### I. Funding Opportunity Description.

## **A. Program Description.**

### **1. Purpose and Summary.**

**This NOFA is modified to extend the application due date to October 6, 2017 for all applicants. The remaining contents are unchanged.**

The Fair Housing Initiatives Program (FHIP) provides funding to fair housing organizations and other non-profits that assist individuals who believe that they have been victims of housing discrimination. Currently FHIP provides funds to eligible organizations through competitive grants under three initiatives to carry out enforcement activities to prevent or eliminate discriminatory housing practices and inform individuals of their rights and responsibilities under the Fair Housing Act. The Initiatives are: the Fair Housing Organizations Initiative (FHOI), Private Enforcement Initiative (PEI) and the Education and Outreach Initiative (EOI). This NOFA will receive applications for FHOI only. Please see the specific PEI and EOI NOFAs for the additional FHIP funding opportunities.

### **2. Changes from Previous NOFA.**

- a. NOFA Priorities.** For FY2017, the Department has eliminated NOFA priority points. Please see page 1 of the General Section to HUD's FY2017 Notice of Funding Availability for Discretionary Programs (General Section) for additional information.
- b. Preference Points** – For FY2017, the Department has renamed bonus point to Preference Points. Please see page 1 of the General Section to HUD's FY2017 Notice of Funding Availability for Discretionary Programs (General Section) for additional information.

- d. Section III.E.5 Program Specific Requirements.** Language is added to clarify that there is a one-year waiting period to reapply for funding if a grantee receives a "Poor" performance assessment.
- e. Section III.E.4 NEW Eligibility Provision.** A new eligibility provision clarifies organization staffing requirements and funding restrictions with regard to multiple payments under a single component to an organization or individuals.
- f. Section IV.F Funding Restrictions. New- Number of Awards.** A new funding restriction clarifies the number of grants an individual or organization may receive under a single component.
- g. Section V. B.2. Assessing Applicant Risk.** This is a new Section based on compliance with 2 CFR Part 200 and the General Section referencing Risk Assessment, accountability and performance.
- h. Point Restructure.** The FY2017 NOFA includes a rating factor point restructure to place a greater emphasis on Applicant Staffing capacity, and Relevant Organizational Experience to help ensure that all applicants are eligible and qualified for a grant award.

Systemic investigations may focus not only on documenting facts involved in the alleged discriminatory housing practice that is the subject of the complaint; they may also involve the identification of additional victims or the reviewing of policies and procedures related to matters under investigation to make sure that they also comply with the nondiscrimination requirements of the Fair Housing Act. Systemic investigations may include investigation of discrimination in rental, sales, lending, or homeowner's insurance practices and may include investigations into whether a HUD-funded entity has engaged in discriminatory practices or has failed to affirmatively further fair housing. Systemic investigations may be local, regional, or national in scope.

Additional funds may become available for award under this NOFA as a result of HUD's efforts to recapture unused funds, use carryover funds, or because of the availability of additional appropriated funds. Use of these funds is subject to statutory constraints. All awards are subject to the applicable funding restrictions described in the General Section and to those contained in this NOFA.

### **B. Number of Awards.**

HUD expects to make approximately 2 awards from the funds available under this NOFA.

The number of awards made from funds available under this NOFA depends on the total funding, the number of eligible applicants, and other factors. For information on the methodology used to make award determinations under this NOFA, please see Section V.B Review and Selection Process below.

**C. Minimum/Maximum Award Information.**

The maximum award possible under this solicitation is \$250,000.

Estimated Total Funding:	\$500,000
Minimum Award Amount:	\$250,000 Per Project Period
Maximum Award Amount:	\$250,000 Per Project Period

**D. Period of Performance.**

The period of performance is 12-18 months. Obligations should be made within six months of notice of award and all grants expended in the specified agreed upon timeframe(s) established in negotiations. However, expenditures should be no more than 18-24 months from award.

Estimated Project Start Date:	06/04/2018
Estimated Project End Date:	06/03/2019
Length of Project Periods:	Other
Length of Project Periods Explanation of Other:	The period of performance under this initiative is 12-18 months.

**E. Type of Funding Instrument.**

Funding Instrument Type:	Grant
--------------------------	-------

Grant

HUD expects to award a fixed-price grant agreement to each applicant selected for award. The type of funding instrument HUD may offer a successful applicant that sets forth the relationship between HUD and the awardee will be a grant agreement, where the principal purpose is the transfer of funds, property, services, or anything of value to the awardee to accomplish an eligible public purpose.

The agreement will identify the eligible activities to be undertaken, financial controls, and special conditions, including sanctions for violations of the agreement, reporting requirements including sub-recipient reporting requirements under the Federal Funding Accountability and Transparency Act of 2006, and integrity requirements under Section 872 of the Duncan Hunter Defense Authorization Act of 2009. HUD will determine the type of instrument under which the award will be made and monitor progress to ensure that the awardee has achieved the objectives set out in the agreement. Failure to meet such objectives may be the basis for HUD determining the awardee to be in default of the grant agreement and for exercising available sanctions, including suspension, termination, and/or recapture of funds. Also, HUD may refer violations or suspected violations to enforcement offices within HUD, the Department of Justice, or other enforcement authorities.

For grant agreements, HUD will conduct monitoring reviews, request quarterly reports, and approve all proposed deliverables as documented in the applicant’s Work Plan or SOW. Most

FHIP funds are awarded under grant agreements.

Late applications are deemed ineligible and will not be considered for funding. See also Section IV Application and Submission Information, part D. Application Submission Dates and Times.

If 501(c)(3) status has expired and there is no information regarding the application for renewal in the organization's application at the deadline date, the applicant will be deemed ineligible. In addition, if an organization with a pending 501(c)(3) application is selected for a funding award based on the review and selection process, the applicant must provide proof that the 501(c)(3) renewal was approved prior to release of funding. If the applicant's pending application for renewal is subsequently denied, the applicant's organization will be deemed ineligible and the award selection will be rescinded. 7. Fair Housing Act/Protected Classes. Applicants that fail to address housing discrimination based on all of the protected classes of the Fair Housing Act will be ineligible.
8. Research Activities. Applicants are ineligible for funding if their project is aimed solely at research. If a successful application contains research and other activities, only the eligible portions of the application will be funded.
9. Suits Against the United States. An application is ineligible for funding if, as a current recipient of FHIP funds (within the last three years), the organization used any funds provided by HUD for the payment of expenses in connection with litigation against the United States (24 CFR 125.104(f)).
10. Other Litigation. An application is ineligible for funding if the organization proposes in its current application, or used funds provided by HUD (within the last three years) under this Program to fund or support the settlement of a claim, satisfy a judgment, or fulfill a court order in any defensive litigation (42 U.S.C. 3616 note Sec. 561 (i))

Applicants that do not meet one or more of the Departmental or Program threshold requirements will not be eligible for funding.

#### **D. Statutory and Regulatory Requirements Affecting Eligibility.**

##### **1. Compliance with Non-discrimination and Related Requirements.**

Unless otherwise specified, these non-discrimination and equal opportunity authorities and other requirements apply to all Program NOFAs. Please read the following requirements carefully as the requirements are different among HUD's programs.

##### **Compliance with Fair Housing and Civil Rights Laws.**

With some exceptions for federally recognized Indian tribes, recipients and their prospective subrecipients must comply with all applicable fair housing and civil rights requirements in 24 CFR 5.105(a), including, but not limited to, the Fair Housing Act; Title VI of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act; Title II and Title III of the ADA of 1990.

Recipients of HUD funds, and their prospective sub-recipients, who are conducting programs or activities in a state or local jurisdiction that has passed a law prohibiting discrimination in housing based upon sexual orientation or gender identity, or a law prohibiting discrimination in housing based on lawful source of income, must comply with the law(s) of the state or locality in which the program activities are conducted.

If an applicant is a federally recognized Indian tribe or Tribally Designated Housing Entity (TDHE), the applicant is exempt from the Fair Housing Act. For example, for programs authorized under the Native American Housing Assistance and Self-Determination Act, the non-discrimination provisions enumerated at 24 CFR 1000.12 apply. Furthermore, the applicable civil rights requirements may depend on whether the applicant is a Federally-recognized tribe.

**Affirmatively Furthering Fair Housing.**

Section 808(e)(5) of the Fair Housing Act requires HUD to affirmatively further the purposes of the Fair Housing Act in its housing and urban development programs. HUD requires recipients of funds, including those awarded and announced under HUD's FY 2017 Program NOFAs not specifically exempted, to take meaningful actions that affirmatively further fair housing.

