in response to the BEDI funding opportunity.

**Youthbuild** [11886]

On page 11887, section Overview Information, G.3., first column, HUD is expanding the pool of eligible applicants for the Youthbuild program to include Indian tribes and Indian housing authorities and housing entities. On December 22, 2005, the Native American Housing Enhancement Act of 2005 (Act) passed, authorizing the eligible of Indian tribes and
Indian housing authorities and housing entities in the Youthbuild program. HUD inadvertently failed to include Indian tribes and Indian housing authorities and housing entities among those listed as eligible applicants. On page 11888, section III.A., first column, HUD is expanding the pool of eligible applicants for the Youthbuild program to include Indian tribes and Indian housing authorities and housing entities. On December 22, 2005, the Native American Housing Enhancement Act of 2005 (Act) passed, authorizing the eligibility of Indian tribes and Indian housing authorities and housing entities in the Youthbuild program. HUD inadvertently failed to include Indian tribes and Indian housing authorities and housing entities among those listed as eligible applicants. On page 11890, section IV.B.2., chart, HUD is correcting two entries in the chart that were inadvertently located in the wrong section. Forms “Questionnaire for HUD’s Initiative on Removal of Barriers” and “Facsimile Transmittal” are being moved from the section entitled “Youthbuild Program Specific Forms” to “What to Submit.” On page 11894, section V.D.1.f., first column, in the description of Leveraging of Non-Housing Resources, HUD mistakenly referenced the investment is contingent on receiving FY2005 Youthbuild funds. It should read that the investment is contingent on receiving FY2006 Youthbuild funds. On page 11895, section VIII., third column, HUD is correcting the agency contact for programmatic information concerning Youthbuild program. The contacts will now be either Ann Buhlman or Priscilla Poindexter. These corrections are also reflected in the instructions found on Grants.gov/Apply. Applicants must download the instructions to receive all forms and instructions related to this NOFA. Applicants are encouraged to read the instructions on Grants.gov/Apply prior to submitting their application in response to the Youthbuild Program funding opportunity. Section 202 Housing for the Elderly Program (Section 202 Program) [12009] On page 12022, Section IV.C., second column, HUD is clarifying the process that applicants who are requesting a waiver to submit a paper application must follow. Those applicants who are granted a waiver will receive a notification providing specific instructions on how and where to submit the paper application. These corrections are also reflected in the instructions found on Grants.gov/Apply. Applicants must download the instructions to receive all forms and instructions related to this NOFA. Applicants are encouraged to read the instructions on Grants.gov/Apply prior to submitting their application in response to the Youthbuild Program funding opportunity.
Accordingly, in the Notice of HUD’s Fiscal Year (FY) 2006, Notice of Funding Availability (NOFA), Policy Requirements and General Section to the SuperNOFA for HUD’s Discretionary Grant Programs, beginning at 71 FR 11712, in the issue of March 8, 2006, the following corrections are made.

1. General Section

On page 3389, section IV.C.5., third column, delete item number 5. On page 3391, section IV.F.3.(d), second column, is corrected to read as follows:

(1) Narrative Statements to the Factors for Award. When submitting attached files to your electronic application you must attach them as an electronic file in Microsoft Word (version 9 or earlier), Microsoft Excel 2000, or in Portable Document Format (PDF) that is compatible with AdobeTM Reader version 6.0 or earlier. In addition, some NOFAs may request photos, if this is the case, the photos may be attached using .jpg files. Computer Aided Design (CAD) files submitted electronically must be submitted in PDF format meeting the PDF format requirements. If HUD receives any file in a format other than those specified, HUD will not be able to read the file(s), and the file(s) will not be reviewed. Applicants can scan and zip files and then attach them to the electronic application. Applicants should be aware that scanning documents increases the size of the files and if applicants are using a dial-up connection or have a slow speed computer, the heavy attachments may slow the transmission. The slow upload may cause some applicant’s Internet connection to time out. Therefore, HUD discourages scanning of documents and suggests use of the Facsimile solution. Applicants that will not have problems with their Internet connection timing out or have a computer that can handle large files may submit scanned and zipped files.

On page 3391, section IV.F.3.d.(2)(b), third column, first full paragraph, is corrected to read as follows:

Facsimiles transmitted in response to a NOFA must use the form HUD–96011 as the cover page. The forms on HUD’s Web site are only to be used by applicants who have been granted a waiver to submit a paper application. All other applicants when submitting a fax transmission must use the HUD Form 96011 from the electronic application package that they downloaded from Grants.gov. That package contains an embedded ID number that allows HUD to electronically match the fax to the electronic application. Without the embedded ID number on Form HUD–96011 HUD will not be able to match the fax to the application. If an applicant’s fax machine automatically generates a cover page, the applicant must turn this feature off.

