

Addressing Crime in Choice Neighborhoods

November 28, 2012

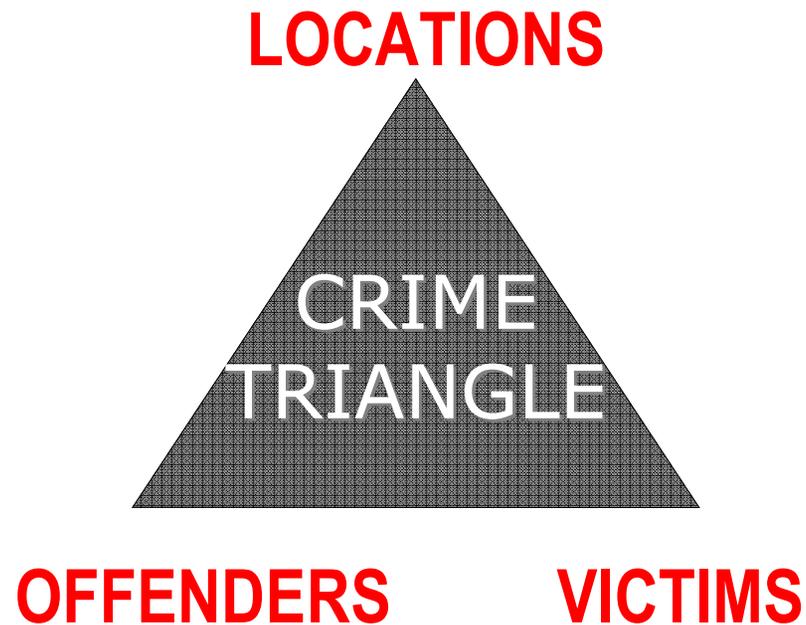

Where LISC Works

● 30 urban programs ● Rural LISC partners in 31 states

Crime Triangle

Center for Problem Oriented Policing ~ www.popcenter.org

Addressing crime in Choice Neighborhoods

Core principles:

- ❑ We all own the crime problems.
- ❑ We will analyze the problems and select strategies together.
- ❑ We will hold each other accountable for results and course correct as needed.
- ❑ We will look for ways to “create safety” in every aspect of our plan.

Community Safety Resource Center

www.lisc.org/csi

- ❑ **Case studies of community-police partnerships**
- ❑ **Expert papers on crime displacement, community prosecution, handling police transfers and more**
- ❑ **Templates and tools such as safety audits, community impact statements for court hearings, sample agendas for problem-solving meetings, partner MOUs.**
- ❑ **Peer exchange**
