AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Interim rule.

The Native Hawaiian Housing Block Grant Program will provide housing block grants to fund affordable housing activities. The Section 184A Loan Guarantees for Native Hawaiian Housing Program will provide Native Hawaiian families with greater access to private mortgage resources by guaranteeing loans for one- to four-family housing located on Hawaiian Home Lands.

SUPPLEMENTARY INFORMATION: The Hawaiian Homelands Homeownership Act of 2000 (HHH Act) was enacted as both Title II of the Omnibus Indian Advancement Act (Public Law 106-568, 114 Stat. 2868, approved December 27,

2000) and Subtitle B of Title V of the American Homeownership and Economic Opportunity Act of 2000 (Public Law 106-569, 114 Stat. 2944, approved December 27, 2000). Because the Office of the Law Revision Counsel of the U.S. House of Representatives, which prepares and publishes the United States Code (U.S.C.), bases its codification of the HHH Act on Public Law 106-569, and for convenience of reference, the discussion of the HHH Act in this preamble will refer only to sections of Public Law 106-569.

The HHH Act consists of four sections. The first two sections, 511 and 512, provide the short title and the Congressional findings for the legislation, respectively. Section 513 of the HHH Act establishes a block grant program to provide housing assistance for Native Hawaiians (25 U.S.C. 4221 *et seq.*). Section 514 establishes a program of loan guarantees for Native Hawaiian Housing (12 U.S.C. 1715z-13b). This rule will implement these two new programs that address the housing needs of Native Hawaiians.

Section 513 of the HHH Act amends the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4101 *et seq.*) (NAHASDA) by adding to it a new "Title VIII—Housing Assistance for Native Hawaiians". Title VIII establishes a program of block grant assistance to provide affordable housing for Native Hawaiians that is closely modeled on the Indian Housing Block Grant (IHBG) Program under NAHASDA, which is implemented at 24 CFR part 1000. This rule will implement Title VIII of NAHASDA at 24 CFR part 1006 as the Native Hawaiian Housing Block Grant (NHHBG) Program.

Readers of this rule will encounter references to NAHASDA in the rule text, even though this program is exclusively for Native Hawaiians rather than Native Americans. That is because the single section 513 of the HHH Act adds sections 801 through 824, which authorize this NHHBG Program, as Title VIII of NAHASDA. To avoid possible confusion arising from references to NAHASDA, this rule uses the term "the Act" when referring to Title VIII of NAHASDA. Therefore, when it is necessary to cite an authorizing statutory section in section 1006 of this rule, the reference will be to a section of "the Act" rather than to Title VIII of NAHASDA. For example, the environmental requirements in § 1006.350 of this rule cite section 806 of the Act as their authority. Also because the NHHBG Program is authorized under the same statute as the IHBG Program, there are overlapping

requirements that apply to both programs, such as the definitions that appear in section 4 of NAHASDA. The *Definitions* section of this NHHBG rule, at § 1006.10, includes relevant definitions from section 4 of NAHASDA, although section 4 is not specifically identified as their source. The definitions provided by the Act are also listed in § 1006.10. The Act definitions have section 801 of NAHASDA, which lists the specific definitions applicable to the Native Hawaiian program, as their source.

As noted above, the NHHBG Program is modeled after the IHBG Program. In broad outline, the Department of Hawaiian Home Lands (DHHL) is required to submit annually to HUD a housing plan with a one-year and a five-year component in order to qualify for an annual grant, just as each Tribe or its tribally designated housing entity (TDHE) is required to submit an annual Indian Housing Plan. Grant funds are then made available to the DHHL by HUD to be used in accordance with the housing plan. In the IHBG Program, the total amount of funding made available annually is divided among Tribes according to an allocation formula under section 302 of NAHASDA. Section 817 of NAHASDA similarly provides for an allocation formula for Native Hawaiian funding. However, since the DHHL is the sole recipient of funds under this NHHBG Program, a formula to allocate funds is not necessary, and this rule does not include an allocation formula.

In other respects, 24 CFR part 1006 implemented by this interim rule closely follows Title VIII of NAHASDA with some clarifications added, such as specific references to cross-cutting requirements that are generally applicable to Federal assistance (*see*, for example, § 1006.370, Federal administrative requirements, and § 1006.375, Other Federal requirements), or an explicit statement of how a requirement applies in a particular situation (for example, the clarification in § 1006.345(a)(2) of how Davis-Bacon wage rates apply when NHHBG funds are used to assist homebuyers to acquire single family housing).