Unless otherwise specified elsewhere in this Program NOFA, an applicant must discuss how it will carry out the proposed activities in a manner that affirmatively furthers fair housing in compliance with Section 808(e)(5) of the Fair Housing Act. If the applicant operates in a jurisdiction with an accepted Assessment of Fair Housing, the proposed activities should be consistent with the AFH's fair housing goals and with fair housing strategies specified in any applicable Consolidated Plan or Public Housing Agency Plan.

Federally recognized Indian tribes are not subject to the requirement to affirmatively further fair housing in their use of certain HUD funds. Other tribal entities may also be exempt. If a tribal entity's use of HUD funds is subject to the Fair Housing Act, then its proposed activities under a particular program NOFA should be consistent with the AFH's fair housing goals and with fair housing strategies specified in any applicable Consolidated Plan.

**Economic Opportunities for Low-and Very Low-income Persons (Section 3).**

Certain programs require recipients of assistance to comply with Section 3 of the Housing and Urban Development Act of 1968 (Section 3), 12 U.S.C. 1701u (Economic Opportunities for Low- and Very Low-Income Persons in Connection with Assisted Projects), and the HUD regulations at 24 CFR part 135. The regulations at 24 CFR part 135 implementing Section 3 ensure, to the greatest extent feasible, that training, employment, contracting and other economic opportunities be directed to low- and very low-income persons, especially recipients of government assistance for housing, and to businesses that provide economic opportunities to low-and very low-income persons where a proposed project is located.

To implement 24 CFR 135.9(a) of the Department's Section 3 rules, program NOFAs where Section 3 applies must include information regarding how Section 3 activities will be considered in rating the application, the evaluation criteria utilized, and the rating points assigned. (See 24 CFR 135.9(a).) Applicants subject to this requirement must describe their plans to train and employ Section 3 residents and contract with Section 3 businesses. By submission of an application for programs covered by Section 3, applicants certify compliance with Section 3 requirements.

Section 3 fund recipients must comply with 24 CFR part 135. HUD encourages recipients to search the national Section 3 Business Registry to find local businesses that prioritize hiring Section 3 residents.

**Improving Access to Services for Persons with Limited English Proficiency (LEP).**

Executive Order (E.O.) 13166 seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have LEP. Recipients of HUD funds shall take reasonable steps to ensure meaningful access to their programs and activities to LEP individuals. As an aid to recipients, HUD published Final Guidance to Federal Financial Assistance Recipients: Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons (LEP Guidance) in the Federal Register on January 22, 2007 (72 FR 2732). LEP guidance and LEP information is available on [HUD's website](#).

**Accessible Technology.**

Section 508 of the Rehabilitation Act (Section 508) requires HUD to ensure, when developing, procuring, maintaining, or using electronic and information technology (EIT), that the EIT allows persons with disabilities to access and use information and data comparably to those without disabilities unless an undue burden would result to the Federal agency. HUD encourages its recipients to adopt the goals and objectives of Section 508 by ensuring comparable access whenever EIT is used. Recipients must also comply with Section 504 of the Rehabilitation Act and, where applicable, the ADA. These statutes also require effective communication with individuals with disabilities and prohibit EIT-imposed barriers to access information, programs, and activities by persons with disabilities. (See Information on [accessible technology](#).)

**Accessibility Requirements.** All grant recipients and sub-recipients must use facilities and services that are physically accessible to persons with disabilities. Where physical accessibility is not achievable, recipients and sub-recipients must give priority to alternative methods of product delivery that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate in accordance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794) and its implementing regulations at 24 CFR Part 8, and Titles II and III of the Americans with Disabilities Act, as applicable. All programs or activities must be held in accessible locations unless the recipient can demonstrate that doing so would result in a fundamental alteration of the program or an undue financial and administrative burden, in which case the recipients must take any action that would not result in such an alteration or such burden but would nevertheless ensure that individuals with disabilities receive the benefits and services of the program or activity, *e.g.*, training at an alternate accessible site, in-home training. Individuals with disabilities must receive services in the most integrated setting appropriate to their needs.

**Effective Communication.** Successful applicants must ensure that notices of and communications during all training sessions and meetings are provided in a manner effective for persons with hearing, visual, and other communications-related disabilities consistent with Section 504 of the Rehabilitation Act of 1973 (24 CFR 8.6), and as applicable, the American with Disabilities Act. This includes ensuring that materials are in appropriate alternative

formats as needed, *e.g.* Braille, audio, large type, sign language interpreters, and assistive listening devices, etc.

## **2. HUD- or Federal government-wide Requirements.**

a. Outstanding Delinquent Federal Debts – It is HUD policy, consistent with the purposes and intent of 31 U.S.C. 3720B and 28 U.S.C. 3201(e), that applicants with outstanding delinquent federal debt will not be eligible to receive an award of funds, unless:

- A negotiated repayment schedule is established and the repayment schedule is not delinquent, or
- Other arrangements satisfactory to HUD are made prior to the award of funds by HUD.

If satisfactory arrangements cannot be completed within 90 days of notification of selection, HUD will not make an award of funds to the applicant, and instead offer the award to the next eligible applicant. HUD may act earlier than the above stated 90 days to ensure, in HUD's determination, that the funds can be obligated in a timely manner. Applicants selected for funding, or awarded funds, must report any changes in status of current agreements covering federal debt. HUD may withhold funding, terminate an award, or seek other remedies from a grantee if a previously agreed-upon payment schedule has not been followed or a new agreement with the federal agency to which the debt is owed has not been signed.

b. Sufficiency of Financial Management System. HUD will not award or disburse funds to applicants that do not have a financial management system that meets Federal standards as described at 2 CFR 200.302. HUD may arrange for a survey of financial management systems for applicants selected for award who have not previously received Federal financial assistance, where HUD Program officials have reason to question whether a financial management system meets Federal standards, or for applicants considered high risk based on past performance or financial management findings.

c. Debarments and/or Suspensions – Under 2 CFR 2424, no award of Federal funds may be made to debarred or suspended applicants, or those proposed to be debarred or suspended from doing business with the Federal government.

d. False Statements – A false statement in an application is grounds for denial or termination of an award and possible punishment, as provided in 18 U.S.C. 1001.

e. Pre-selection Review of Performance. – If your organization has delinquent federal debt or is excluded from doing business with the Federal government, the organization may be ineligible for an award. In addition, before making a Federal award, HUD reviews information available through any OMB-designated repositories of government-wide eligibility qualification or financial integrity information, such as Federal Awardee Performance and Integrity Information System (FAPIIS), and the "Do Not Pay" website. HUD may consider other public sources such as newspapers, Inspector General or Government Accountability Office reports or findings, or other complaints that have been proven to have merit. Applicants may review and comment on any information in FAPIIS through SAM. HUD reserves the right to:

- Deny funding, or with a renewal or continuing award, consider suspension or termination of an award immediately for cause,
- Require the removal of any key individual from association with management or implementation of the award, and
- Make provisions or revisions regarding the method of payment or financial reporting requirements.

f. **Mandatory Disclosure Requirement.** Recipients or applicants must disclose in writing to the awarding program office at HUD, all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award within ten days after learning of the violation. Recipients that have received a Federal award including the term and condition outlined in Appendix XII to Part 200—Award Term and Condition for Recipient Integrity and Performance Matters are required to report certain civil, criminal, or administrative proceedings to SAM. Failure to make required disclosures can result in any of the remedies described in §200.338 Remedies for noncompliance, including suspension or debarment. (See also 2 CFR part 180, 31 U.S.C. 3321, and 41 U.S.C. 2313.)

g. **Conducting Business in Accordance with Ethical Standards/Code of Conduct –**

Before entering into an agreement with HUD, applicants selected for award must ensure an up-to-date copy of the organization’s code of conduct, dated and signed by the Executive Director, Chair, or equivalent official, of the governing body of the organization has been submitted to HUD.

Codes of conduct must prohibit real and apparent conflicts of interest that may arise among officers, employees, or agents; prohibit the solicitation and acceptance of gifts or gratuities over minimal value by officers, employees, or agents for their personal benefit; and outline administrative and disciplinary actions available to remedy violations of such standards. (See 2 CFR 200.112 and 2 CFR 200.318.)

