Upcoming System Updates from the Office of Lender Activities and

Program Compliance - Web Session

Join FHA's Office of Lender Activities and Program Compliance for a web-based information session on our new Lender Electronic Assessment Portal (LEAP). The Webinar PowerPoint presentation will be posted immediately following the session at www.hud.gov/lenders.

Session Overview

In this session, you will:

- Learn more about the new Lender Electronic Assessment Portal.
- **Find out** about upcoming changes to the Recertification process.
- Gain insight into the consolidation of Title I and Title II lender ID Numbers.

As part of this session, you'll have the opportunity to ask FHA staff questions about the upcoming changes.

Registration

You must register to attend this information session. Space is limited; registrations will be accepted on a first come, first served basis. We encourage organizations that plan to have multiple attendees to register one individual only, and participate in the session via group conference call.

Preparation

To ensure that we maximize the value and time of all attendees, we ask that you prepare in advance by reviewing Mortgagee Letter 2013-35 (Consolidation of Title I and Title II Lender Identification Numbers) and

previous issues of the Lender Insight newsletter, all of which are posted in the **What's New** section at www.hud.gov/lenders.