Not every section of Title VIII of NAHASDA or every requirement necessary for the full implementation of the NHHBG Program is addressed in this rule. Some provisions of the statute, such as the formula discussed above, do not require implementation. Another statutory provision not addressed in this rule is section 811(b)(1) of the Act. Section 811(b)(1) states: "The Director shall, using amounts of any grants

received under this title, reserve and use for operating under 810 such amounts as may be necessary to provide for the continued maintenance and efficient operation of *such* housing.” (Emphasis added.) HUD believes that this provision does not impose a requirement on the DHHL to provide operating assistance for housing assisted with NHHBG funds for several reasons. First, the language of section 811(b)(1) does not contain any reference to housing to which “such” housing refers. Second, unlike the Indian Housing Block Grant statute (at section 202(1) of NAHASDA), section 810—the eligible affordable housing activities section—does not expressly list operating assistance as an eligible activity. In addition, the statutory language for the Indian Housing Block Grant program upon which section 811(b)(1) is based (section 203(b) of NAHASDA), expressly imposes the requirement for continued maintenance and efficient operation of “such” housing on “housing developed or operated pursuant to a contract between the Secretary and an Indian housing authority pursuant to the United States Housing Act of 1937” in order to assure continued operating assistance for this housing after termination (pursuant to title V of NAHASDA) of operating assistance for low-rent Indian housing under the United States Housing Act of 1937. However, project-based rental assistance for rental housing assisted with NHHBG funds is eligible under section 810(5) as a model activity.

In addition, there are certain statutory provisions (such as section 802(d)(1), which requires HUD, by regulation, to authorize the DHHL to use a percentage of grant amounts for reasonable administrative and planning expenses) and additional non-statutory, discretionary requirements (such as additional program administration requirements) that must be implemented by proposed rulemaking to give interested parties an opportunity for public comment before they become effective. HUD intends to issue a

proposed rule to address such additional requirements. This interim rule implements the NHHBG program to a sufficient extent to permit HUD to make available to the DHHL the funds already appropriated for this significant program in an expeditious manner.

Because the statutes authorizing the IHBG Program and the NHHBG Program are nearly identical, the requirements in the proposed rule HUD will issue for the NHHBG Program will closely follow the requirements of the IHBG rule at 24 CFR part 1000. During the interim period before the requirements of the NHHBG proposed rule are implemented in a final rule, HUD will allow the DHHL to undertake activities authorized by the Act and awaiting implementation through the proposed rule upon the DHHL’s written agreement to follow the relevant requirements in part 1000. For example, the DHHL would be permitted to invest NHHBG funds, as authorized by section 812(b) of the Act, before the effective date of the rule implementing section 812(b), upon agreeing in writing to follow the requirements of 24 CFR 1000.58, which governs the investment of IHBG funds. If the DHHL chooses to exercise this option, HUD will advise the public through notice published in the **Federal Register**.

Section 514 of the HHH Act adds a new section 184A to the Housing and Community Development Act of 1992 to authorize a new program of housing loan guarantees for Native Hawaiians. Just as the NHHBG Program under section 513 of the HHH Act is closely modelled on the IHBG Program under NAHASDA, the Section 184A Loan Guarantee for Native Hawaiian Housing Program is based upon the Section 184 Loan Guarantee for Indian Housing Program, which is implemented at 24 CFR part 1005. This rule proposes to implement the Native Hawaiian Housing Loan Guarantee Program at 24 CFR part 1007 in accordance with the basic statutory requirements provided for Section 184A with the discretionary aspects, such as identifying eligible collateral, following the requirements

adopted in the Indian Housing Loan Guarantee Program.

Findings and Certifications

Justification for Interim Rule

In general, the Department publishes a rule for public comment before issuing a rule for effect, in accordance with its own regulations on rulemaking at 24 CFR part 10. Part 10, however, does provide in § 10.1 for exceptions from that general rule where the Department finds good cause to omit advance notice and public participation. The good cause requirement is satisfied when the prior public procedure is “impracticable, unnecessary, or contrary to the public interest”. The Department finds that good cause exists to publish this interim rule for effect without first soliciting public comment. Prior public procedure is contrary to the public interest in that it will unduly delay the availability of funding already appropriated to address the pressing housing needs of Native Hawaiians. In addition, prior public procedure is unnecessary because the interim rule closely follows the statutory requirements for the programs to be implemented, and any subsequent adjustments and additions to the rule, including provisions resulting from the public comment that is here requested, can be timely implemented through proposed rulemaking, if necessary, without disrupting program implementation.

