SUBJECT: Interim Obligation Letter Public Housing Operating Subsidies
LOCCS/PAS Project No. SC00100001712D

Dear Mr. Cameron:

This letter obligates \$1,757 of Operating Fund subsidy for the month of January 2012. The amount of the interim obligation is based on this project's initial calendar year estimated eligibility determination. For more information on the methodology used to establish both initial subsidy eligibility and funding availability, please see

Please note that the initial estimated eligibility for this project may vary from its final eligibility determination. The program's total operating subsidy eligibility and funding amounts for all PHAs may change once all FFY 2012 operating subsidy forms and 2012 subsidy allocation adjustments have been processed. Therefore, the final proration level may vary from the interim proration level.

All funds must be used in accordance with the Annual Contributions Contract and associated laws and regulations. By drawing down the funds obligated in this letter, you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency's obligated funds is available through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.

LOCCS/PAS Project No. SC05600023512D

Dear Mr. Martin,:

This letter obligates \$35,831 of Operating Fund subsidy for the month of January 2012. The amount of the interim obligation is based on this project's initial calendar year estimated eligibility determination. For more information on the methodology used to establish both initial subsidy eligibility and funding availability, please see

Please note that the initial estimated eligibility for this project may vary from its final eligibility determination. Revisions may be made based on the approved FFY 2012 subsidy form and 2012 subsidy allocation adjustment. The program's total operating subsidy eligibility and funding amounts for all PHAs may change once all FFY 2012 operating subsidy forms and 2012 subsidy allocation adjustments have been processed. Therefore, the final proration level may vary from the interim proration level.

All funds must be used in accordance with the Annual Contributions Contract and associated laws and regulations. By drawing down the funds obligated in this letter, you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency's obligated funds is available through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.
