

Servicers Receiving FY12 Q1 Scorecard Announcement Letters

In order to be scored, a mortgage servicer must meet the following criteria: 1) Approved to service single family loans, 2) Has a delinquent portfolio of 5 loans or more as reflected in Neighborhood Watch for the last month in the scoring quarter. If your company is not on this list, look in Neighborhood Watch to determine how many delinquent loans your company presently services and look in FHA Connection to determine if your company is approved to service single family loans.

If your company is not on this list and you believe it should be, please email sfdatarequests@hud.gov.