Paperwork Reduction Act Statement

The information collection requirements contained in this rule have been submitted to the Office of Management and Budget (OMB) for review under section 3507(d) of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

Environmental Impact

A Finding of No Significant Impact with respect to the environment has been made in accordance with HUD regulations at 24 CFR part 50, which implement section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4223). The Finding of No Significant Impact is available for public inspection between the hours of 7:30 a.m. and 5:30 p.m. weekdays in the Office of General Counsel, Rules Docket Clerk, Room 10276, U.S. Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-0500.

Regulatory Planning and Review

The Office of Management and Budget has reviewed this interim rule under Executive Order 12866 (captioned "Regulatory Planning and Review") and determined that this rule is a "significant regulatory action" as defined in section 3(f) of the Order, although not an economically significant regulatory action under the Order. Any changes made to this rule as a result of that review are identified in the docket file, which is available for public inspection during regular business hours (7:30 a.m. to 5:30 p.m.) at the Office of the General Counsel,

Regulatory Flexibility Act

The Secretary has reviewed this interim rule before publication and by approving it certifies, in accordance with the Regulatory Flexibility Act (5 U.S.C. 605(b)), that this interim rule would not have a significant economic impact on a substantial number of small entities. Notwithstanding HUD's determination that this rule will not have a significant economic effect on a substantial number of small entities, HUD specifically invites comments regarding any less burdensome alternatives to this rule that will meet HUD's objectives as described in this preamble.

Unfunded Mandates Reform Act

Title II of the Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) (UMRA) requires Federal agencies to assess the effects of their regulatory actions on State, local, and tribal governments and on the private sector. This interim rule does not impose, within the meaning of the UMRA, any Federal mandates on any State, local, or tribal governments or on the private sector.

(c) *Contract Work Hours and Safety Standards Act.* Contracts in excess of \$100,000 to which Davis-Bacon or HUD-determined wage rates apply are subject by law to the overtime provisions of the

(b) An environmental review does not have to be completed before a HUD finding of compliance for the housing plan or amendments to the housing plan submitted by the DHHL.

(c) No funds may be committed to a grant activity or project before the completion of the environmental review and approval of the request for release of funds and related certification required by sections 806(b) and 806(c) of the Act, except as authorized by 24 CFR part 58.

(d) As set forth in section 806(a)(2)(B) of the Act and 24 CFR 58.77, HUD will:

(1) To the DHHL on the basis that the DHHL served Native Hawaiians; or

(2) To an eligible family on the basis that the family is a Native Hawaiian family.

(ii) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. However, such assistance may also be paid for with funds available to the DHHL from any other source.

(iii) The DHHL shall maintain records in sufficient detail to demonstrate compliance with this section.

(6) *Definition of displaced person.* (i) For purposes of this section, the term “displaced person” means any person (household, business, nonprofit organization, or farm) that moves from real property, or moves his or her personal property from real property, permanently, as a direct result of

rehabilitation, demolition, or acquisition for a project assisted under the Act. The term “displaced person” includes, but is not limited to:

(A) A tenant-occupant of a dwelling unit who moves from the building/complex permanently after the submission to HUD of a housing plan that is later approved;

(B) Any person, including a person who moves before the date described in paragraph (d)(7)(i)(A) of this section, that the DHHL determines was displaced as a direct result of acquisition, rehabilitation, or demolition for the assisted project;

(C) A tenant-occupant of a dwelling unit who moves from the building/complex permanently after execution of the agreement between the DHHL and HUD, if the move occurs before the tenant is provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(1) The tenant-occupant’s monthly rent and estimated average monthly utility costs before the agreement; or

(2) 30 percent of gross household income.

(D) A tenant-occupant of a dwelling who is required to relocate temporarily, but does not return to the building/complex, if either:

(1) The tenant-occupant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied unit, any increased housing costs and incidental expenses; or

(2) Other conditions of the temporary relocation are not reasonable.

(E) A tenant-occupant of a dwelling who moves from the building/complex after he or she has been required to move to another dwelling unit in the same building/complex in order to carry out the project, if either:

(1) The tenant-occupant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move; or

(2) Other conditions of the move are not reasonable.

(ii) Notwithstanding the provisions of paragraph (c)(6)(i) of this section, a person does not qualify as a “displaced person” (and is not eligible for relocation assistance under the URA or this section), if:

(A) The person moved into the property after the submission of the housing plan to HUD, but before signing a lease or commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated or suffer a rent increase) and the fact that the person would not qualify as a “displaced person” or for any assistance provided under this section as a result of the project;

(B) The person is ineligible under 49 CFR 24.2(g)(2); or

(C) The DHHL determines the person is not displaced as a direct result of acquisition, rehabilitation, or demolition for an assisted project. To exclude a person on this basis, HUD must concur in that determination.