If the recipient has a parent, affiliate, or subsidiary organization, whether non-profit or for-profit, the recipient must also maintain written standards of conduct covering organizational conflicts of interest. “Organizational conflicts of interest” means that because of relationships with a parent, affiliate, or subsidiary organization, the recipient is unable, or appears to be unable, to be impartial in administering the award or serving as a pass-through-entity.

h. **Conflict of Interest of Consultants or Technical Experts Assisting HUD –** Consultants and technical experts who assist HUD in rating and ranking applications for funding under published FY 2017 Program NOFAs are subject to 18 U.S.C. 208, the federal criminal conflict-of-interest statute, and the Standards of Ethical Conduct for Employees of the Executive Branch regulation published at 5 CFR part 2635. As a result, consultants and technical experts who have assisted or plan to assist applicants with preparing applications for FY 2017 Program NOFAs may not serve on a selection panel and may not serve as a technical advisor to HUD. Anyone involved in rating and ranking FY 2017 Program NOFA applications, including

departmental staff, experts and consultants must avoid conflicts of interest or the appearance of such conflicts. These individuals must also disclose to HUD's Office of General Counsel Ethics Law Division the following information, if applicable:

- How the selection or non-selection of any applicant under a FY 2017 Program NOFA will affect the individual's financial interests, as provided in 18 U.S.C. 208, or
- How the application process involves a party with whom the individual has a covered relationship under 5 CFR 2635.502

The consultant or technical expert assisting HUD must disclose this information before participating in any matter regarding an FY 2017 program NOFA. Applicants with questions regarding these provisions or concerning a conflict of interest, please call the Office of General Counsel, Ethics Law Division, at (202) 708-3815 (this is not a toll-free number). The phone number above may also be reached by individuals who are deaf or hard of hearing, or who have speech disabilities, through the Federal Relay Services service at 1-800-877-8339.

i. . Prohibition Against Lobbying Activities. Applicants are subject to the provisions of Section 319 of Public Law 101-121, 31 U.S.C. 1352, (the Byrd Amendment) and 24 CFR part 87, which prohibit recipients of federal awards from using appropriated funds for lobbying the executive or legislative branches of the Federal government in connection with a specific award. All applicants must submit with their application the signed Certification Regarding Lobbying included in the Application download from Grants.gov. In addition, applicants must disclose, using Standard Form LLL (SF-LLL), "Disclosure of Lobbying Activities," any funds, other than federally appropriated funds, that will be or have been used to influence federal employees, members of Congress, or congressional staff regarding specific grants or contracts. Federally-recognized Indian tribes and tribally designated housing entities (TDHEs) established by federally-recognized Indian tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage of the Byrd Amendment, but state-recognized Indian tribes and TDHEs established only under state law shall comply with this requirement. Applicants must submit the SF-LLL if they have used or intend to use non-federal funds for lobbying activities.

k. Consistency with the Consolidated Plan and Analysis of Impediments (AI)/Assessment of Fair Housing – Certain competitive Programs require applications to contain a certification of consistency with a HUD-approved Consolidated Plan. This certification means that the proposed activities are consistent with the jurisdiction's strategic plan, and the location of the proposed activities is consistent with the geographic areas specified in the Consolidated Plan. The Consolidated Plan also includes the jurisdiction's certification to affirmatively further fair housing which means, among other requirements, that the jurisdiction has conducted an AI/Assessment of Fair Housing. If a program NOFA requires a certification of consistency with the Consolidated Plan and you fail to provide the certification, and you do not cure the omission as a curable deficiency, HUD will not fund the application.

Under HUD's regulations at 24 CFR 91.2(d), an applicant's PHA Plan must include a certification by the appropriate state or local official that the PHA Plan is consistent with the applicable Consolidated Plan for the jurisdiction in which the PHA is located and must describe the manner in which the applicable contents of the PHA Plan are consistent with the

### **E. Program Specific Requirements.**

1. If the applicant has income restrictions for services, the application must identify this restriction in the application, and must describe how individuals who fall outside of the restrictions are being equally served and how that service is provided. HUD reserves the right to request proof if the organization is selected for funding. The applicant will be deemed ineligible if proof is not provided.
2. Fair Housing Related Activities. All program activities and costs within the Statement of Work (SOW) program task and budget must be fair housing related activities and must demonstrate an explicit connection to furthering the non-discrimination provisions of the Fair Housing Act. HUD will not fund any portion of an application that is not eligible for funding under the regulatory requirements or that does not meet the requirements under this NOFA. Only the eligible portions of a successful application will be funded. Fair Housing Act/Protected Classes.
3. All FHIP-funded projects must address housing discrimination based on race, color, religion, sex, disability, familial status, and/or national origin and further the non-discrimination provisions of the Fair Housing Act. HUD is determined to ensure equal opportunity and access to housing in all communities across the nation. All services and activities must be available to all protected class members. The application's description of proposed activities must reflect the commitment to address housing discrimination affecting all of the above protected classes.
4. HUD will not fund affiliate organizations if the parent organization receives FHOI funding. In addition, HUD will not allow affiliate organization staffing sharing protocols whereby the parent organization shares key staff with an affiliate(s). All funded organizations must be fully independent functional organizations, e.g., able to conduct business on an on-going basis without support from parent and staff set apart from parent organization.
5. Performance. Applicants receiving a "Poor" performance rating after FY2014 under the FHIP are ineligible for funding for a one-year period from the date the rating was received. Prior to applying for a NOFA after the 1 year period, applicants must demonstrate that they have satisfactorily resolved the deficiency resulting in the "poor" performance to the satisfaction of HUD. If applicants are unable to clear up all deficiencies, a plan must be submitted in their application to correct such deficiencies. In addition, if FHIP has terminated grant funding for an organization in the past, that organization must wait for a period of 1-year before reapplying for FHIP funding. The Department will determine the extent to which the applicant is able to manage or receive funding awards as part of the TEP process.
6. Closeouts should be undertaken as specified in 2 CFR Part 200.343 "Closeouts".

Only applicants deemed eligible will be ranked and rated.

### **F. Criteria for Beneficiaries.**

This program has eligibility criteria for beneficiaries.

**a. Single Audit Requirement.** All applicants who have expended \$750,000 or more in Federal financial assistance within a single year (this can be a program or fiscal year) must be audited in accordance with the requirements as established in 2 CFR Part 200.501. If an applicant receives \$750,000 or more in Federal financial assistance, the applicant's application must set aside funds to complete the audit.

**b. Dun and Bradstreet Numbering System.** (DUNS) Numbering Requirement. Refer to the General Section for information regarding the DUNS requirement referenced at V.1. The DUNS number used in the application must be for the applicant organization identified in Box 8a on the HUD424, Application for Federal Financial Assistance.

**c. Independence of Awards.** The application submitted must be independent and capable of being implemented without reliance on the selection of other applications, or another grantee(s). Applicants applying under one of the FHIP Initiatives may not use the performance (e.g., performance review rating or successfully completed activities) of another organization to meet the requirements of Rating Factor 1.

**d. Testing Requirements.** If funded, during negotiations applicants must provide a copy of its organization's written policy demonstrating that the organization policy/policies comply with the FHIP Regulation at 24 CFR 125.107. In addition, applicants should be prepared to adopt policies and practices that include a criminal background check on potential testers, and require that potential testers certify under penalty of perjury that they meet the requirements under that section. Costs for all background checks should be included in the applicant's budget.

**e. Review and Approval of Testing Training Materials (If applicable).** If funded, during negotiations, HUD may require the applicant to submit copies of these documents to HUD for review:

(1)The training materials to be provided for tester training; and

(2)Other forms, protocols, cover letters, etc., used in the conduct of testing and reporting of results.

**f. Training Funds.** The applicant's proposed budget must set aside \$5,000 annually to be utilized to participate in HUD sponsored mandatory or approved training. Grants that have a performance period of 12-18 months are considered 12 month grants for purposes of this requirement. Do not specify amounts over \$5,000, per instructed above for training set-aside in this category. If an applicant has not included this funding allocation in the budget and the applicant is selected for an award, HUD will modify the applicant's budget, reallocating the appropriate training amount.

If an applicant is awarded more than one grant, HUD reserves the right to examine the requested training needs. If additional training funds are not needed, HUD reserves the right to transfer funds back to fair housing activities during negotiations.

## **IV. Application and Submission Information.**

### **A. Obtaining an Application Package.**

#### **Instructions for Applicants**

You must download both the Application Instruction and the Application Package from

[Grants.gov](https://www.grants.gov). To ensure you are using the correct Application Package and Application Instructions, you must verify that the CFDA Number and CFDA Description on the first page of the Application Package, and the Opportunity Title and the Funding Opportunity Number match the Program and NOFA to which you are applying.

The Application Package contains the Adobe forms created by Grants.gov. The Instruction download contains official copies of the General Section and Program NOFA, and forms necessary for a complete application. The Instruction download may include Microsoft Word, Microsoft Excel and additional Adobe Portable Document Format documents.

