Overview of the Single Family Loan Sale (SFLS) Program, Neighborhood Stabilization Outcome (NSO) Process and Loan Eligibility through Bid Day

Purpose and Objectives of SFLS and NSO

Single Family Loan Sale Program Background

- The SFLS Program was instituted in 2010. Under this program, FHA can accept assignment and sell distressed mortgages, prior to foreclosure and property conveyance to FHA, thereby avoiding costly and potentially lengthy foreclosures. Through the SFLS Program and other FHA non-foreclosure options (e.g., Claims without Conveyance of Title and Pre-foreclosure sales), FHA can assess distressed insured loans to determine the best means of proceeding with the insurance claim where loss mitigation is not successful in modifying or bringing a loan current.

- The SFLS Program maximizes recoveries to the MMI Fund, reduces claim costs, minimizes the time that assets are held by FHA, and helps keep borrowers—otherwise headed to foreclosure—in the home. The SFLS Program also serves as part of FHA’s effort to target relief to areas experiencing high foreclosure activities. For successful purchasers (Purchasers), the program is an opportunity to acquire assets at competitive prices with the flexibility to service the assets while providing borrowers an opportunity to avoid costly foreclosures. The program is meeting financial goals as the amounts offered for these assets are steadily rising as volume has increased in recent years.

Distressed Asset Stabilization Program (DASP) Background

- Under the Distressed Asset Stabilization Program (DASP), loans are segregated into two types of pools: the National/Regional pools; and the NSO pools, which are secured by properties in a limited geographic area and have specific servicing requirements designed to encourage outcomes that help stabilize neighborhoods.

- Purchasers of NSO pools are required to achieve neighborhood stabilizing outcomes on no less than 50% of the loans in each NSO pool they purchase. These acceptable outcomes include re-performance, rental to a borrower, gift to a land bank, or a loan payoff.

- By adding the NSO component to the SFLS Program, the Program strengthens its strategic focus on community stabilization.

- The NSO post-sale requirements encourage investment in communities hit hardest by the foreclosure crisis to stabilize neighborhoods. Purchasers of NSO pools are required to achieve NSO’s, as defined in the sale documentation, with respect to at least 50 percent of loans within four years.

- As shown above, recent NSO pools included approximately 18,000 loans totaling $3.2 billion in UPB, with approximately 4,000 loans totaling $695 million being sold in 2014 Q3. The geographic locations of the NSO pools offered in each sale are also provided below.

How to Become a Qualified Bidder

An Eligible Bidder is a person or entity that has:

1. Submitted to HUD a completed and executed Confidentiality Agreement that is in form and substance acceptable to HUD at HUD’s sole discretion;

2. Certified that it is qualified to bid, by submitting to HUD a completed and executed an NSO Qualification Statement that is in form and substance acceptable to HUD, at HUD’s sole discretion; and

3. Submitted to HUD a completed and executed Bid Terms Acknowledgment Form, along with any other required documentation, agreeing to be bound by certain terms upon submission of a Bid. This information will be provided in a Supplement to this Bidder Information Package.
Financial Capacity Requirements

- Bidder is a corporation, partnership, limited liability company, or business trust with a net worth in excess of $5,000,000 determined in accordance with Generally Accepted Accounting Principles.

- Asset Manager / Property Manager and/or its holding companies have a net worth in excess of $500,000.

- To be qualified to bid on the NSO pools, Bidders must also demonstrate their qualifications in the areas of Default Servicing, Asset Management, and Property Management, as described later in the presentation.
NSO Requirements

1. A loan must meet all requirements in the Conveyance, Assignment AND Assumption agreement (CAA) in order for it to be reported in a “Final” NSO category.

2. For a loan to be reported in a “planned” NSO category, Purchaser must have a plan to execute the NSO.

3. A “Final NSO: Mortgage Loan Re-Performance” category requires six months of consecutive on-time payments on an un-modified or permanently modified loan.

4. A “Final NSO: Held for Rental” requires the Purchaser take title to a property and holds it as a rental for a 3 year period beginning on the first lease date, or the end of the 4 year Post-Sale Compliance Period, whichever occurs first.

5. For the Held for Rental and Short Sale outcomes, an asset may not qualify as an NSO if the property was listed for sale or marketed as an REO at any time.