Important Fax Submission Tip: If you have already submitted a fax or faxes that do not follow the requirements, your faxed document will NOT be associated with your submitted application package. You are encouraged to retype your documents before the closing date of the opportunity. Please be reminded that HUD will not rate or rank application packages that are submitted entirely by fax.

On page 3393, section IV.F.5., second column, is corrected to read as follows:

5. Waiver of Electronic Submission Requirements

For FY2006, the procedures for obtaining a waiver of the electronic submission requirement have changed. On December 29, 2005 (70 FR 77292), HUD published a final rule that established in 24 CFR 5.1005 the regulatory framework for HUD’s electronic submission requirement, as well as the procedures for obtaining a waiver. Applicants seeking a waiver of the electronic submission requirement must request a waiver in accordance with 24 CFR 5.1005 showing cause. If the waiver is granted, the applicable program office’s response will include instructions on how, where, and how many hard copies of the paper application must be submitted. Applicants that are granted a waiver of the electronic submission requirement will not be afforded additional time to submit their applications. The deadlines for applications will remain as provided in the program section of the SuperNOFA and as per the final Appendix A to be published with the SuperNOFA program sections. As a result, applicants seeking a waiver of the electronic application submission requirement should submit their waiver request with sufficient time to allow HUD to process and respond to the request. Applicants should also allow themselves sufficient time to submit their application so that HUD receives the application by the established deadline date. For this reason, HUD strongly recommends that an applicant that finds it is unable to submit its application electronically and must seek a waiver of the electronic grant submission requirement, submit its waiver request to the headquarters of the applicable HUD office approximately no later than 15 days before the application deadline date. This will allow time for HUD to process the waiver request and give the applicant sufficient time to submit the paper application to meet the deadline date requirement if the waiver is granted. To expedite the receipt and review of such requests, applicants may e-mail their requests to the program contact listed in the program NOFA. (Please note the exception to this in the Section 202 Supportive Housing for the Elderly and Section 811 Supportive Housing for Persons with Disabilities Program, published as part of this technical correction). In order to have a waiver requested submitted by e-mail considered, applicants must include in the body of the e-mail the organization’s name, the DUNS number, and the name and title of the Authorized Official that is legally able to make such a request from HUD. The request must also include a contact name and telephone number to call if clarification is needed. Waivers will only be granted for cause in accordance with 24 CFR 5.1005. Applications that are received after the established deadline date will not be considered.

On page 3396, section V.B.2.e, first column, the second to last sentence is revised to read as follows:

On page 3398, section VI.C., third column, add the following above the first full paragraph:

HUD has received questions on what numbers or letters should be used to note Strategic Goals and Policy Priorities in completing the Logic Model. Please use the letter a., b., c., d., etc. to note the selection of a Strategic Goal of Policy Priority on the Logic Model Form HUD 96010. If you wish to denote a sub-component of a Strategic Goal or Policy Priority please place them as part of your narrative response to Factor 5. Any sub-components you want to include in your application must be included in the Logic Model Narrative. Continuum of Care applicants should attach a document, labeled “Logic Model Narrative.” Some programs have specifically omitted the term “other” from the drop down listings in the Logic Model as items that are not on the listing will not be accepted. If the program Logic Model includes the word “other” on the listing, then you should include an explanation of “other” in your Logic Model Narrative. Continuum of Care applicants with questions should contact the agency contacts listed in the Continuum of Care program NOFA.

City, county, or other unit of local government. Multiple units of a local government (or multiple local governments) may apply as a consortium. States and Indian Tribes may apply on behalf of units of local government within their jurisdiction, if the local government designates the state or Indian Tribe as their applicant.

On page 11818, section III.C.1.b.(10), third column, is changed to read as follows:

(10) Lead hazard control activities tied directly to a matching and/or leveraging strategy and conducted in low- and very low-income eligible privately owned owner-occupied or investor-owned rental units.

On page 11819, section III.C.3.c., first column, is corrected to read as follows:

c. All applicants under the Lead Hazard Reduction Demonstration Program must provide the actual number of children with documented elevated blood levels residing within the jurisdiction(s) where the lead hazard control work will be conducted for the most recently available 2003, 2004, or 2005 twelve month period and identify the source of the data. Failure to provide these data will result in the application not being rated or ranked.