An applicant demonstrating good cause may request a waiver from the requirement for electronic submission. For example, a lack of available Internet access in the geographic area in which your business offices are located. Lack of SAM registration or valid DUNS is not deemed good cause. If you cannot submit your application electronically, you must ask in writing for a waiver of the electronic grant submission requirements. HUD will not grant a waiver if HUD does not receive your written request at least 15 days before the application deadline or if you do not demonstrate good cause. If HUD waives the requirement, HUD must receive your paper application before the deadline of this NOFA. To request a waiver and receive a paper copy of the application materials, you should contact:

Myron Newry

Email: [Myron.P.Newry@hud.gov](mailto:Myron.P.Newry@hud.gov)

Office of Fair Housing and Equal Opportunity

451 7th Street, SW

Room 5222B

Washington, DC 20410

Phone 2: (202) 708-4445

All waiver requests will be submitted to FHEO's Assistant Secretary for a decision determination.

If you are granted a waiver, the notification will provide instructions on where to submit the application and how many copies are required. If you receive a waiver of the electronic application submission requirement, your paper copy application must be received by HUD in room 5222B no later than 4:30 pm eastern time on the application deadline date. HUD applications are scanned. The scanning facility at HUD Headquarters closes at 5:00 pm eastern time. Applicants must allow adequate time for the application to be scanned through this facility. Applications not received in 5222B by the 4:30 pm Eastern Time deadline date shall be deemed ineligible. There is no grace period for paper application submissions.

HUD will not accept a paper application without a waiver being granted and such paper applications will be returned to sender.

We advise you send your application via a carrier that provides a receipt of delivery. In addition, you will receive a confirmation (via HUD 2993 Form) confirming HUD's receipt. This HUD receipt may not come before the submission deadline.

## **B. Content and Form of Application Submission.**

To ensure that the correct Application Package and Application Instructions are used, applicants must verify that the CFDA Number and CFDA Description on the first page of the Application Package downloaded from Grants.gov, as well as the Funding Opportunity Title, and the Funding Opportunity Number match the Program and NOFA to which they are applying. You must verify that boxes 11, 12, and 13 on the SF-424 match the NOFA for which you are applying. If they do not match, you have downloaded the wrong Application Instruction and Application Package.

Submission of an application under the wrong CFDA and Funding Opportunity Number is not a curable deficiency and will result in your application being declared ineligible for funding.

Failure to do so will result in the application being rejected by the [Grants.gov](https://www.grants.gov) system with a “VIRUS DETECT” error message.

### **C. System for Award Management (SAM) and Dun and Bradstreet Universal Numbering System (DUNS) Number.**

#### **1. SAM Registration Requirement**

Applicants must be registered with SAM before submitting their application. In addition, applicants must maintain an active SAM registration with current information at all times when they have an active Federal award or an application or plan under consideration by HUD.

#### **2. DUNS Number Requirement.**

Applicants must provide a valid DUNS number, registered and active at SAM, in the application. DUNS numbers may be obtained for free from [Dun and Bradstreet](https://www.dunandbradstreet.com).

#### **3. Requirement to Register with Grants.gov.**

Anyone planning to submit grant applications on behalf of an organization must register at Grants.gov and be approved by the EBiz Point of Contact in SAM to submit applications for the organization.

Registration for SAM and Grants.gov is a multi-step process and can take four (4) weeks or longer to complete if data issues arise Applicants without a valid registration cannot submit an application through Grants.gov. Complete registration instructions and guidance are provided at [Grants.gov](https://www.grants.gov). See also Section IV.B for necessary form and content information.

### **D. Application Submission Dates and Times.**

The application deadline is 11:59:59 p.m. Eastern time on **10/06/2017**. Applications must be received no later than the deadline.

Submit your application to [Grants.gov](https://www.grants.gov) unless a waiver has been issued allowing you to submit your application in paper form. Instructions for submitting your application to [Grants.gov](https://www.grants.gov) are contained in the Application Package you downloaded from [Grants.gov](https://www.grants.gov). Instructions for submitting your paper application will be contained in the waiver of electronic submission.

Applications under HUD’s Continuum of Care (CoC) grant program are an exception to the submission requirements detailed in the previous paragraph. Applications for that grant program are submitted through HUD’s e-snaps system.

“Received by [Grants.gov](http://Grants.gov)” means the applicant received a confirmation of receipt and an application tracking number from [Grants.gov](http://Grants.gov). [Grants.gov](http://Grants.gov) assigns an application tracking number and date- and time-stamps each application upon successful receipt by the [Grants.gov](http://Grants.gov) system. A submission attempt that does not result in confirmation of receipt and an application tracking number is not considered received by [Grants.gov](http://Grants.gov).

Applications received by Grants.gov must be validated by [Grants.gov](http://Grants.gov) in order to be received by HUD. “Validated by Grants.gov” means the application has been accepted and was not rejected with errors. You can track the status of your application by logging into Grants.gov, selecting “Applicants” from the top navigation, and selecting “Track my application” from the dropdown list. If the application status is “rejected with errors,” you must correct the error(s) and resubmit the application before the 24-hour grace period ends. Applications in “rejected with errors” status after the 24-hour grace period expires will not be received by HUD. Visit Grants.gov for a complete description of processing steps after submitting an application. To quickly check the status of your application:

- Go to [www.grants.gov](http://www.grants.gov).
- Under the APPLICANTS tab on the Home page header, select [Track My Application](#).

HUD may extend the application deadline for any program if Grants.gov is offline or not available to applicants for at least 24 hours immediately prior to the deadline date, or the system is down for 24 hours or longer and impacts the ability of applicants to cure a submission deficiency within the grace period.

HUD may also extend the application deadline upon request if there is a presidentially-declared disaster in the applicant's area.

In the event of either of these events, HUD will post a notice on its website that establishes the new, extended deadline for the affected applicants. HUD will also include the fact of the extension in the program's Notice of Funding Awards that is required to be published in the Federal Register.

In determining whether to grant a request for an extension based on a presidentially-declared disaster, HUD will consider the totality of the circumstances including the date of an applicant's extension request (how closely it followed the basis for the extension), whether other applicants in the geographic area are similarly affected by the disaster, and how quickly power or services are restored to enable the applicant to submit its application.

PLEASE NOTE: Busy servers, slow processing, or large file sizes, improper registration or password issues are not valid circumstances to extend the deadline dates or the grace period.

#### **1. Amending or Resubmitting an Application.**

Before the submission deadline, you may amend an application that has been validated by Grants.gov by resubmitting a revised application containing the new or changed material. The resubmitted application must be received and validated by grants.gov by the applicable deadline. If HUD receives an original and a revised application for a single proposal, HUD will evaluate only the last submission received by Grants.gov before the deadline.

#### **2. Grace Period for Grants.gov Submissions.**

If your application is received by Grants.gov before the deadline, but is rejected with errors, you have a grace period of 24 hours after the application deadline to submit a corrected application that is received and validated by Grants.gov. The date and time stamp on the Grants.gov system determines the application receipt time. Any application submitted during the grace period that is not received and validated by grants.gov will not be considered for funding. There is no grace period for paper applications.

#### **3. Late Applications.**

An application received after the Program NOFA deadline date that does not meet the Grace period requirements will be marked late and will not be received by HUD for funding consideration. Improper or expired registration and password issues are not causes that allow HUD to accept applications after the deadline.

#### **4. Corrections to Deficient Applications.**

Except as provided by the electronic submission grace period described in this NOFA, HUD may not consider any information that applicants may want to provide after the application deadline. HUD may not seek or consider clarification of application items or responses that improve the substantive quality of an application or which correct deficiencies which are in whole or part of a rating factor, including items that impact preference points. HUD may contact the applicant to clarify other items in its application. In order not to unreasonably exclude applications from being rated and ranked where there are curable deficiencies, HUD will uniformly notify applicants of each curable deficiency. A curable deficiency is an error or oversight which, if corrected, would not alter, in a positive or negative fashion, the review and rating of the application. Examples of curable (correctable) deficiencies include inconsistencies in the funding request, failure to submit the proper certifications, and failure to submit an application that contains a signature by an official able to make a legally binding commitment on behalf of the applicant. These examples are non-exhaustive.

When HUD identifies a curable deficiency, HUD will notify the authorized representative in item 21 of the SF-424 describing the curable deficiency. The email notifications are the official notification of the need to cure a curable deficiency. Each applicant must provide accurate email addresses for receipt of these notifications and must monitor their email accounts to determine whether a deficiency notification has been received. The applicant must carefully review the request for cure of a curable deficiency and must provide the response in accordance with the instructions contained in the deficiency notification.