6. Purchasers must retain documentation verifying that loans qualify as NSOs for 2 years after the Post-Sale Compliance Period (see the CAA).

7. The tables provided below contain information from the Data Dictionary on data fields from the loan by loan (LBL) Data Template applicable to reporting on NSO loans.
## NSO (1): Mortgage Loan Re-Performance

<table>
<thead>
<tr>

| Requires 6 months of consecutive on-time payments on an unmodified or permanently modified loan. Payments on trial payment plans do not count towards the 6 month requirement unless:  
  • The mortgage has been permanently modified; and  
  • The terms are the same or better as the terms of the trial payment plan. 
  Once re-performance has been achieved, its future performance or disposition will not affect Purchaser’s receipt of NSO credit. | Purchaser must retain payment histories documenting Mortgage Loan Re-performance to support each such NSO. Once Mortgage Loan Re-performance has been achieved, Purchaser shall continue to maintain performance information concerning:  
  • Any Mortgage Loan in Purchaser’s portfolio; and  
  • The disposition of any Mortgage Loan no longer held by Purchaser. |
NSO (2): Sale to Owner Occupant

| Purchaser must take title to property and hold it as a rental unit until the earlier of:  
• Expiration of a 3 year period beginning on date it is first leased; or  
• Expiration of the Post-Sale Compliance Period.  
Purchaser must actively market and manage the property as a rental unit at all times during the period the property is designated as Held-for-Rental.  
Purchaser must ensure the unit meets and complies with:  
• Applicable local code requirements;  
• Minimum Property Standards; and  
• Requirements under federal, state and local property rental and management laws.  
A sale to an owner occupant does not qualify as an NSO if the property was listed for sale or marketed as an REO at any time. | Purchaser must retain fully executed leases for each Held-for-Rental NSO.  
For any Held-for-Rental unit that remains vacant for a period in excess of ninety (90) days during the Post-Sale Reporting Period, Purchaser’s Post-Sale Reports must include an explanation of the extended vacancy.  
Purchaser must retain documentation necessary to support the Purchaser’s inability to lease the unit.  
Such documentation must either:  
• Demonstrate Purchaser’s active marketing of the rental unit; or  
• Support the extended vacancy as a result of necessary rehabilitation being undertaken on the property where the extended vacancy period is the result of rehabilitation and repair of the rental unit. |

Non-Neighborhood Stabilization Outcomes

The following are not qualifying outcomes:

- Foreclosure or deed-in-lieu resulting in an REO sale or the listing or marketing of the property for sale;

- Foreclosure or deed-in-lieu resulting in the transfer of title and possession to the Purchaser without one of the following:
  - Subsequent occupancy of the property by a rental tenant; or
  - Short-sale to a non-owner-occupant.

- Sale of a Mortgage Loan, unless the Mortgage Loan has Re-Performed as defined.

- Any other non-Neighborhood Stabilizing Outcome.
Bidder Capabilities and Approach

To determine that NSO bidders are qualified to achieve the neighborhood stabilization outcomes, Bidders must provide narratives in the following three areas, which are reviewed and scored as follows:

What does HUD want to see?

**Factor 1: Default Servicing**

- Quantity and dollar volume of existing delinquent loans
- Quantitative information and data related to the geographic area served
- Strategies for sustainable modification and non-foreclosure disposition of delinquent loans
- Ability identify payment problems at an early stage
- Identified strategies for success (e.g. forbearance plans, workout plans, modifications, deed-in-lieu, foreclosures, short sales, short refinancings, short payoffs, and deeds-for-lease, etc.)
- Present quantitative data to support your historical success
- Track record of proactive outreach and success in obtaining re-performance and non-foreclosure outcomes
- Creative strategies and quantitative data to support the strategies
What does HUD want to see? (continued)

Factor 2: Asset Management Capacity

- Quality track record for asset management for 2+ years
- Professional, capable staff and corporate expertise in asset management of scattered single family rental and small multifamily
- Evidence of proactive asset management strategies

Factor 3: Asset Management Approach

- Feasible business plan to achieve the desired neighborhood stabilization outcomes
- A viable financing plan with funding sources and assumptions for property rehabilitation
- Quality control and oversight for proactively managing risk
- Innovative strategies for keeping owner occupants in the homes
- Business processes for completion of critical tasks
What does HUD want to see? (continued)

