Condominium Information Update

Form HUD-92561, Borrower’s Contract with Respect to Hotel and Transient Use of Property

In FHA INFO #13-42, posted July 19, 2013, the Federal Housing Administration (FHA) announced that all borrowers will be required to execute (sign and date) form HUD-92561, Borrower’s Contract with Respect to Hotel and Transient Use of Property; a copy of the executed form must be included in the case binder submitted for insurance endorsement – this includes loans insured under the Lender Insurance authority; and that submission of the executed form is applicable for all condominium loans using FHA-insured financing.

Based on feedback received from our industry partners regarding challenges complying with this requirement immediately, FHA has determined that it is appropriate to extend the implementation date. The implementation date will be announced by Mortgagee Letter at a future date with sufficient time allowed for compliance by lenders. This extension will also allow FHA to review this requirement and make necessary form changes.

FHA Connection Instructions – Entry of Information on the Condominium Project Maintenance Screen

If the condominium project application is approved using the instructions contained in FHA INFO #13-42, the DELRAP reviewer or the HUD staff reviewer must enter the following statement in the HOC Internal and Sharable Comments boxes in FHAC on the Condominium Project Maintenance screen.

“The HOA Board provided a statement affirming that there are no units within the project currently rented for less than 30 days and/or pursuant to the lessor providing hotel-like services. The loan file submitted for endorsement must contain the required FHA Originating Lender statement. This statement must be included in all condominium files submitted for endorsement, including condominium loans insured under Lender Insurance authority. Reference FHA INFO #13-42 dated 7/18/13.”