(iii) The DHHL may at any time ask HUD to determine whether a specific displacement is or would be covered under this section.

(7) *Definition of initiation of negotiations.* For purposes of determining the formula for computing the replacement housing assistance to be provided to a person displaced as a direct result of rehabilitation or demolition of the real property, the term “initiation of negotiations” means the execution of the agreement covering the rehabilitation or demolition (See 49 CFR part 24).

(d) *Audits.* The DHHL must comply with the requirements of the Single Audit Act and OMB Circular A-133, with the audit report providing a schedule of expenditures for each grant. A copy of each audit must be submitted to HUD concurrent with submittal to the Audit Clearinghouse.

Subpart E—Monitoring and Accountability

§ 1006.401 Monitoring of compliance.

(a) *Periodic reviews and monitoring.* At least annually, the DHHL must review the activities conducted and housing assisted with NHHBG funds to assess compliance with the requirements of the Act and this part. This review must encompass and incorporate the results of the monitoring by the DHHL of all contractors involved in the administration of NHHBG activities.

(b) *Review.* Each review under paragraph (a) of this section must include on-site inspection of housing to determine compliance with applicable requirements.

(c) *Results.* The results of each review under paragraph (a) of this section must be:

(1) Included in a performance report of the DHHL submitted to HUD under § 1006.410; and

(2) Made available to the public.

§ 1006.410 Performance reports.

(a) *Requirement.* For each fiscal year, the DHHL must:

(1) Review the progress the DHHL has made during that fiscal year in achieving goals stated in its housing plan; and

(2) Submit a report in a form acceptable to HUD, within 60 days of the end of the DHHL’s fiscal year, to HUD describing the conclusions of the review.

(b) *Content.* Each report submitted under this section for a fiscal year shall:

(1) Describe the use of grant amounts provided to the DHHL for that fiscal year;

(2) Assess the relationship of the use referred to in paragraph (b)(1), of this section, to the goals identified in its housing plan;

(3) Indicate the programmatic accomplishments of the DHHL; and

(4) Describe the manner in which the DHHL would change its housing plan as a result of its experiences administering the grant under the Act.

(c) *Public availability.* (1) *Comments by Native Hawaiians.* In preparing a report under this section, the DHHL shall make the report publicly available to Native Hawaiians who are eligible to reside on the Hawaiian Home Lands and give a sufficient amount of time to permit them to comment on that report, in such manner and at such time as the DHHL may determine, before it is submitted to HUD.

(2) *Summary of comments.* The report under this section must include a summary of any comments received by the DHHL from beneficiaries under paragraph (c)(1) of this section, regarding the program to carry out the housing plan.

(d) *HUD review.* HUD will:

(1) Review each report submitted under the Act and this part; and

(2) With respect to each such report, make recommendations as HUD considers appropriate to carry out the purposes of the Act.

§ 1006.420 Review of DHHL’s performance.

(a) *Objective.* HUD will, at least annually, review DHHL’s performance to determine whether the DHHL has:

(1) Carried out eligible activities in a timely manner;

(2) Carried out and made certifications in accordance with the requirements and the primary objectives of the Act and this part and with other applicable laws;

(3) A continuing capacity to carry out the eligible activities in a timely manner;

(4) Complied with its housing plan; and

(5) Submitted accurate performance reports.

(b) *Basis for review.* In reviewing DHHL's performance, HUD will consider all available evidence, which may include, but not be limited to, the following:

(1) The DHHL's housing plan and any amendments thereto;

(2) Reports prepared by the DHHL;

(3) Records maintained by the DHHL;

(4) Results of HUD's monitoring of the DHHL's performance, including field evaluation of the quality of the work performed;

(5) Audit reports;

(6) Records of drawdowns on the line of credit;

(7) Records of comments and complaints by citizens and organizations; and

(8) Litigation.

(c) The DHHL's failure to maintain records may result in a finding that the DHHL failed to meet the applicable requirement to which the record pertains.

§ 1006.430 Corrective and remedial action.

(a) *General.* One or more corrective or remedial actions will be taken by HUD when, on the basis of a performance review, HUD determines that the DHHL has not:

(1) Complied with the requirements of the Act and this part and other applicable laws and regulations, including the environmental responsibilities assumed under § 1006.350;

(2) Carried out its activities substantially as described in its housing plan;

(3) Made substantial progress in carrying out its program and achieving its quantifiable goals as described in its housing plan; or

(4) Shown the continuing capacity to carry out its approved activities in a timely manner.