Applicants must email corrections of curable deficiencies to [applicationsupport@hud.gov](mailto:applicationsupport@hud.gov) within the time limits specified in the notification. The time allowed to correct deficiencies will not exceed 14 calendar days or be less than 48 hours from the date of the email notification. The start of the cure period will be the date stamp on the email sent from HUD (or GrantSolutions). If the deficiency cure deadline date falls on a Saturday, Sunday, Federal holiday, or other day when HUD's Headquarters offices in Washington, DC, are closed, then the applicant's correction must be received on the next business day that HUD Headquarters offices in Washington, DC are open.

The subject line of the email sent to [applicationsupport@hud.gov](mailto:applicationsupport@hud.gov) must state: "Technical Cure" and include the Grants.gov application tracking number (e.g., Subject: Technical Cure - GRANT123456). If this information is not included, HUD cannot match the response with the application under review and the application may be rejected due to the deficiency.

Corrections to a paper application must be sent in accordance with and to the address indicated in the notification of deficiency. HUD will treat a paper application submitted in accordance with a waiver of electronic application that contains the wrong DUNS number as having a curable deficiency. Failure to correct the deficiency and meet the requirement to have a DUNS number and active registration in SAM will render the application ineligible for funding.

## **E. Intergovernmental Review.**

This program is not subject to Executive Order 12372, Intergovernmental Review of Federal Programs.

## **F. Funding Restrictions.**

1. **Retainer Fees.** FHIP recipients are under specific restrictions regarding establishment of retainer agreements and recovery of legal fees from HUD-funded cases. Data on fees, settlements, and verdicts are matters of public record. Awardees must provide this information to HUD annually. Neither the grantee nor the individual(s) on whose behalf any action is filed can request that HUD waive these provisions.
2. **Reimbursement Requirement.** FHOI grantees must reimburse the Federal government the amount of the grant from all financial settlements, conciliations, and agreements reached because of their use of FHIP funds. With prior approval from the HUD Government Technical Representative (GTR), grantees may choose to use the funds as program income to further fair housing activities rather than returning these funds to HUD.
3. **FHOI Limitations for Education & Outreach.** There is a 20 percent cap on the dollar amount allowed for education and outreach related activities. If the limit is exceeded, points will be deducted in the rating process and if awarded, funds will be adjusted to maintain the required limitation.
4. **Eligibility.** Applicants may not receive a PEI Multi-Year (PEI-MY) award if they receive FHOI CDC funding.
5. **Performance Standards.** Applicants must maintain an annual performance assessment rating from the FHIP HUD GTR as “good” or funding may be reduced until performance issues are resolved and if unresolved, HUD has a right to rescind funding.
6. **Number of Awards.** An organization may not receive more than one award under a single component. In addition, if two organizations with separate EIN’s identify several of the same direct personnel and/or key staff for both organizations (i.e. sharing of key staff), but apply separately for funding under a single component, FHIP will fund only one organization. This restriction ensures FHIP’s commitment to continued program integrity by eliminating double payment under a single component to an organization or to individuals. This restriction includes but is not limited to any organization affiliate, associate, subsidiary, or other organizations that engage in direct personnel and/or key staff sharing protocols.

### **Indirect Cost Rate.**

Indirect Cost Rate: No restrictions, applicants may use their negotiated rate or the de minimis rate (10% of Modified Total Direct Costs).

Non-governmental organizations: If you are using a negotiated indirect cost rate, your application must clearly state the approved rate and distribution base and include a letter or other documentation from the cognizant agency showing the approved rate. If your organization has never had an indirect cost rate and wishes to use the de minimis rate, your application must clearly state you intend to use the de minimis 10% of Modified Total Direct Costs (MTDC).

Governmental organizations: If your organization has a negotiated indirect cost rate, your application must include the rate and a letter or other documentation from the cognizant agency showing the negotiated rate. If your organization has prepared and maintains documentation supporting an indirect rate proposal but has not negotiated approval of the rate, your application's budget narrative must include the rate and applicable distribution base.

## **G. Other Submission Requirements.**

### **1. Discrepancies between the NOFA on Grants.gov and Other Documents.**

The Program NOFA posted at the Grants.gov website is the official document HUD uses to solicit applications. Applicants are advised to review their application submission against the requirements in the posted Program NOFA. If there is a discrepancy between the Program NOFA posted on Grants.gov and other information provided in any other copy or version or supporting documentation, the posted Program NOFA located at [www.Grants.gov](http://www.Grants.gov) prevails. If discrepancies are found, please notify HUD immediately by calling the program contact listed in the Program NOFA. HUD will post any corrections or changes to a Program NOFA on the Grants.gov website. Applicants must enroll an email address at the application download page to receive an e-mail alert from Grants.gov in the event the opportunity is changed.

### **2. Application Certifications and Assurances.**

Applicants signing the SF424 cover page either through electronic submission or in paper copy submission (for those granted a waiver) affirm that the certifications and assurances associated with the application are material representations of the facts upon which HUD will rely when making an award to the applicant. If it is later determined that the signatory to the application submission knowingly made a false certification or assurance or did not have the authority to make a legally binding commitment for the applicant, the applicant may be subject to criminal prosecution, and HUD may terminate the award to the applicant organization or pursue other available remedies. Each applicant is responsible for including the correct certifications and assurances with its application submission, including those applicable to all applicants, those applicable only to federally-recognized Indian tribes, and those applicable to applicants other than federally-recognized Indian tribes. All program-specific certifications and assurances are included in the program Instructions Download on Grants.gov.

### **3. Lead Based Paint References**

When providing education or counseling on buying or renting housing that may include pre-1978 housing, when required by regulation or policy, inform clients of their rights under the Lead Disclosure Rule (24 CFR part 35, subpart A), and, if the focus of the education or counseling is on rental or purchase of HUD-assisted pre-1978 housing, the Lead Safe Housing Rule (subparts B, R, and, as applicable, F - M).

## **V. Application Review Information.**

## **A. Review Criteria.**

### **1. Rating Factors.**

The criteria for rating and ranking applications, as well as the maximum points for each Rating Factor, are provided below. Applicants must address all five rating factors. The maximum number of points awarded for under the Rating Factors under this NOFA is 100.

#### **Rating Factor 1**

**Maximum Points: 36**

#### **Capacity of Applicant and Relevant Organizational Experience (up to 36 points).**

This factor addresses the extent to which the organization has the staff experience and organizational capacity necessary to successfully complete the proposed project by the end of the grant performance period. Applicants must clearly address the following:

##### **(1) Description and expertise of staff (Up to 20 points)**

The applicant must describe staff expertise to show that the applicant organization will have both, sufficient and qualified staff that will be available to complete the proposed activities, including new hires and contractors or consultants by responding to the following:

a) Describe the organization staffing plan including applicant plans to add staff (employees) or contractors.

1. To receive full points, the staffing plan must demonstrate that there is sufficient current applicant organization staff (more than one key staff) with fair housing related experience, at the time of the application due date. The plan must also describe the organization's plan to add staff and/or contractors to complete the proposed project. If the applicant is sharing activities with other FHIP funded organizations, applicant must list the total percentage of FHIP related activities each FHIP funded shared organization is undertaking, including as a grantee, sub-grantee, contractor, consultant or any other capacity. Failure to provide this information will result in 36 points being deducted from your application (this information may be provided in a chart and will not be included within the 10-page limit). (up to 6 points)
2. If the application proposes using contractors, the applicant must provide a statement describing how the applicant will evaluate and provide oversight for each contractor. The staffing plan should identify each staff person(s) assigned to the proposed project by name and position, and the percentage of estimated time that each will devote to the proposed project. This description must also identify the project's proposed Project Manager, by name and title, and percentage of time that that the individual will devote to the proposed project. The NOFA requires that Project Managers devote at least the following percentage of time to the proposed project:

FHOI applicants - 50 percent of time

If applicable, the applicant must identify FY2014, FY2015 and FY2016 FHIP grant awards and sub-grantee projects, and identify each staff person assigned to the projects, including staff name, position and percentage of time devoted to those project(s). Staff time and effort under each Initiative/Component must represent time and effort over the entire grant period.

Applicants who are applying for, or currently have multiple open FHIP grants must describe how the applicant will manage, operate, and maintain activities, performance requirements and timetables for these multiple grants. Failure to provide this information will result in the applicant receiving reduced points under this sub-factor. The applicant's listing or chart does not count towards the ten (10)-page limit for Factor 1.

