CANCELLED: August 21, 2015 Industry Briefing Conference Call

Due to scheduling conflicts, The Federal Housing Administration (FHA) **is cancelling** its August 21, 2015 Single Family Access to Mortgage Credit Update industry briefing conference call announced yesterday via FHA INFO #15-64.

This call will be rescheduled at a future date. FHA regrets any inconvenience this cancellation has caused to those who planned to attend.

Attend the SF Handbook's "Servicing and Loss Mitigation Section: An Overview of Key Changes" Webinar

The Federal Housing Administration's (FHA) recent addition of the *Servicing and Loss Mitigation* section to its *Single Family Housing Policy Handbook* (SF Handbook; HUD Handbook 4000.1) becomes effective on March 14, 2016. FHA Servicers can start preparing now by attending FHA's live webinar, "Servicing and Loss Mitigation Section: An Overview of Key Changes."

Hosted by policy experts from FHA's National Servicing Center, this live webinar session is being offered on two different dates, and can be viewed right from your desktop. The webinar covers the *Servicing and Loss Mitigation* section's structure and format, and the key policy revisions contained within the following sub-sections:

- Servicing of FHA-Insured Mortgages;
- Default Servicing – Programs and Products; and
- Servicer Tier Ranking System II.