(b) *Action.* The action taken by HUD will be designed, first, to prevent the continuance of the deficiency; second, to mitigate any adverse effects or consequences of the deficiency; and third, to prevent a recurrence of the same or similar deficiencies. The following actions may be taken singly or in combination, as appropriate for the circumstances:

(1) Issue a letter of warning advising the DHHL of the performance problem(s), describing the corrective actions that HUD believes should be

taken, establishing a completion date for corrective actions, and notifying the DHHL that more serious actions may be taken if the performance problem(s) is not corrected or is repeated;

(2) Request the DHHL to submit progress schedules for completing activities or complying with the requirements of the Act and this part;

(3) Recommend that the DHHL suspend, discontinue, or not incur costs for the affected activity;

(4) Recommend that the DHHL redirect funds from affected activities to other eligible activities;

(5) Recommend that the DHHL reimburse its program account or line of credit under the Act in the amount improperly expended and reprogram the use of the funds; and

(6) Recommend that the DHHL obtain appropriate technical assistance using existing grant funds or other available resources to overcome the performance problem(s).

§ 1006.440 Remedies for noncompliance.

(a) *Remedies.* If HUD finds that the DHHL has failed to comply substantially with any provision of the Act or this part, the following actions may be taken by HUD:

(1) Terminate payments to the DHHL;

(2) Reduce payments to the DHHL by an amount equal to the amount not expended in accordance with the Act or this part;

(3) Limit the availability of payments to programs, projects, or activities not affected by such failure to comply; or

(4) Adjust, reduce or withdraw grant amounts or take other action as appropriate in accordance with reviews and audits.

(b) *Exception.* Grant amounts already expended on affordable housing activities may not be recaptured or deducted from future assistance provided to the DHHL.

(c) HUD may, upon due notice, suspend payments at any time after the issuance of the opportunity for hearing pending such hearing and final decision, to the extent HUD determines such action necessary to preclude the further expenditure of funds for activities affected by such failure to comply.

(d) *Hearing requirement.* Before imposing remedies under this section, HUD will:

(1) Take at least one of the corrective or remedial actions specified under § 1006.430 and permit the DHHL to make an appropriate and timely response;

(2) Provide the DHHL with the opportunity for an informal consultation with HUD regarding the proposed action; and

(3) Provide DHHL with reasonable notice and opportunity for a hearing.

(e) *Continuance of actions.* If HUD takes an action under paragraph (a) of this section, the action will continue until HUD determines that the failure of the DHHL to comply with the provision has been remedied and the DHHL is in compliance with the provision.

(f) *Referral to the Attorney General.* In lieu of, or in addition to, any action HUD may take under paragraph (a) of this section, if HUD has reason to believe that the DHHL has failed to comply substantially with any provision of the Act or this part, HUD may refer the matter to the Attorney General of the United States with a recommendation that an appropriate civil action be instituted. Upon receiving a referral, the Attorney General may bring a civil action in any United States district court of appropriate jurisdiction for such relief as may be appropriate, including an action to recover the amount of the assistance furnished under the Act that was not expended in accordance with the Act or this part or for mandatory or injunctive relief.

§ 1007.1 Purpose.

This part provides the requirements and procedures that apply to loan guarantees for Native Hawaiian Housing under section 184A of the Housing and Community Development Act of 1992. Section 184A permits HUD to guarantee an amount not to exceed 100 percent of the unpaid principal and interest that is due on an eligible loan. The purpose of section 184A and this part is to provide access to sources of private financing to Native Hawaiian families who otherwise could not acquire housing financing because of the unique legal status of the

Hawaiian Home Lands or as a result of a lack of access to private financial markets.

§ 1007.5 Definitions.

The following definitions apply in this part:

Department of Hawaiian Home Lands (DHHL) means the agency or department of the government of the State of Hawaii that is responsible for the administration of the Hawaiian Homes Commission Act, 1920 (42 Stat. 108 *et seq.*).

Eligible entity means a Native Hawaiian family, the Department of Hawaiian Home Lands, the Office of Hawaiian Affairs, and private nonprofit or private for-profit organizations experienced in the planning and development of affordable housing for Native Hawaiians.

Family means one or more persons maintaining a household, and includes, but is not limited to, a family with or without children, an elderly family, a near-elderly family, a disabled family, or a single person.

Guarantee Fund means the Native Hawaiian Housing Loan Guarantee Fund under this part.

Hawaiian Home Lands means lands that:

(1) Have the status of Hawaiian Home Lands under section 204 of the Hawaiian Homes Commission Act (42 Stat. 110); or

(i) Genealogical records;
(ii) Verification by kupuna (elders) or kama'aina (long-term community residents); or
(iii) Birth records of the State of Hawaii.