The applicant must respond to all Factor 1 requirements listed above to receive the maximum points. Applicants will not be deducted points for not identifying FY2014, FY2015 and FY2016 FHIP grant awards and sub-grantee projects if this section is not applicable. (Section 2 - up to 6 points)

(b) Describe each key staff person's fair housing related experience and how that experience will contribute to the proposed project including any experience relating to enforcement activities and/or proposed fair housing training or disseminating information to the community. Please do not include resumes. For proposed hires, the applicant must identify the position, percentage of time the proposed staff will devote to the project, and the position requirements that will assist the organization in successful project completion. For proposed consultants or contractors, the applicant must describe experience that contributes to the organization completing the proposed activities, including any fair housing related experience. (up to 4 points)

(c) Demonstrate that the organization has available staff with the appropriate training, expertise and experience to conduct tests or the applicant's proposed plan and budget (under Factor 3) for training and technical assistance for testing. If an applicant proposes complex testing, such as real estate sales, mortgage lending, or home-owners insurance, the applicant must describe the specialized staff training, expertise and/or experience to complete the proposed testing activities (up to 4 points)

(b) Describe their organization's experience working with populations of the targeted area of need, including diverse populations faced by historic segregation. (Up to 2 points)

(c) Specify how FY2017 funds will include the capacity to conduct investigations, including systemic investigations and specify how FY2017 funds will expand FHOI FHIP funded activities or other fair housing enforcement activities toward increased investigations of housing discrimination activities including systemic investigations and their effectiveness. (Up to 2 points)

(d) Provide a description of the applicant's organization experience to build its capacity to become a viable fair housing enforcement organization. The description must include: (1) organization experience in enforcement related activities including complaints processed; investigative experience, complaint outcomes if any; (2) the applicant's plan to develop a fair housing testing program; (3) other enforcement related experience that supports the

organization's ability/experience become a viable fair housing enforcement organization; and (4) a description of activities that further the enforcement objectives towards broad based fair housing activities. Applicants must also describe how the organization is currently a full-service organization. Applicants must show how they have met these requirements in the past year. (Up to 8 points)

Rating Factor 2

Maximum Points: 16

### **Need/Distress/Extent of the Problem (up to 16 points)**

This factor addresses the extent to which there is a need for funding the proposed activities. The need(s) described must be relevant to the activities for which funds are being requested under factor (3).

#### **A. FHOI Applicants.**

**(1) Highly segregated area focus:** Applicants should provide evidence demonstrating that they have worked in areas of need in highly segregated locations. (Up to 3 points)

To receive maximum points for elements 2- 5 below, applicants must demonstrate a direct relationship between the purpose of the program proposed, the applicant's proposed activities, the fair housing needs of the community or communities, and how the applicant plans to address discrimination, including systemic discrimination, in a way that meets those fair housing needs.

(1 point)

Rating Factor 3	Maximum Points: 30
-----------------	--------------------

**Soundness of Approach (up to 30 points).** This factor addresses the soundness, quality, and effectiveness of the proposed work plan and the commitment of the applicant to sustain the proposed project activities. As described below, two sub-factor requirements make up the total possible points (up to 30 points) for Rating Factor 3: (a) Statement of Work and (b) Budget and Cost Estimates.

**a. Proposed Statement of Work (SOW) and Information Requirements (up to 16 points).** This sub-factor does not count toward the ten (10) page limit under this rating factor. Each applicant should complete a detailed SOW narrative and chart.

The sub-factor will be evaluated on the extent to which the applicant provides a clear detailed description of the proposed project activities, and where applicable, proposed outcome measures. The proposed SOW narrative should clearly identify the proposed activities, the specific deliverables and the anticipated outcomes consistent with the activities outlined in the required SOW chart. Applicants must include in their SOW: a description of the continuation of existing activities or expansion or creation of systemic investigation(s) based on prior FY2016 PEI FHIP funded activities or other fair housing enforcement activities. Applicant's SOW narrative must correspond with the activities outlined in Attachment A. (SOW narrative - up to 4 points)

SOW chart (Appendix) A - Statement of Work. All applicants should use the format outlined in Appendix A as an example and guidance to describe the organization's specific SOW tasks. The Administrative Tasks in Appendix A are standard general tasks, however an applicant may edit the section to fit the applicant's specific necessary tasks. Under the Program Tasks section, each applicant should complete a detailed SOW based on the specific enforcement and EOI activities proposed in the organization's application, including activities and tasks, and proposed outcomes where applicable. The Statement of Work (SOW) program tasks must include complaint intake, complaint investigation, testing for fair housing violations and enforcement of meritorious claims, and describe:

- (1) all proposed project activities and major tasks (up to 3 points),
- (2) a list of team members/staff and partners as identified in Factor 1 who will be responsible and accountable for completing the task (up to 3 points),
- (3) the steps to complete the proposed activities required to successfully implement the proposed project (up to 3 points), and
- (4) the proposed outcomes where applicable under program tasks. (up to 3 points)

Funded applicants must submit yearly reports on outputs and outcomes.

**b. Budget and Cost Estimates (up to 14 points).**

HUD will assess the soundness of the planned approach by evaluating the quality, thoroughness, necessity, cost effectiveness, and reasonableness of costs to carry out the project activities, and the appropriateness of budget allocations and rationality of the proposed budget and narrative. The budget information provided, which should include a Narrative Budget Work Plan and a Grant Application Detailed Worksheet (424 CBW) will be evaluated based on whether the expenses are reasonable, thoroughly explained, supported, and appropriate to carry out the proposed project.

Applicants should also include a budget for sub-contractors or sub-recipients if the amount exceeds \$5,000. Regardless of the amount paid to a sub-contractor or sub-recipient, applicants must also provide a narrative work plan that includes all costs associated with sub-contractor or sub-recipient activities.

(1) The applicant’s budget narrative and 424 CBW must relate to the tasks in the SOW, including identifying key team members/staff and partners, as identified in Factor 1 who will be responsible and accountable for completing major tasks. In addition, the applicant’s budget narrative should describe the organization’s Financial Management Capacity. The applicant must describe their organization’s financial management system and your Board’s role in financial management or oversight.

(2) The applicant must describe their organization’s capabilities in handling financial resources, disseminating payments to third parties, e.g. contractors, and maintaining adequate accounting and internal control procedures. In addition, applicant with current or prior FHIP grants should provide a listing or chart of the most recent of all HUD FHIP grants received through 2014, including the grant number, dollar amount awarded, the amount expended and obligated as of the 30 days prior to the date the application is submitted and describe the applicant’s activities and results (outcomes) achieved in the previous FHIP grant. The applicant’s listing or chart does not count towards the 10 page limit.

The Narrative Budget Work Plan and 424 CBW do not count towards the ten (10)-page limit on the narrative response to this rating factor. (up to 7 points for the Narrative Budget Plan, and up to 7 points for a completed 424 CBW)

<b>Rating Factor 4</b>	<b>Maximum Points: 3</b>
------------------------	--------------------------

**Leveraging Resources/ Developing Partnerships (up to 3 points).** This factor addresses the ability of the applicant to increase capacity by developing partnerships and securing resources that can be combined with HUD’s FHIP funds. It is HUD’s intent that these resources will assist the organization through this project in achieving its purpose and long-term commitment

to the community after funds have expired. To receive full points under this factor an applicant must have both internal resources (provided by the applicant) and external resources.

**a. Firm Commitment of Leveraging or Collaboration.** HUD requires applicants under this factor to secure resources from sources other than what is requested under this FHIP NOFA. Leveraging of community resources may include funding or in-kind contributions, such as workspace, services or equipment, allocated to facilitate proposed project activities. Contributions or cash from the applicant, affiliates, subsidiaries, divisions, or employees of the applicant do not qualify as in-kind contributions. Nor may an applicant request the waiver of fees to be collected as leveraged funds. Cash or funds from an applicant's previously established investment account(s) may qualify as in-kind resources; however, support documentation must be provided. Resources may be provided by governmental entities (including other HUD programs if such costs are allowed by statute), public or private nonprofit organizations, faith based organizations, for profit or civic private organizations, or other entities' planned contributions. To obtain points for leveraging third party resources the application must provide signed letters of firm commitment or signed agreements/statements from the organizations and/or individuals that will provide financial or in-kind support for your project on the respective organization's letterhead. See the **General Section** for instructions on how third party documents are to be submitted to HUD via the electronic submission process.

(1) Each letter of firm commitment or documents must:

- (a) State definitively a commitment to provide funding or in-kind resources (although the commitment may be on the condition that your organization receives a FHIP award);
- (b) Identify the organization and/or individual committing resources to the project and state the timeline for these funds in relation to the project. The letter should identify any affiliation with the applicant;
- (c) Identify the sources and amounts of the leveraged resources (the total FHIP and non FHIP amounts must match those in your proposed budget submitted under Rating Factor 3); and
- (d) Describe how these resources will be used under the applicant's SOW; and be dated and signed by the individual or organization official legally able to make commitments for the organizations on the organization's official letterhead.

If applicants fail to meet these requirements, they will not receive points under this Rating Factor.

