FHA SINGLE FAMILY HOUSING

NEWS

NEWS AND UPDATES

TO: All FHA-Approved Mortgagees

The Office of Lender Activities and Program Compliance (OLAPC) is excited to publish the third edition of our newsletter, *Lender Insight*. This issue focuses on lenders' annual recertification and includes information on recertification process changes, filing deadlines, annual renewal fees, and more. This issue also contains the Quarterly Loan Review Findings Report for the quarter ending September 30, 2013, as well as information on updates to FHA's lender self-reporting policies, civil money penalty increases, and recent enforcement actions.

The goal of *Lender Insight* is to offer insight to FHA lenders about what we see behind the scenes in lender approval, recertification, monitoring and compliance, and enforcement actions. Each issue contains core information designed to help our lenders better understand the trends we are seeing. The newsletter is distributed to readers via FHA's Single Family Housing News listserv. If you would like to receive the newsletter, but are not on the list, please visit [SFH News](#). **Issue #3 is attached for download.**

NEW! Effective January 2014, past editions of *Lender Insight* and our Quarterly Loan Review Findings Report will be available on our lender page at www.hud.gov/lenders under the "Performance" tab.