Factor 4: Property Management Capacity

- Experience providing property management to similar type and scope of properties
- Necessary skills and resources to manage a similar type and scope of properties in the requested areas
- Sufficiency of property management tools — software for capturing property management tasks

Factor 5: Property Management Approach

- Leasing management and tenant relations
- Local engagement with particular area needs, companies, and neighborhoods
- System for reporting on existing portfolio: budget reports, repairs, finances, tenant information
- Process for ascertaining and completing necessary repairs and rehabilitation of properties

Due diligence on loan file information within the Aggregate Loan Database (ALD)

- The ALD is provided for each Mortgage Loan and is comprised of two spreadsheets for each individual and aggregate Mortgage Loan Pool.

- The ALD includes information on each Mortgage Loan obtained by HUD from the Participating Servicers unless otherwise noted in the ALD Data Dictionary.

- The information in the ALD may be updated prior to the Bid Date as part of Bidder Information Package Supplement(s) and to the extent additional information becomes available.
Due Diligence

- To assist Bidders in the preparation of their Bids, HUD identified, compiled and obtained from the Participating Servicers, the Due Diligence Materials for each Mortgage Loan.

- HUD’s compilation of Due Diligence Materials consisted solely of data accumulation and did not include any credit underwriting.

- Bidders must be registered with HUD to review the Due Diligence Materials. Once prospective bidders have completed the eligibility process, they may review the Due Diligence Materials for which they are eligible on the Transaction Specialist’s secure website.

- The Due Diligence Materials will be available to Bidders electronically through Bid Day. Bidders should expect to experience different speeds at which they access information depending on the quality of their internet access. Electronic access is available 24 hours a day, 7 days a week.
Due Diligence Materials

- The Due Diligence Materials include the following, where available:
  - ALD;
  - Current BPO for each Mortgage Loan;
  - Loan Payment Histories;
  - General Loan Comments; and
  - Mortgage Loan Files.

- The ALD includes information on each Mortgage Loan obtained from the Participating Servicers and BPO providers by HUD, and provides a recent Fair Isaac Corporation (“FICO”) credit score where available. The information in the ALD may be updated as part of the Bidder Information Package Supplement(s) prior to the Bid Date as and to the extent additional information becomes available. The BPOs are further described in the subsection below.

- The Loan Payment Histories and General Loan Comments will include historical payment information and general loan servicing information for the most recent 36 months, where available, obtained from the Participating Servicers by HUD.
Broker’s Price Opinion

- Any BPO Dates that are missing will be provided in a Supplement to this Bidder Information Package, if received. Current BPOs are ordered by the Participating Servicers on all of the Mortgage Loans in the Sale.

- Each BPO provides a detailed description of the subject property and related information on comparable properties. Additionally, the BPOs provide a description of the neighborhood, a color photograph of the subject property, an estimated market value assuming an orderly sale, an estimated market value assuming a quick sale, and sales data on comparable properties. Some of the BPO information is available in the ALD.

- Information provided with regard to the BPO reports may not be accurate or complete. BPO reports are subject to change, and may be updated prior to the Bid Date. Revised BPO reports will be posted to the Transaction Specialist’s website as applicable. A complete list of the revised BPO reports, if any, will be provided in a Supplement to this Bidder Information Package.

What is a Bid?

- A Bid is an offer to purchase all of the assets in an individual Mortgage Loan Pool. Bidders may submit Bids on any of the individual or multiple Mortgage Loan Pool(s).

- A Bid is an offer to purchase all of the assets in an individual or aggregate Mortgage Loan Pool. Bidders may submit Bids on any of the Mortgage Loan Pools for which they are qualified to bid.

- The Maximum Bid represents the highest total amount bid on all Mortgage Loan Pools by a single Bidder.
Bid Terms

Bid Terms

- Each Bidder is solely responsible for, and bears the risk of, the proper completion, submission and delivery of its Bids, including any and all related documentation for the Bid. Neither HUD, nor any of its affiliates, officers, directors, partners, employees, contractors, subcontractors, or agents accepts any responsibility for: (i) mistakes in the completion or submission of any Bid or (ii) any undelivered Bid or any Bid delivered early or late (regardless of whether the inability to submit a Bid within the timeframes specified is due to communications failure or speed).

