Welcome to the industry’s quick reference guide for the TRACS Manual Voucher Submission application. This guide provides step-by-step instructions on accessing and using the TRACS Manual Voucher application. This guide is intended for industry and Contract Administrators (CAs).

The Manual Voucher Submission application enables use of the Internet to submit voucher summaries to TRACS when the facility for submitting this information using the regular batch process is unavailable. This is not an alternative to batch submission in that special claims and miscellaneous accounting transactions are not supported by the Manual Voucher Submission application.

Owner/Agents (O/As) and Contract Administrators (CAs) who have previously been paid through TRACS may electronically submit their manual vouchers through the Internet to be reviewed and approved by HUD staff. If no vouchers have been previously paid through TRACS, the O/A or CA must request entry of the manual voucher by their HUD field office.

**Objectives**

By the end of this guide, you will be able to:

- Understand the background of the TRACS Voucher Processing System.
- Understand how to access, create, correct, and delete manual vouchers using the Manual Voucher Submission application.
**Overview**

When Payments was added to the TRACS Voucher Processing system in 1997, Housing made the decision that only one voucher would be accepted per contract per month. Any adjustments required to a voucher already submitted and paid would be carried forward to subsequent vouchers. The one voucher per month model has not covered all of the cases in which owners or management agents required payments.

There have been occasions when owners or management agents were unable to successfully submit both the vouchers and the supporting certifications to TRACS in time to avoid financial distress. In these cases manual payments have been approved, and they were paid directly from LOCCS. Whenever this occurred, there was no feedback to TRACS leaving a void in the payment history for the contract in TRACS. Housing now has the requirement to provide in TRACS for the entry of manual vouchers from the Intranet and Internet. This expansion of TRACS will virtually eliminate the need for manual payments through LOCCS for regular voucher payments.

**System Design**

The Manual Voucher Submission option will be displayed on the TRACS Internet Applications Main Menu. The link, called Voucher Submission, displays a Voucher Submission Menu with three option links: Correct an Existing Voucher, Create a New Voucher, and Delete a Voucher. Upon selecting one of the links, the system displays a Voucher Submission Query screen, and allows users to select Subsidy Type, enter Contract Number and/or Project Number, and enter a Voucher Date.
Security and User Access

Registration is required prior to gaining access to the Tenant Rental Assistance Certification System (TRACS) Internet applications. As these applications provide access to sensitive financial and personal information, security features have been implemented to ensure access is granted only to authorized entities/individuals. Only after registering in HUD’s Secure Systems, being added to the system, receiving a user ID, and being assigned a system role can an Internet user access TRACS Internet applications.

Further restrictions apply regarding system access for a specific property. Before permitting access to TRACS Voucher, Certification, and Tenant Unit Address data for a property, a user must be assigned to that property by the coordinator of the owning entity.

Each trusted business partner, or their authorized agent, interested in using these applications must first successfully complete a registration process with HUD. There are two types of TRACS Internet users: coordinators and users. In most cases coordinators perform only system administration functions. These functions include establishing their profile as a coordinator to TRACS or other systems, activating the user, assigning the user’s role and access to the applicable property. A user is someone other than the coordinator, either an employee of the owner or a third party, who has registered for a user ID from HUD and has been authorized to access TRACS Voucher and/or Certification data for a property (or properties) by the coordinator of the owning entity.

The following seven steps outline the registration process.

1. Coordinator(s) for a HUD trusted business partner submits an on-line registration application form for their coordinator user ID to HUD using HUD’s Secure Systems.

2. User(s) for a trusted business partner submits an on-line registration application form for their user ID to HUD using HUD’s Secure Systems.

3. HUD approves/denies application for coordinator registration and returns correspondence by mail to the CEO of the owning entity or the organization named in the registration application. The mailed response contains information necessary for coordinator registration in Secure Systems.

4. Coordinator logs into Secure Systems and establishes their profile as coordinator to TRACS and/or other systems.

5. After submitting their registration, user(s) notify the coordinator for the owning entity under which they registered.
6. The **coordinator** accesses Secure Systems, retrieves the user information, and assigns role(s) and property access rights for the user(s).

7. Authorized **user(s)** log-in to Secure Systems and access authorized information via the TRACS Internet application(s).

Once you are established as a coordinator or user, return to this guide for step-by-step instructions on using the TRACS Manual Voucher Submission application. Users can only correct, create or delete vouchers associated with the contract/project for which the user ID has been linked.
Accessing the Manual Voucher Option

Access the HUD Multifamily Secure Systems by entering the following URL in the Location field of your browser:

https://hudapps.hud.gov/HUD_Systems/

Note: Bookmark this site for quick future access!

To access TRACS Internet Query Applications:

1. Enter the URL displayed above, and the User Login screen displays.

2. Enter your User ID (User Name) and Password.

3. Click on OK and the Legal Warning screen displays.

   OR

Click on Cancel to enter a different User Name and Password.

