SECTION A GENERAL

Following is a brief listing of maintenance-related resident responsibilities. Residents should:

- Keep their apartments and yards clean, neat, safe, and in sanitary condition;
- Get rid of trash in proper manner, using plastic bags for all trash, and not have garbage cans outside their apartments;
- Obey all rules about health and safety in the development;
- Move personal belongings out of the way when agency workers come to perform landscape maintenance duties;
- Not leave inoperable (junk) or abandoned cars on property;
- Not drive or park cars, trucks, motorcycles, or vans on lawns for any reason, nor allow visitors to do so.