Assigned Bid Percentage

- Assigned Bids are to be greater than or equal to zero (no negative Assigned Bids or Assigned Bids currently in excess of 200% will be accepted), expressed as a percentage carried to one hundred thousandth of one percent, and represent the percentage of UPB to be paid for each Mortgage Loan. The sales price is the result of multiplying the UPB for each Mortgage Loan in the Mortgage Loan Pool by the Bid Percentage. At Settlement the final sales price will be computed from the UPB at the time of Claim Payment.

Bid Date / Time

- Currently, Bids may only be submitted online via the Transaction Specialist’s website during the period from 10:00 a.m. through 1:00 p.m. on Bid Day. Detailed bidding instructions will be provided in a Supplement to this Bidder Information Package.

- No Bids can be submitted before 10:00 a.m. or after 1:00 p.m. on the Bid Date.
Bid Procedures

Bid Date

Currently, Bids will be accepted only during the period from 10:00 a.m. to 1:00 p.m. on Bid Day.

Form of Sale

Sealed bid competitive auction.

Eligible Bidder

Bids will be accepted only from HUD-approved persons or entities that have completed, executed, and submitted a Confidentiality Agreement, Qualification Statement, Bid Terms Acknowledgement Form, and have submitted a Bid Deposit.

Supplements to the Bid Package

Supplements to this Bidder Information Package will be posted from time to time on the Transaction Specialist’s website. Bidders will be required to acknowledge receipt of such Supplements on bid day in the Bid Terms Acknowledgement Form.
Bid Deposit

- Bidders will be required to wire transfer a deposit equal to the lesser of $5,000,000 or 10% of the Bidder’s Maximum Bid as defined above. Upon notification of the winning bid(s) by HUD, Bidders will be required to wire transfer an additional deposit equal to the difference, if any, between the Bid Deposit and 10% of aggregate winning bid(s) prior to HUD awarding the winning bids.

- Fifty Percent (50%) of the Bid Deposit will be used to offset the Sales Price on the First Settlement Date and fifty percent (50%) of the Bid Deposit will be used to offset the Sales Price on the Second Settlement Date.

- The Bid Deposit may be received the day before Bid Day and must be received prior to 1:00 p.m. on Bid Day.

- Any Additional Deposit must be received by 1:00 p.m. on the next business day following the Bid Date.

- The Bid Deposit and Additional Deposit must be in the form of immediately available funds and sent in accordance with the Wire Transfer Instructions that will be included in a Supplement to this Bidder Information Package.

- Bidders will not be paid interest or earnings on their Bid Deposits or Additional Bid Deposits. If a Bidder increases its Bid in connection with a Best and Final Bid, HUD reserves the right to require that the Bidder increase its Bid Deposit within a time frame specified by HUD.

- Non-winning Bidders’ deposits will be returned on a timely basis.
Bid Award

• It is anticipated that awards will be made on or about one business day after Bid Day. The winning Bidder shall be identified as the Purchaser (as defined in the CAA). HUD will attempt to first notify the Purchaser(s) by telephone and will confirm its acceptance of one or more of the Bids by email of a Bid Confirmation Letter on the Award Date. An original Bid Confirmation Letter will be sent to each Purchaser by either certified mail, return receipt requested, or overnight courier. Each Bid Confirmation Letter will identify the Mortgage Loans that the Purchaser has been awarded and the amount of the Bid Deposit being held on account for the Purchaser.

• A Purchaser’s Deposit, up to the amount of the Sales Price for the Pool(s) awarded to the Purchaser, is not refundable. Fifty Percent (50%) of the Bid Deposit will be used to offset the Sales Price on the First Settlement Date and fifty percent (50%) of the Bid Deposit will be used to offset the Sales Price on the Second Settlement Date.
Claim Date

- The Claim Date for each Mortgage Loan in the Sale is the date on which the Participating Servicer is paid the FHA Insurance Claim by HUD. This is the effective date on which HUD sells, transfers, assigns, sets over and conveys to Purchaser all rights, title and interest of HUD in and to the Mortgage Loan as set forth on Schedule I to the CAA for such Mortgage Loan.
Closing Instructions

Settlement Dates

- HUD will schedule Settlement Dates with Purchaser(s).