Note: The User ID must be entered all in uppercase format and the password is case-sensitive. The User ID will be your M-ID assigned by Secure Systems.

5. Click on the Tenant Rental Assistance Certification System link, and the TRACS Home Page screen displays.

Listed below this heading are the links to Over/Under Payment Resolution, Voucher Detail Reports, Voucher Query, Voucher Submission, Certification Query, and Tenant Unit Address Query.
Creating Manual Vouchers

The TRACS Manual Voucher Submission application allows users to create manual vouchers online and submit to HUD for review and approval, if the voucher for the contract or project was previously paid through TRACS.

From the Voucher Submission Menu screen, click on the TRACS Menu link in the blue side bar to return to the TRACS Main Menu.

From the Voucher Submission Query screen, click on the Submission Menu link in the blue side bar to return to the Voucher Submission Menu.

To create and submit a manual voucher:

1. From the TRACS Main Menu, click on the Voucher Submission link, and the Voucher Submission Menu screen displays.

2. Select the Create a new voucher link, and the Voucher Submission Query - Create a New Voucher screen displays.
3. Select *Subsidy Type* from the drop-down list:
   - Section 8
   - Rent Supplement
   - RAP
   - Section 202 PRAC
   - Section 811 PRAC
   - Section 202/162 PAC

4. Enter *Contract Number* (for Section 8, 202 PAC, 202 or 811 PRAC).

5. Enter *Project Number* (for Rent Supplement or RAP).

6. Enter *Voucher Date* (MM/YYYY).

7. Click on **Submit**, and the **Voucher Submission Summary – Create a Voucher** screen displays.

The screen automatically displays contract information entered from a previously submitted voucher. If a voucher already exists for the voucher period entered, the system will display a message stating that the voucher for the contract and the voucher period entered already exists.

**When Subsidy Type is not = to Section 8, the following screen displays.**

2. were not very low income at the time they began to receive Sec. 8
When working with CA-administered contracts, the following section displays for CAs.

The **Voucher Submission Summary** screen is divided into sections. The top part of the screen, or header, displays information containing the *Contract Number* (for Section 8, PRAC, and PAC vouchers only), *Project Name*, *Project Number*, *Subsidy Type*, and *Voucher Date*. The main sections of the screen represent **Contract Information**, **General Occupancy Information**, **Payment Requested**, and **Owner’s Certification**.

For Section 8, the screen displays two additional sections: **Exceptions to Limitations on Admission of Lower-Income Families**, for sec. 8 contracts effective on or after 10/01/1981, and **Tenant Income Information**, for sec. 8 contracts effective before 10/01/1981. The *Management Agent’s Name* is automatically populated when entering the *Project Number*; however, this field can be edited. If the EIN has been associated with the *Management Agent Name* and stored in the database, it will also automatically display when entering the *Project Number* or *Contract Number*. This field can also be edited.

The section that will display for CAs only is **Additional Information for CA-Submitted Vouchers**.

&emsp;**Note:** All fields labeled with an asterisk are mandatory fields.

**Contract Information**

8. Edit *Management Agent’s Name* (if applicable).

9. Edit *Management Agent EIN Number* (if applicable).

Click on **Return to Voucher Submission Query** to return to the **Voucher Submission Query** screen.

⚠️ Note: Clicking on **Cancel** cancels the transaction and does not save the data.
Correcting Manual Vouchers

The TRACS Manual Voucher Submission application allows users to view and edit existing manual vouchers that have already been submitted through the manual voucher submission application, but have not been approved.

To correct manual vouchers:

1. From the TRACS Main Menu, click on the Voucher Submission link, and the Voucher Submission Menu screen displays.

2. Select the Correct an existing voucher link, and the Voucher Submission Query – Correct an existing voucher screen displays.
3. Select *Subsidy Type* from the drop-down list:
   - Section 8
   - Rent Supplement
   - RAP
   - Section 202 PRAC
   - Section 811 PRAC
   - Section 202/162 PAC

4. Enter *Contract Number* (for Section 8, 202 PAC, 202 or 811 PRAC).

5. Enter *Project Number* (for Rent Supplement or RAP).

6. Enter *Voucher Date* (MM/YYYY).

7. Click on [Submit], and the **Voucher Submission Summary – Correct Existing Voucher** screen displays.

The screen displays information previously entered when the voucher was originally submitted through the Manual Voucher Submission application.

<box>
Note: This function may not be used to correct vouchers submitted by batch process.
</box>

If the voucher has been submitted and approved, the screen displays a message stating that the voucher for the month entered has been approved for payment and cannot be corrected. If the voucher cannot be found based on search criteria submitted, the system displays a message stating the voucher was not found.
When Subsidy Type is not = to Section 8, the following screen displays.
