Section 232	Log In
<ul style="list-style-type: none"><li>• <b>Office of Residential Care Facilities (ORCF)</b> - The ORCF administers the Section 232 loan program. Section 232 is an FHA-Insured loan product that covers housing for the frail elderly - those in need of supportive services. Nursing homes, assisted living facilities, and board and care are all examples of this type of housing (a project may include more than one type).</li><li>• <b>Section 232</b> - Section 232 may be used to finance the purchase, refinance, new construction, or substantial rehabilitation of a project. A combination of these uses is acceptable - e.g. refinance of a nursing home coupled with new construction of an assisted living facility.</li><li>• <b>Reengineered</b> - The program was re-engineered in 2008 to provide exceptional customer service, reduce processing time, and streamline operations to reduce risk to the FHA fund.</li><li>• <b>Asset Management and Lender Relations Division</b> – Tim Gruenes, Director The primary responsibilities of the Asset Management and Lender Relations Division of OHP are to service mortgages, monitor risk and minimize claims.</li></ul>	<p>User name <a href="#">Help with Logging in</a></p> <input type="text"/> <p>Password <a href="#">Forgot your password?</a></p> <input type="password"/> <p><input type="button" value="Log In"/></p> <p><i>In the IE Tools menu, please turn off <a href="#">Pop-up blocker</a> for this site.