Native Hawaiian family means a family with at least one member who is a Native Hawaiian.

Office of Hawaiian Affairs means the entity of that name established under the constitution of the State of Hawaii.

§ 1007.10 Eligible borrowers.

A loan guaranteed under this part may only be made to the following borrowers:

(a) A Native Hawaiian family;
(b) The Department of Hawaiian Home Lands;
(c) The Office of Hawaiian Affairs; or

(d) A private, nonprofit organization experienced in the planning and development of affordable housing for Native Hawaiians.

§ 1007.15 Eligible uses.

(a) *In general.* A loan guaranteed under this part may only be used to construct, acquire, or rehabilitate eligible housing.

(b) *Construction advances.* Advances made by the lender during construction are eligible if:

(1) The mortgagor and the mortgagee execute a building loan agreement, approved by HUD, setting forth the terms and conditions under which advances will be made;

(2) The advances are made only as provided in the building loan agreement;

(3) The principal amount of the mortgage is held by the mortgagee in an interest bearing account, trust, or escrow for the benefit of the mortgagor, pending advancement to the mortgagor or to his or her creditors as provided in the loan agreement; and

(4) The mortgage bears interest on the amount advanced to the mortgagor or to his or her creditors and on the amount held in an account or trust for the benefit of the mortgagor.

§ 1007.20 Eligible housing.

(a) A loan guaranteed under this part may only be made for one to four-family dwellings that are standard housing, in accordance with paragraph (b), of this section. The housing must be located on Hawaiian Home Lands for which a housing plan that provides for the use of loan guarantees under this part has been submitted and approved under part 1006 of this chapter.

(b) Standard housing must meet housing safety and quality standards that:

(1) Provide sufficient flexibility to permit the use of various designs and materials; and

(2) Require each dwelling unit to:
(i) Be decent, safe, sanitary, and modest in size and design;

(ii) Conform with applicable general construction standards for the region in which the housing is located;

(iii) Contain a plumbing system that:
(A) Uses a properly installed system of piping;

(vi) Conform with the energy performance requirements for new construction established by HUD under section 526(a) of the National Housing Act (12 U.S.C.A. 1735f-4), unless HUD determines that the requirements are not applicable.

§ 1007.25 Eligible lenders.

(a) *In general.* To qualify for a guarantee under this part, a loan shall be made only by a lender meeting qualifications established in this part and approved by HUD, including any lender described in paragraph (b), of this section, except that a loan otherwise insured or guaranteed by an agency of the Federal Government or made by the DHHL from amounts borrowed from the United States shall not be eligible for a guarantee under this part.

(b) *Approval.* The following lenders shall be considered to be lenders that have been approved by HUD:

(1) Any mortgagee approved by HUD for participation in the single family mortgage insurance program under title II of the National Housing Act (12 U.S.C.A. 1707 *et seq.*);

(2) Any lender that makes housing loans under chapter 37 of title 38, United States Code, that are automatically guaranteed under section 3702(d) of title 38, United States Code;

(4) Any other lender that is supervised, approved, regulated, or insured by any agency of the Federal Government; and

(5) Any other lender approved by HUD under this part.

§ 1007.30 Security for loan.

(a) *In general.* A loan guaranteed under section 184A of the Housing and Community Development Act of 1992 and this part may be secured by any collateral authorized under and not prohibited by Federal or State law and determined by the lender and approved by HUD to be sufficient to cover the amount of the loan. Eligible collateral may include, but is not limited to, the following:

(1) The property and/or improvements to be acquired, constructed, or rehabilitated, to the extent that an interest in such property is not subject to any restrictions against alienation applicable to Hawaiian Home Lands;

(2) A security interest in non-Hawaiian Home Lands property;

(3) Personal property; or

(4) Cash, notes, an interest in securities, royalties, annuities, or any other property that is transferable and whose present value may be determined.

(b) *Hawaiian Home Lands property interest as collateral.* If a property interest in Hawaiian Home Lands is used as collateral or security for the loan, the following additional provisions apply:

(1) *Approved Lease.* Any land lease for a unit financed under section 184A of the Housing and Community Development Act of 1992 must be on a form approved by both the DHHL and HUD.

(2) *Assumption or sale of leasehold.* The lease form must contain a provision requiring the DHHL's consent before any assumption of an existing lease, except where title to the leasehold interest is obtained by HUD through foreclosure of the guaranteed mortgage or a deed in lieu of foreclosure. A mortgage other than HUD must obtain the DHHL's consent before obtaining title through a foreclosure sale. The DHHL's consent must be obtained on any subsequent transfer from the purchaser, including HUD, at foreclosure sale. The lease may not be terminated by the lessor without HUD's approval while the mortgage is guaranteed or held by HUD.

