

Auditor User ID and UII Registration

Independent Public Accountant (IPA) Registration

Unlike a lender, auditors **DO NOT** access FHA Connection to register for a User ID. All auditors must access Secure Systems to begin the setup process for LEAP.

Step 1: Access Secure Systems by navigating to the following website:
https://portal.hud.gov/hudportal/HUD?src=/program_offices/public_indian_housing/react/online/onlineregistration

Step 2: From the main menu, select ‘Independent User’ from the list. (See Below)

Step 3: Fill out the registration form in its entirety and hit ‘Send Application’ at the bottom. The User ID (starting with ‘I’) will be sent to the auditor via email within 24 hours. The password will not be included in the package so the applicant must ensure that he/she remembers it from the application form.

Note: The auditor **IS NOT** registered for a **Unique IPA Identifier (UII)** at this time. To apply for a UII number, reference UII Registration in the next section.

Unique IPA Identifier- UII Registration

Only one UII number is generated per auditing firm. If the auditor already has a UII number, there is no need to apply for another.

Step 1: Once the applicant has received a User ID via email, he/she must contact the Application Coordinator at his/her client's office and provide the FHA Connection Application Coordinator the User ID that was emailed to him/her.

Step 2: The lender will use the ID to assign the auditor the role of IPA. This role allows the auditor to attest to the lender's financial report.

Note: *The auditor will not have the necessary access to apply for the UII number until the lender assigns the IPA role.*

Step 3: After the FHA Connection Application Coordinator has assigned the auditor the 'IPA' role, the auditor must login to Secure Systems. To access Secure Systems, go to <http://www.hud.gov/offices/reac/online/reasyst.cfm>. Under System login, click on Login here.
