***What's New:***

**Posted draft *Application through Endorsement* for Title II forward mortgages section of the new SF Handbook**

This draft section of the new SF Handbook consolidates all FHA Single Family requirements for application through endorsement into a single, authoritative source for FHA Single Family Housing Policy. Today's draft posting is the first phase of a multi-phased effort. **FHA welcomes feedback on this draft.**

At FHA, we are reinventing the manner in which we develop and communicate policy, and striving to communicate policy changes more regularly. This will allow us to provide regularly scheduled training and support to make working with FHA Single Family Housing easier.
