

Office of Multifamily Housing Pay for Success Pilot Listening Session

Title LXXXI of the Fixing America's Surface Transportation Act (Public Law 114-94) authorizes the Department of Housing and Urban Development (HUD) to establish a Pay for Success demonstration program wherein up to 20,000 assisted multifamily units can receive energy and water conservation retrofits without any additional government outlays. Under this program, HUD will execute budget-neutral, performance-based agreements in fiscal years 2016 through 2019 that result in reductions in energy or water costs in affordable multifamily properties assisted through the Section 8 Project-Based Rental Assistance, Section 202, and Section 811 programs.

Your organization is invited to designate two individuals to participate in a listening session on this program, which will be held on **Friday, April 8, 2016 from 1:00 to 4:00pm**. The purpose of this event is for HUD staff to get input from stakeholders as we prepare program requirements and guidance. The event is an opportunity for your organization to contribute your ideas and raise any questions you may have in order to make this program successful. Please note that aside from opening remarks, HUD will not be making presentations or providing training at this event.

The session is scheduled for Friday, April 8, 2016 from 1:00 p.m. until 4:00 p.m., with registration beginning at 12:30 p.m. The meeting will be held at the U. S. Department of Housing and Urban Development, 451 7th Street, SW, Washington, DC 20410. Please enter the building through the South Lobby (corner of 7th and E Streets Southwest) where you will be escorted through security to the meeting location. All attendees must have valid federal identification to enter the building.*

Please RSVP with the names of up to the two individuals who will participate by Monday, April 4, 2016, to MFCcommunications@hud.gov and include "Pay for Success Listening Session" in the subject line. You must provide the names of the individuals registering along with their date of birth and the last four digits of their social security numbers.