On page 11824, section V.A.1.a.(2), third column, is corrected to read as follows:

(2) Current or previous grantee awards made in FY2001 or later under any of this NOFA’s programs. HUD will evaluate the applicant’s quarterly performance reports for the last four (4) quarters as of the most recent reporting year. Based on the overall performance rating of the last 4 reporting quarters under the OHHLC Quarterly Progress Reporting System, up to a maximum of 10 points will be awarded.

On page 11825, section V.A.2.b., first and second column, is corrected to read as follows:

b. Points will be awarded based on the documented housing market data relevant to the specified target area(s) entered in the Rating Factor 2 table. (5 Points for Lead-Based Paint Hazard Control and Lead Hazard Reduction Demonstration Programs, and 3 Points Maximum for Operation LEAP). Points will be awarded under the Lead Hazard Reduction Demonstration program for the number of pre-1940 occupied rental housing units in the applicant’s target area(s) according to the table, “Points Awarded for Number of Pre-1940 Occupied Rental Housing Units in Target Area,” that can be downloaded from http://www.hud.gov/offices/adm/grants/fundsavail.cfm. Points will be awarded under the Lead-Based Paint Hazard Control and Operation Lead Elimination Action Programs for the number of pre-1978 occupied housing units in the applicant’s target area(s) according to the table, “Points Awarded for Number of Pre-1978 Occupied Housing Units Target Area,” that can be downloaded from http://www.hud.gov/offices/adm/grants/fundsavail.cfm.

On page 11894, section V.D.1.f., first column, is corrected to read as follows:
f. An affirmation that its investment is contingent only upon the receipt of FY2006 Youthbuild funds and a statement of willingness on the part of the signatory to sign a legally binding commitment not earlier than the date this NOFA is published.

On page 11895, section VIII., third column, first full paragraph, the agency contacts for programmatic information is corrected to read as follows:
For programmatic information concerning the Youthbuild program, contact Ms. Ann Buhlman or Ms. Priscilla Poindexter; Office of Rural Housing and Economic Development; Office of Community Planning and Development; U.S. Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC, 20410–7000; Telephone (202) 708–2290 (this is not a toll-free number). Persons with speech or hearing impairments may access this number via TTY by calling the toll-free Federal Information Relay Service at 800–877–8339.

Prior to the application deadline, HUD’s staff will be available to provide general guidance on the application submission process and location of information, but not guidance in preparing your application.

9. Section 202 Housing for the Elderly Program (Section 202 Program), beginning at page 12009: On page 12022, Section IV.C., second column, is corrected to read as follows:

C. Submission Dates and Times. Your application must be received and validated electronically by Grants.gov no later than 11:59:59 p.m. Eastern time on the application deadline date of June 2, 2006, unless a waiver of the electronic delivery process has been approved by HUD. Please refer to the General Section, published January 20, 2006 (71 FR 3382) as well as today’s technical correction, for instructions on applying for a waiver. Applicants that are unable to submit their application electronically must seek a waiver of the electronic grant submission requirement and HUD strongly recommends that you do so no later than 15 days before the deadline date. Waiver requests must be submitted by mail or fax. For this program NOFA, e-mail requests will not be considered. Waiver requests submitted by mail or fax should be submitted on the applicant’s letterhead and signed by an official with the legal authority to request a waiver from the Department. The request must be addressed to the Assistant Secretary for Housing at the following address: Brian D. Montgomery, Assistant Secretary for Housing-Federal Housing Commissioner, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 9100, Washington, DC 20410–8000. Waiver requests submitted by fax must be sent to (202) 708–3104. If a waiver is granted, you will receive notification that provides specific instructions on how and where to submit the paper application.
10. Section 811 Supportive Housing For Persons With Disabilities (Section 811 Programs), beginning at page 12030:

On page 12031, Overview Information, G.4., first column, delete section VI.B.6. and replace with section III.C.3.1.

