

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
WASHINGTON, DC 20410-5000

OFFICE OF PUBLIC AND INDIAN HOUSING

FEB 13 2017

Dear Executive Director:

Subject: 2017 Family Self-Sufficiency (FSS) Program Coordinator Funding

The Department is issuing this letter to help your agency prepare for the upcoming Fiscal Year (FY) 2017 Family Self-Sufficiency Notice of Funding Availability (NOFA) competition. Please review this letter carefully and share it with your FSS Program Coordinator(s), your Chief Financial Officer, and any other staff or individuals that work in the administration of your agency's FSS program, including the process of preparing and submitting FSS applications through Grants.gov. This letter is only applicable to you if your PHA was funded for FSS in FY14, FY15 or FY16 (see also the enclosed report.)

PIC Data:

Historically, HUD has used the number of FSS families in an applicant's FSS program to determine funding amounts for eligible applicants. The number of FSS participants has generally been based on Public and Indian Housing Information Center (PIC) data (which is obtained from PHA submission into the PIC system of information on the form HUD-50058 and HUD 50058 MTW). The number of FSS program participants shown in PIC includes enrollment, progress, and exit reports during the NOFA's target period. The PIC numbers have been made available as part of the NOFA for every eligible applicant. However, applicants have been allowed to submit documentation to correct the numbers reflected in PIC if the numbers in the report published with the NOFA are incorrect and the correct number would result in more funding.

Under the FY2017 FSS NOFA, HUD may rely solely on the numbers of FSS families in an applicant's FSS program that are reported in PIC and eliminate the possibility of submission of documentation to correct such numbers. To avoid any potential impact on their FSS funding in FY2017, PHAs should work diligently to ensure that the number of FSS families is accurately reflected in PIC. Resources have been made available to assist PHAs in ensuring that PIC submissions are accurate.

The FY2016 FSS NOFA states that HUD will publish a notice with guidance on reporting in PIC for FSS and require that PHAs correct their information in PIC, to be used for future NOFA competitions. Notice PIH 2016-08 was published on May 6, 2016 and provides detailed guidance to non-MTW PHAs on PIC FSS reporting requirements. A webcast on the provisions of PIH 2016-08 aired on August 12, 2016 and is available in the webcast archives on HUD.gov. As always, PHAs also may contact their local PIC coaches for additional assistance related to PIC. Also note that as of May, 2015, HUD established a set of warnings and fatal edits related to FSS PIC reporting. More information can be found on the following websites.

FSS PIC reporting instructions and webcast:

Enclosed is a preliminary report that shows the number of FSS families in each eligible applicant's FSS program. This report covers the period of 1/1/2016 – 12/31/16. Because PHAs have 60 days from the effective date of the action to complete the FSS PIC submission, this report is only meant to be a gauge that PHAs can use now to determine if PIC is accurately reflecting their FSS numbers. This will **not** be the final report used in the NOFA. The report that will be used for NOFA purpose will be pulled from PIC after March 3, 2017, which will be after 60 days from the end of the target period.

Please note that, as in previous NOFAs, MTW agencies and tribes/TDHEs may be allowed to submit corrections to the PIC report numbers and PHAs that serve PBRA residents may be allowed to submit a list of FSS participants in PBRA units to add to their PIC report numbers (as PBRA residents are not reflected in PIC).

Salary Comparability Information:

In the past, HUD has asked applicants to keep documentation on file demonstrating that the salary that they are requesting is comparable to local wages for similar professions. As you may have seen in the Paperwork Reduction Act (PRA) change Notice for public comment, the FSS Application form (HUD-52651) has been updated to require that you submit the salary comparability information as part of your application.

System for Award Management (SAM) and DUNS status:

Please also take a moment NOW to check your SAM and DUNS status and to ensure that you have the correct password. During the FY 2016 FSS competition, applicants were unable to successfully submit their application on time because of an expired SAM registration. Please note that SAM registration must be renewed and revalidated at least every 12 months from the date the applicant last certified and submitted the registration in SAM, and sooner if the applicant's information changes. Obtaining your SAM registration can take up to four weeks; therefore, your agency is encouraged to start this process or check your status immediately. For more information about SAM, please visit <https://www.sam.gov/portal/public/SAM>.

FY 2017 General Section Is Available Now:

Please be reminded that the FSS Program NOFA must be read in conjunction with HUD's FY 2017 General Section, as the General Section and the program NOFA comprise the full set of application submission instructions that are applicable to the program. The FY 2017 General Section is available at: https://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/grants/fundsavail/nofa2017/gensec.

If you have any questions concerning this letter, please contact FSS@hud.gov.

Sincerely,

Dominique G. Blom
Deputy Assistant Secretary for Public Housing
Investments