(3) *Liquidation.* The lender or HUD shall only pursue liquidation after offering to transfer the account to another eligible Native Hawaiian family or the DHHL. The lender or HUD shall not sell, transfer, or otherwise dispose of or alienate the property except to another eligible Native Hawaiian family or the DHHL.

(4) *Eviction procedures.* Before HUD will guarantee a loan secured by a Hawaiian Home Lands property, the

DHHL must notify HUD that it has adopted and will enforce procedures for eviction of defaulted mortgagors where the guaranteed loan has been foreclosed.

(i) *Enforcement.* If HUD determines that the DHHL has failed to enforce adequately its eviction procedures, HUD will cease issuing guarantees for loans under this part except pursuant to existing commitments. Adequate enforcement is demonstrated where prior evictions have been completed within 60 days after the date of the notice by HUD that foreclosure was completed.

(ii) *Review.* If HUD ceases issuing guarantees for the DHHL's failure to enforce its eviction procedures, HUD shall notify the DHHL of such action and that the DHHL may, within 30 days after notification of HUD's action, file a written appeal with the Field Office of Native American Programs (FONAP) Administrator. Within 30 days after notification of an adverse decision of the appeal by the FONAP Administrator, the DHHL may file a written request for review with the Deputy Assistant Secretary, Office of Native American Programs (ONAP).

Upon notification of an adverse decision by the Deputy Assistant Secretary, the DHHL has 30 additional days to file an appeal with the Assistant Secretary for Public and Indian Housing. The determination of the Assistant Secretary shall be final, but the DHHL may resubmit the issue to the Assistant Secretary for review at any subsequent time if new evidence or changed circumstances warrant reconsideration.

§ 1007.35 Loan terms.

To be eligible for guarantee under this part, the loan shall:

(a) Be made for a term not exceeding 30 years;

(b) Bear interest (exclusive of the guarantee fee under § 1007.55 and service charges, if any) at a rate agreed upon by the borrower and the lender and determined by HUD to be reasonable, but not to exceed the rate generally charged in the area (as determined by HUD) for home mortgage loans not guaranteed or insured by any agency or instrumentality of the Federal Government;

(c) Involve a principal obligation not exceeding:

(1) 97.75 percent of the appraised value of the property as of the date the loan is accepted for guarantee (or 98.75 percent if the value of the property is \$50,000 or less); or

(2) The amount approved by HUD under this section; and

(d) Involve a payment on account of the property:

(1) In cash or its equivalent; or

(2) Through the value of any improvements, appraised in accordance with generally accepted practices and procedures.

§ 1007.40 Environmental requirements.

Before HUD issues a commitment to guarantee any loan or (if no commitment is issued) before guarantee of any loan, there must be compliance with environmental review procedures to the extent applicable under part 50 of this title. If the loan involves proposed or new construction, HUD will require compliance with procedures similar to those required by § 203.12(b)(2) of this title for FHA mortgage insurance.

§ 1007.45 Applicability of civil rights statutes.

To the extent that the requirements of title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d *et seq.*) or of the Fair Housing Act (42 U.S.C.A. 3601 *et seq.*) apply to a guarantee provided under this part, nothing in the requirements concerning discrimination on the basis of race shall be construed to prevent the provision of the guarantee to an eligible entity on the basis that the entity serves Native Hawaiian families or is a Native Hawaiian family.

§ 1007.50 Certificate of guarantee.

(a) *Approval process.* (1) *In general.* Before HUD approves any loan for guarantee under this section, the lender shall submit the application for the loan to HUD for examination.

(2) *Approval.* If HUD approves the application submitted under paragraph (a)(1) of this section, HUD will issue a certificate as evidence of the loan guarantee approved.

(b) *Standard for approval.* HUD may approve a loan for guarantee under this part and issue a certificate under this section only if HUD determines that there is a reasonable prospect of repayment of the loan.

(c) *Effect.* (1) *As evidence.* A certificate of guarantee issued under this part by HUD shall be conclusive and incontestable evidence in the hands of the bearer of the eligibility of the loan for guarantee under this part and the amount of that guarantee.

(2) *Full faith and credit.* The full faith and credit of the United States is pledged to the payment of all amounts agreed to be paid by HUD as security for the obligations made by HUD under this section.

(d) *Fraud and misrepresentation.* This section may not be construed:

(1) To preclude HUD from establishing defenses against the

original lender based on fraud or material misrepresentation; or

(2) To bar HUD from establishing regulations that are (on the date of issuance or disbursement, whichever is earlier) partial defenses to the amount payable on the guarantee.