On page 12036, section III.C.2.b.(3)(e)(i) and (ii), second column, are corrected to read as follows:

(i) If there are no pre-1978 structures on the site or if there are pre-1978 structures that most recently consisted of solely four or fewer units of single-family housing including appurtenant structures thereto, a statement to this effect, or

(ii) If there are pre-1978 structures on the site, other than for a site that most recently consisted of solely four or fewer units of single-family housing including appurtenant structures thereto, a comprehensive building asbestos survey that is based on a thorough inspection to identify the location and condition of asbestos throughout any structures. In those cases where suspect asbestos is found, it would either be assumed to be asbestos or would require confirmatory testing. If the asbestos survey indicates the presence of asbestos or the presence of asbestos is assumed, and if the application is approved, HUD will condition the approval on an appropriate mix of asbestos abatement and an asbestos Operations and Maintenance Plan.

On page 12043, section IV.B.2.c.(1)(d)(vii), first column, in the “NOTE” following this section, delete section III.C.2.ciii. and replace with section III.C.2.b.(3)(d)(iii).

On page 12043, sections IV.B.2.c.(1)(d)(viii)(A) and (B), first column, are corrected to read as follows:

(A) If there are no pre-1978 structures on the site or if there are pre-1978 structures that most recently consisted of solely four or fewer units of single-family housing including appurtenant structures thereto, a statement to this effect, or

(B) If there are pre-1978 structures on the site other than for a site that most recently consisted of solely four or fewer units of single-family housing including appurtenant structures thereto, a comprehensive building asbestos survey that is based on a thorough inspection to identify the location and condition of asbestos throughout any structures.

On page 12043, section IV.B.2.c.(1)(d)(ix), second column, is corrected to read as follows:

(ix) The letter you sent to the State/Tribal Historic Preservation Officer (SHPO/THPO) initiating consultation with their office and requesting their review of your determinations and findings with respect to the historical significance of your proposed project, along with a statement that the SHPO/THPO failed to respond to your letter, OR the SHPO/THPO response to your letter. A sample letter that you may adapt and send to the SHPO/THPO can be found on HUD’s Web site at http://www.hud.gov/offices/admin/grants/fundavail.cfm under Section 811 Supportive Housing for Persons with Disabilities Program.

On page 12043, section IV.B.2.c.(1)(d)(x), second column, is deleted and sections IV.B.2.c.(1)(d)(xi) and (xii), will be redesignated as section IV.B.2.c.(1)(d)(x) and (xii), respectively.

On page 12045, Section IV.C., second column into third column, is corrected to read as follows:

C. Submission Dates and Times. Your application must be received and validated electronically by Grants.gov no later than 11:59:59 p.m. eastern time on the application deadline date of May 26, 2006, unless a waiver of the electronic delivery process has been approved by HUD. Please refer to the General Section, published January 20, 2006 (71 FR 3382) as well as today’s technical correction, for instructions on applying for a waiver. Applicants that are unable to submit their application electronically must seek a waiver of the electronic grant submission requirement. Waiver requests must be submitted by mail or by fax. For this program NOFA, email requests will not be considered. Waiver requests submitted by mail or fax should be submitted on the applicant’s letterhead and signed by an official with the legal authority to request a waiver from the Department. The request must be addressed to the Assistant Secretary for Housing at the following address: Brian D. Montgomery, Assistant Secretary for Housing–Federal Housing Commissioner, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 9100, Washington, DC 20410–8000. Waiver requests submitted by fax must be sent to (202) 708–3104. Applicants that are granted a waiver of the electronic submission requirement will not be afforded additional time to submit their applications. Therefore, HUD strongly recommends that you submit your waiver requests to the above address approximately 15 days before the application deadline date. If a waiver is granted, you will receive a notification that provides specific instructions on how and where to submit the paper application.

On page 12049, section V.A.2., full paragraph, second column, is revised to read as follows:

In evaluating this factor, HUD will rate your application as follows:

a. (10 points) If a determination has been made that there is a sustainable long-term demand for additional supportive housing for persons with disabilities in the area to be served, the project is to be awarded 10 points. If not, the project is to be awarded 0 points. No other point values are allowed under this subsection V.A.2.a.

b. (3 points) The extent that a connection has been established between the project and the community’s Consolidated Plan, Analysis of Impediments to Fair Housing Choice (AI) or other planning document that analyzes fair housing issues and is prepared by a local planning or similar organization.

On page 12051, section V.B.1., exhibit chart, first section, insert exhibit 4(c)(iii) between 2(c) and 4(d)(i) to read as follows:

Exhibit Description
4(c)(iii) Description of mixed-financing plans for additional units, if applicable.

