Policy Change for Prospective Home Equity Conversion Mortgages Related to Due and Payable Status

Today, the Federal Housing Administration (FHA) published Mortgagee Letter 2014-07 that amends the Home Equity Conversion Mortgage (HECM) program policy to provide for a deferral of the due and payable status at the death of the last surviving mortgagor for an eligible Non-Borrowing Spouse. The policy is prospective only and changes will be effective only for case numbers assigned on or after August 4, 2014.

FHA will host an overview briefing conference call for HECM-approved originators, servicers, counselors and other industry participants to review the operational information in this Mortgagee Letter. Further information concerning this overview conference call is included below.

Additional Information

Mortgagee Letter 2014-07 uses the authority granted to the Department of Housing & Urban Development (HUD) in the Reverse Mortgage Stabilization Act of 2013 to amend certain FHA HECM program requirements by notice.

As noted in the Mortgagee Letter, multiple sections of HUD’s regulations and FHA’s HECM Handbook 4235.1 are amended with the publication of this Mortgagee Letter. The Mortgagee Letter is published on HUD.gov at http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/hudclips/letters/mortgagee.