If the resources are in-kind or donated goods, the firm commitment letter must indicate the fair market value of those resources and describe how this fair market value was determined. Do not include indirect costs as a part of any in-kind resources. In-kind leveraging contributions, as well as Program Income must comply with 24 CFR Part 200 requirements. Goods and services secured with FHIP funds cannot be used for any in-kind or donated services (for example, services of a current staff person on a FHIP funded project). If after award leveraged resources are subsequently withdrawn or modified from the approved amount, the Government Technical Representative may deem the grantee ineligible to receive any remaining FHIP funds under this award.

There will be no points awarded for general letters of support endorsing the project from organizations, including elected officials at the local, State, or national levels, and/or

individuals in your community. If at least 10% of your project is not supported by non-FHIP resources, then you will not receive any points under this factor. Points will be assigned for each Initiative based on the following scale:

<b>Points Awarded</b>	<b>Leveraging Resources</b>
Two	From 10 percent to less than 30 percent of total project costs from non FHIP resources
Three	Less than 30 percent of total project costs from non-FHIP resources AND a letter of firm commitment from a FHAP which when combined together, exceeds 30 percent of the total project costs  or  30 percent or over 30 percent of total project costs from non FHIP resources

**Rating Factor 5** **Maximum Points: 15**

**Achieving Results and Program Evaluation (15 Points)**

This factor reflects HUD’s goal to embrace high standards of innovation, technology, management, accountability, and effectiveness. It measures the applicant’s commitment to assess its performance to achieve the project proposed objectives and goals.

Based on the narrative statements (staff, proposed activities etc.) that the applicant provided in Factors 1 through 3, in evaluating this Factor, HUD will assess the extent to which the applicant demonstrates how results of the project will be measured consistent with activities outlined in the proposed Statement of Work. The applicant should outline its strategy for evaluating and improving (if necessary) the organization’s program performance against proposed activity goals during the grant period:

The applicant must describe –

1. Measurement (up to 5 points) – What strategy or strategies will the organization utilize to measure its outputs and outcomes? This description should include but is not limited to describing:

- (a) data collection/analysis methods to measure outputs and outcomes;
- (b) technological tools in place to capture, maintain, and share data;

2. Accountability (up to 5 points) What strategies will be put into place to evaluate and assure that the organization’s project activities, staff and overall program management provide for cost effective practices to assist the Department in improving program outcomes, share lessons learned and provide others with best practices? We will give points to organizations that propose performance indicators that evaluate outcomes and/or outputs and that can result in reliable, valid data.

- (a) Describe factors/indicators that will be used to determine if outcomes succeed, if possible improvements are necessary, etc.;

- (b) Describe time-lines for continuous evaluation and adjustments if necessary.
- (c) Explain the impact of the grantee's SOW activities on enforcement actions. Applicants should express outcomes on each activity and how their organization's numbers are validated based on the grantee's experience. Applicants should state in this factor the impact and results they intend to achieve through their activities using past experience as a determining factor. Applicants should state the number of people receiving remedies through Fair Housing Act enforcement work over the past five (5) years.
- (d) State the number of people receiving remedies through Fair Housing Act enforcement work per case over a five-year period. Further, applicants should show the monetary relief received through Fair Housing Act enforcement work over a five-year period.
- (e) Show what percentage of actions resulted in changes in local ordinances or state statutes over a five-year period.
- (f) Quarter report should contain responses to the following questions:
1. How many persons does the organization propose to serve? How is the estimate derived?
  2. How many have been served based on your proposed number?
  3. Of those served, how many resulted in cases?
  4. How many cases were resolved?
  5. How many cases were litigated?
  6. What is the total amount of damages received for victims of discrimination?
  7. Describe how many cases were resolved to the benefit of the client, and how those clients benefited.
  8. How many jurisdictions developed policies to remove barriers to fair housing as a result of FHIP PEI or FHOI engagement with local jurisdictions/regional organizations?
- (g). Applicants will be required to report outcomes and evidence of continued project success in quarterly and final performance reports, which may include but are not limited to: (1) positive customer experience; (2) efficient and effective administrative costs; (3) High ethical standards; (4) Overall positive community/target area changes; (5) Innovative strategies that contribute to cost effectiveness and other program improvements and success stories (give an enforcement success, for example e.g., settlement outputs and outcomes, systemic investigation outcomes and outputs).
3. Implementation (up to 5 points) Applicants must also describe specific, actionable evidence that your proposed performance indicators (strategies) are likely to be implemented.
- (a) High Standards – What strategy will the organization use to assure improved accountability and transparency, and ensure efficient and effective program management?

## **2. Preference Points.**

HUD encourages activities in communities with Preferred Sustainability Status (PSS) and/or Promise Zones (PZ). HUD will award two (2) points for qualified activities within a designated zone or area and supporting either or both initiative(s). In no case will HUD award more than

two preference points for these activities.

a. To receive Preferred Sustainability Status Communities Preference Points, applicants must submit form HUD 2995, Certification of Consistency with Sustainable Communities Planning and Implementation, signed by the designated Preferred Sustainability Status Community point of contact. Designated PSS Communities Points of Contacts can be found on HUD's website ([click here](#)).

b. To receive Promise Zones Preference Points, applicants must submit form HUD 50153, Certification of Consistency with Promise Zone Goals and Implementation, signed by the Promise Zone Official authorized to certify the project meets the criteria to receive preference points. To view the list of designated Promise Zones and persons authorized to certify, please see the [Promise Zone pages on HUDEXchange](#).

## **B. Review and Selection Process.**

### **1. Past Performance**

In evaluating applications for funding, HUD will take into account an applicant's past performance in managing funds. Items HUD may consider include, but are not limited to:

- a. The ability to account for funds appropriately;
- b. Timely use of funds received from HUD;
- c. Timely submission and quality of reports submitted to HUD;
- d. Meeting program requirements;
- e. Meeting performance targets as established in the grant agreement;
- f. The applicant's organizational capacity, including staffing structures and capabilities;
- g. Time-lines for completion of activities and receipt of promised matching or leveraged funds;
- and
- h. The number of persons to be served or targeted for assistance.

HUD may deduct points from the rating score or establish threshold levels as specified under the Factors for Award in the Program NOFAs. Each Program NOFA will specify how past performance will be rated or otherwise used in the determination of award amounts. Whenever possible, HUD will obtain past performance information from staff with the greatest knowledge and understanding of each applicant's performance. If this evaluation results in an adverse finding related to integrity or performance, HUD reserves the right to take any of the remedies provided in Section III.C.2.b.(5), Pre-selection Review of Performance, above.

### **2. Assessing Applicant Risk**

This section incorporates past performance with the assessment of applicant risk. For current FHIP grantees, past performance will be assessed as part of applicant risk and based on the applicant's most recent FHIP Government Technical Representative (GTR) Final Performance Assessment Report received from the applicant HUD GTR. GTR Final Performance Assessment Reports contain these items: (1) performance of all requirements under the grant, (2) acceptance of work performed, and (3) quality of performance. These

points will be deducted from an applicant's overall rating score based on the GTR Final Performance Assessment Reports.

3 points if the applicant received a "Fair"

1 point if the applicant received a "Good"

If the applicant received FHIP funds and received a rating of "Poor" for its most recent FHIP GTR Final Performance Assessment, its FY2017 FHIP application will be deemed ineligible for a one-year period. Applicant must have addressed or attempted to address the factors that resulted in the "poor" performance to the Department's satisfaction before applying again or the applicant will remain ineligible. An applicant that disagrees with its determination of ineligibility for the FY0217 competition because of a "Poor" performance rating must adequately address the factors resulting in the "Poor" performance rating to HUD's satisfaction before the FHIP application deadline date.

In addition, HUD evaluates the integrity of the applicant as reflected in government-wide websites, information in HUD's files, the federal Do Not Pay portal, public information and information received during HUD's Name Check Review process. If this integrity evaluation results in an adverse finding, HUD reserves the right to take any of the remedies provided in Section III.C.4.a.5, Do Not Pay website Review.

**3. Rating and Ranking.** Applicants may be funded under:

**Fair Housing Organizations Initiative (FHOI)** - Continued Development General Component (CDGC) - \$500,000.

**4. For all initiatives.** The maximum number of points to be awarded for the Rating Factors is 100.

Applicants may also be awarded 2 points for Preferred Sustainability Status Communities or Promise Zones.

**5. Ineligible Applications.** Ineligible applications will not be rated or ranked.

**6. Minimum Score to be Funded.** Only applications with a rating of 75 points or more will be considered of sufficient quality for funding.