On page 12051, section V.B.1., exhibit chart, second section, exhibits 8(a) through 8(i) are corrected to read as follows:

Exhibit Description
8(a) Standard Form 424, Application for Federal Assistance, Letter sent to the State Point of Contact (SPOC)*
8(b) Standard Form 424 Supplement, Survey on Ensuring Equal Opportunity for Applicants
8(c) Standard Form LLL, Disclosure of Lobbying Activities (if applicable)
8(d) Form HUD–2880, Applicant/Recipient Disclosure/Update Report
8(e) Form HUD–2991, Certification of Consistency with Consolidated Plan
8(f) Form HUD–92041, Sponsor’s Conflict of Interest Resolution
8(g) Form HUD–92042, Sponsor’s Resolution for Commitment to Project*
8(i) Form HUD–92043, Supportive Services Certification

On page 12052, section V.B.4., last paragraph, first column into second column, is corrected to read as follows:

Funds remaining after the Multifamily HUB selection process is completed will be returned to Headquarters. HUD Headquarters will use these residual funds first to fund the Methodist Rehab Center in the jurisdiction of the Jackson, MS Multifamily Program Center, a FY2005 application that was not funded due to an administrative error relative to the electronic submission process, and Lower Paxton VOA Living Center in the jurisdiction of the Philadelphia, PA Multifamily Program Center, a FY 2005 application that was not funded due to HUD error. Second, HUD Headquarters will use the residual funds to restore units to projects reduced by HUD Multifamily Program Center or Multifamily Hub as a result of the instructions for using their residual funds. Third, HUD Headquarters will use these funds for selecting additional applications based on HUD Program Centers’ rankings, beginning with the highest rated application nationwide in Category A. During the first round of funding of additional applications from HUD Headquarters’ residual funds,
HUD Headquarters will skip over any applications within the jurisdiction of the Philadelphia, PA Multifamily Program Center because of HUD Headquarters’ funding of an additional application that was not selected in FY 2005 for that Program Center, due to HUD error. Only one application will be selected per HUD Multifamily Program Center in Category A from the national residual amount. Headquarters may skip over a higher rated Category A application to ensure that only one application is selected from each HUD Multifamily Program Center. This process will continue until the remaining available funds are used to select Category A applications, to the maximum extent possible. If all Category A applications are selected, Category B applications will then become eligible for selection in rank order, beginning with the highest rated application. Only one Category B application per HUD Multifamily Program Center will be selected from the remaining national residual amount. Headquarters may skip over a higher rated Category B application in order to ensure that only one application is selected from each HUD Multifamily Program Center. This process will continue until the remaining available funds are used to select approvable applications. If there are no approvable applications in Category A in other HUD Multifamily Program Centers, then the next highest rated application in Category B in another HUD Multifamily Program Center will be selected.

Dated: April 21, 2006.

Keith A. Nelson, Assistant Secretary for Administration. [FR Doc. 06–4004 Filed 4–24–06; 4:23 pm]

BILLING CODE 4210–67–P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR–5045–N–17]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Kathy Ezell, room 7266, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410; telephone (202) 706–1234; TTY number for the hearing- and speech-impaired (202) 706–2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1–800–927–7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in National Coalition for the Homeless v. Veterans Administration, No. 88–2503–OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency’s needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for “off-site use only” recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to the responsible Federal landholding agency. The agencies listed at the beginning of this Notice will provide the property address (including zip code), the date of publication in the Federal Register, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: Army: Ms. Audrey Ormerod, Headquarters, Office of the Assistant Chief of Staff for Installation Management, Attn: DAIM–MD, Room 1E677, 600 Army Pentagon, Washington, DC 20310; (703) 601–2520; Energy: Mr. John Watson, Department of Energy, Office of Engineering & Construction Management, ME–90, 1000 Independence Ave., SW., Washington, DC 20585; (202) 586–0072; GSA: Mr. John Kelly, Acting Deputy Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th and F Streets, NW., Washington, DC 20405; (202) 501–0084; Interior: Ms. Linda Tribby, Acquisition & Property Management, Department of the Interior, 1849 C Street, NW., MS5512, Washington, DC 20240; (202) 219–0728; Navy: Mr. Warren Meekins, Department of the Navy, Real Estate Services, Naval Facilities Engineering Command, Washington Navy Yard, 1322 Patterson Ave., SE., Suite 1000, Washington, DC 20374–5065; (202) 685–9305 (These are not toll-free numbers).

For properties listed as suitable/to be excess, that property may, if subsequently declared as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1–800–927–7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the Federal Register, the landholding agency, and the property number.
