This letter obligates $144,586 of Operating Fund subsidy for the months of January through
February 2013. The amount of the interim obligation is based on this project’s initial calendar year
interim eligibility determination. For more information on the methodology used to establish both
initial subsidy eligibility and funding availability, please see

Please note that the initial interim eligibility for this project may vary from its final eligibility
determination. Revisions maybe made based on the approved FFY 2013 subsidy form. The

laws and regulations. By drawing down the funds obligated in this letter, you and your agency are
confirming agreement and compliance with all the terms and conditions of the Operating Fund
program. Further, a drawdown of these funds constitutes an agreement that the current estimated
eligibility and obligation is correct. The amount of your agency’s obligated funds is available
through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of
eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and