**7. Tie Breaking.** When two or more applications have the same total overall score, the application with the higher score under Rating Factor 2 will be ranked higher. If applications still have the same score, the tie will be broken by the Rating Factor 1 score. If a tie remains, then the tie will be broken by the Rating Factor 3 score. And if a tie still remains, the application committing the greatest Leveraged funds under Rating Factor 4 will be selected.

**8. Adjustments to Funding.** HUD may approve an application for an amount lower than the amount requested, fund only portions of the application, withhold funds after approval, reallocate funds among activities and/or require that special conditions be added to the grant agreement under 2 CFR 200.207, the requirements of the **General Section**, or where:

1. HUD determines the amount requested for one or more eligible activities is unreasonable or unnecessary;
2. An ineligible activity is proposed in an otherwise eligible project;
3. Insufficient funding amounts remain to award the full amount requested in the

- application, and HUD determines that partial funding is a viable option;
4. The past record of key personnel warrants special conditions; or,
  5. Training funds are not reserved for FHIP training.

**9. Reallocation of Funds.** After all applications within funding range have been selected or obligations are completed in an Initiative if funds are still available, HUD will have the discretion to reallocate those remaining funds among Initiatives as follows:

**a. FHOI** – Any remaining funds from any component will be reallocated first within that initiative. If after reallocating funds within that Initiative; funds still remain, they shall be reallocated to PEI, then to EOI.

### **C. Anticipated Announcement and Award Dates.**

HUD expects to announce the award of funds by 11-30-2017 and anticipates a start date of 12-30 2017.

## **VI. Award Administration Information.**

### **A. Award Notices.**

Following the evaluation process HUD will notify successful applicants of their selection for funding. HUD will also notify all other applicants, whose applications were received by the deadline, that have not been chosen for award. Notifications will be sent by email to the person listed as the AOR in item 21 of the SF-424.

#### **1. Applicant Notification and Award Procedures.**

a. Notification. Information about the review and award process will not be available during the HUD evaluation period, which begins on the application deadline date for this NOFA and lasts for approximately 90 days thereafter. However, you will be advised, in writing or by telephone, if HUD determines that your application is ineligible, or has technical deficiencies which may be corrected as described in the General Section (see section B.3 ). HUD will only communicate with persons specifically identified in the SF424 in the application. HUD will not provide information about the application to any third party such as contractors.

b. Negotiations. If you are selected, HUD will require you to participate in negotiations to determine the specific terms of your cooperative or grant agreement. The selection is conditional and does not become final until the negotiations are successfully concluded and the grant or cooperative agreement is signed and executed based upon the negotiations. HUD will negotiate only with the person identified in the application as the Director of the organization or if specifically identified in the application as the Project Director. HUD will not negotiate with any third party (i.e., a contractor, etc.). The Grant Officer and Government Technical Representative will determine on a case-by-case basis if technical assistance or special conditions are required.

c. Applicant Scores. After awards are announced, applicants will receive a copy of their final score. HUD will not release the names of applicants or their scores to any third party. Applicants may secure a copy of a successful FHIP application for FY2011 at: [http://portal.hud.gov/hudportal/HUD?src=/program\\_offices/administration/foia/highscore](http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/foia/highscore) after all funding

decisions are made. HUD's FOIA page has archived the highest rated application for FY2011 and before. Upon request via email or mail FHIP will provide applicants a list of frequent areas where the Technical Evaluation Panel deducted points. This panel information will consist of a review of areas in which applicants frequently lose points such that all applicants may make modifications to strengthen their applications.

## **B. Administrative, National and Department Policy Requirements.**

For this NOFA, the following requirements apply:

### **Ensuring the Participation of Small Disadvantaged Business, and Women-Owned Business.**

HUD is committed to ensuring that small businesses, small disadvantaged businesses, and women-owned businesses, and Labor Surplus Area Firms participate fully in the direct contracting and contracting opportunities generated by HUD's financial assistance. State, local, and Indian tribal governments are required by 24 CFR 85.36(e) to take all necessary affirmative steps in contracting for the purchase of goods or services to assure that minority firms, women-owned business enterprises, and labor surplus area firms are used whenever possible or as specified in the Program NOFAs. Nonprofit recipients of assistance (grantees and subgrantees) are required by 2 CFR 200.321 to make positive efforts to utilize small businesses, minority-owned firms, and women's business enterprises, and Labor Surplus Area Firms whenever possible.

### **Equal Protection for Faith-based and Community Organizations.**

Consistent with Executive Order (E.O.) 13279, "Equal Protection of the Laws for Faith-Based and Community Organizations," as amended by E.O. 13559, "Fundamental Principles and Policy-making Criteria for Partnerships with Faith-Based and Other Neighborhood Organizations," faith-based organizations are eligible to participate in HUD's programs and activities on the same basis as any other organization.

HUD's regulations on the equal participation of faith-based organizations are at 24 CFR 5.109. On April 4, 2016, HUD amended 24 CFR 5.109 consistent with E.O. 13559. (See 81 FR 19355). These regulations apply to all HUD programs and activities, including all of HUD's Native American Programs, except as may be otherwise provided in the respective program regulations, or unless inconsistent with the respective program authorizing statute. These regulations provide, among other things, that a faith-based organization that participates in a HUD-funded program or activity retains its independence, and may continue to carry out its mission provided that it does not use direct Federal financial assistance to support or engage in any explicitly religious activities; an organization that engages in explicitly religious activities must separate those activities, in time or location, from activities supported by direct Federal financial assistance and participation must be voluntary; a faith-based organization that carries out programs or activities with direct Federal financial assistance from HUD must provide beneficiaries and prospective beneficiaries with a written notice of certain protections; beneficiaries and prospective beneficiaries may object to the religious character of an organization, upon which the organization must undertake reasonable efforts to identify and

refer the beneficiary or prospective beneficiary to an alternative provider; and an organization that receives Federal financial assistance under a HUD program or activity may not discriminate against a beneficiary or prospective beneficiary on the basis of religion, religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice. (See 24 CFR 5.109).

### **Procurement of Recovered Materials.**

State agencies and agencies of a political subdivision of a state that are using assistance under a Program NOFA for procurement, and any person contracting with such an agency with respect to work performed under an assisted contract, must comply with the requirements of Section 6002 of the Solid Waste Disposal Act. In accordance with Section 6002, these agencies and persons must procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired in the preceding fiscal year exceeded \$10,000; must procure solid waste management services in a manner that maximizes energy and resource recovery; and must have established an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Please to [this site for information on Section 6002](#).for requirements of Section 6002.

### **Participation in a HUD-Sponsored Program Evaluation.**

### **OMB Administrative Requirements and Cost Principles.**

Unless excepted under 24 CFR chapters I through IX, the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, set forth in 2 CFR part 200, shall apply to Federal Awards made by the Department of Housing and Urban Development to non-Federal entities. Applicants should be aware that if the total Federal share of your Federal award may include more than \$500,000 over the period of performance, you may be subject to post award reporting requirements reflected in Appendix XII to Part 200 Award Terms and Condition for Recipient Integrity and Performance.

### **Drug-Free Workplace.**

Recipients and subrecipients receiving funds from HUD are subject to [2 CFR part 2429](#), which implements the Drug-Free Workplace Act of 1988 (41 U.S.C. 701, et seq.), as amended, and

The statement must specify the actions that will be taken against employees for violation of this prohibition. The applicant must also inform the agency of any workplace changes during the performance of the award. The identification of the workplaces must occur either:
  - At the time of application or upon award; or
  - In documents the applicant keeps on file in its offices during performance of the award, in which case the applicant must make the information available for

inspection upon request by the agency.

Complaints from the public against FHIP grantees should be forwarded to the Grant Officer. The Grant Officer's name and contact information is provided in the grant agreement. If, after notice and consideration of relevant information, the Grant Officer concludes that there has been inappropriate conduct, such as a violation of FHIP requirements, terms or conditions of the grant, or any other applicable statute, regulation or other requirement, HUD will take appropriate action under 24 CFR § 84.62. Such action may include: written reprimand; consideration of past performance in awarding future FHIP applications; repayment to HUD of funds received under the grant; or temporary or permanent denial of participation in the FHIP under 24 CFR part 24.

**7. Corrections to Deficient Applications.** In order not to unreasonably exclude applications from being rated and ranked, HUD may contact applicants to ensure proper completion of the application, and will do so uniformly for all applicants. HUD may not seek clarification of items or responses that improve the substantive quality of an applicant's response to any rating factors or which correct deficiencies which are in whole or part of a rating factor, including items that impact the Preferred Sustainable Communities Preference Points. Applicants will have five business days from date of notification to submit the required documents to HUD. Applicants will be notified by fax and telephone about corrections to ensure notification.