§ 1007.55 Guarantee fee.

The lender shall pay to HUD, at the time of issuance of the guarantee, a fee for the guarantee of loans under this part, in an amount equal to 1 percent of the principal obligation of the loan. This amount is payable by the borrower at closing.

§ 1007.60 Liability under guarantee.

The liability under a guarantee provided under this section shall decrease or increase on a pro rata basis according to any decrease or increase in the amount of the unpaid obligation under the provisions of the loan agreement involved.

§ 1007.65 Transfer and assumption.

Notwithstanding any other provision of law, any loan guaranteed under this section, including the security given for the loan, may be sold or assigned by the lender to any financial institution subject to examination and supervision by an agency of the Federal Government or of any State or the District of Columbia.

§ 1007.70 Disqualification of lenders and civil money penalties.

(a) *In general.* (1) *Grounds for action.* HUD may take action under paragraph (a)(2) of this section if HUD determines that any lender or holder of a guarantee certificate:

- (i) Has failed:
 - (A) To maintain adequate accounting records;
 - (B) To service adequately loans guaranteed under this section; or
 - (C) To exercise proper credit or underwriting judgment; or
- (ii) Has engaged in practices otherwise detrimental to the interest of a borrower or the United States.

(2) *Actions.* Upon a determination by HUD that any of the grounds for action in paragraph (a)(1)(i), of this section

apply to the holder of a guarantee certificate, HUD may:

- (i) Refuse, either temporarily or permanently, to guarantee any further loans made by such lender or holder;
- (ii) Bar such lender or holder from acquiring additional loans guaranteed under this part; and
- (iii) Require that such lender or holder assume not less than 10 percent of any loss on further loans made or held by the lender or holder that are guaranteed under this part.

(b) *Civil money penalties for intentional violations.* (1) *In general.* HUD may impose a civil monetary penalty on a lender or holder of a guarantee certificate if HUD determines that the holder or lender has intentionally failed:

- (i) To maintain adequate accounting records;
- (ii) To adequately service loans guaranteed under this section; or
- (iii) To exercise proper credit or underwriting judgment.

(2) *Penalties.* A civil monetary penalty imposed under this section shall be imposed in the manner and be in an amount provided under section 536 of the National Housing Act (12 U.S.C.A. 1735f-1) with respect to mortgagees and lenders under that Act.

(c) *Payment on loans made in good faith.* Notwithstanding paragraphs (a) and (b) of this section, if a loan was made in good faith, HUD may not refuse to pay a lender or holder of a valid guarantee on that loan, without regard to whether the lender or holder is barred under this section.

§ 1007.75 Payment under guarantee.

(a) *Lender options.* (1) *Notification.* If a borrower on a loan guaranteed under this part defaults on the loan, the holder of the guarantee certificate shall provide written notice of the default to HUD.

(2) *Payment.* Upon providing the notice required under paragraph (a)(1), of this section, the holder of the guarantee certificate shall be entitled to payment under the guarantee (subject to the provisions of this section) and may proceed to obtain payment in one of the following manners:

(i) *Foreclosure.* The holder of the certificate may initiate foreclosure proceedings (after providing written notice of that action to HUD). Upon a final order by the court authorizing foreclosure and submission to HUD of a claim for payment under the guarantee, HUD will pay to the holder of the certificate the pro rata portion of the amount guaranteed (as determined under § 1007.60) plus reasonable fees and expenses as approved by HUD. HUD's rights will be subrogated to the rights of the holder of the guarantee, who shall assign the obligation and security to HUD.

(ii) *No foreclosure.* Without seeking foreclosure (or in any case in which a foreclosure proceeding initiated under paragraph (a)(2)(i) of this section continues for a period in excess of 1 year), the holder of the guarantee may submit to HUD a request to assign the obligation and security interest to HUD in return for payment of the claim under the guarantee. HUD may accept assignment of the loan if HUD determines that the assignment is in the best interest of the United States. Upon assignment, HUD will pay to the holder of the guarantee the pro rata portion of the amount guaranteed (as determined under § 1007.60). HUD's rights will be subrogated to the rights of the holder of the guarantee, who shall assign the obligation and security to HUD.

(b) *Requirements.* Before any payment under a guarantee is made under paragraph (a) of this section, the holder of the guarantee shall exhaust all reasonable possibilities of collection. Upon payment, in whole or in part, to the holder, the note or judgment evidencing the debt shall be assigned to the United States and the holder shall have no further claim against the borrower or the United States. HUD will then take such action to collect as HUD determines to be appropriate.

Dated: May 28, 2002.