Settlement Statements

- No later than two (2) Business Days prior to each Settlement Date, HUD shall provide Purchaser(s) with a written Settlement Statement identifying the Settlement Date and the amount due on the Settlement Date as described in the CAA.

Mortgage Loan Payments

- Payments received by the Participating Servicers from any mortgagor after the Claim Date will be allocated to the Purchaser in accordance with the terms of the CAA.

Settlement Date Payment

- Settlement Date Payments will be accepted from 9:00 a.m. through 1:00 p.m. on the applicable Settlement Date. The Settlement Date Payment must be in the form of immediately available funds and sent to HUD in accordance with the instructions contained in the Settlement Statement.
Collateral Files

- Within ten (10) Calendar Days after the Settlement Date, the Participating Servicer is required to deliver to the Purchaser a complete Collateral File for each of the Mortgage Loans sold to Purchaser pursuant to Section 2.01 (a) and (b) of the CAA on such Settlement Date.

Mortgage Files

- The Mortgage Files will be provided to Purchasers as provided in the CAA.

Recordation of Assignments of Mortgage

- For Mortgage Loans not registered in the Mortgage Electronic Registration System ("MERS"), Purchaser (at its expense) shall utilize the Limited Power of Attorney to endorse from HUD to Purchaser the original Notes and deliver or cause to be delivered the Assignments of Mortgage for recordation within thirty (30) days after receipt in accordance with the provisions of the CAA.
Post Sale Servicing Requirements

- The Mortgage Loans must be serviced by a servicer that is either an FHA-approved mortgagee and/or a Fannie Mae or Freddie Mac approved servicer.

- All of the Mortgage Loans will be sold servicing released. The Purchaser(s) will be responsible for servicing via the Interim Servicer the Mortgage Loans from the Claim Date. Pursuant to the terms of the CAA, the Purchaser(s) shall be required to avoid finalizing any foreclosure action for six months from the applicable Settlement Date for each Mortgage Loan that is owner occupied unless there are extenuating circumstances.

- For loans where a foreclosure is completed prior to the end of the six-month period, the Purchaser shall report reason(s) for the foreclosure as part of the Post Sale Reporting Requirements as specified by HUD. Purchaser shall provide a self-certification regarding compliance in the format specified by HUD with the first two Post-Sale Reports.

- The Mortgage Loans are currently being serviced by the Participating Servicers. They are responsible for data collection and maintenance on all of the Mortgage Loans. Billing, collection of payments, and data file management functions are also handled by the Participating Servicers.

- On the First Settlement Date the Purchaser(s) will enter into interim servicing agreements with the Participating Servicers. Following the Claim Date the Participating Servicers shall continue to service the Mortgage Loans until the Servicing Transfer Date on behalf of the Purchaser(s).

Bayview Asset Management, LLC

- Bayview Asset Management, LLC ("BAM") is a full service mortgage investment firm with expertise in the analysis and management of distressed and performing mortgages.

- Bayview Loan Servicing ("BLS") is a wholly owned subsidiary of BAM and maintains high ratings for special servicing (one of only two active residential special servicers to receive S&P’s highest rating level).

- BLS has approximately 1,300 employees in five main locations across the United States servicing nearly 125,000 commercial and residential loans with a UPB of over $26 billion as of September 30, 2014.

- Using a principal mindset, BLS’s strategy focuses on working with customers to avoid foreclosure and drive home retention:
  - We believe BLS has the lowest number of loans per full-time-employee (FTE) in the industry – ranges between 80-120 (97 as of September 30, 2014) – and that allows for the level of high-touch servicing needed to achieve high contact and treatment rates.
  - Variety of modification programs including HAMP and supplemental programs with extensive use of principal reduction.
  - Since 1999 we have conducted over 7,000 servicing transfers.

Introducing Speed Networking and General Remarks

3:15 – 3:30

John Lucey, Director of Asset Sales
Genger Charles, Acting General Duty Assistant Secretary for the Federal Housing Administration
Genger Charles

- Genger Charles currently serves as the Acting General Duty Assistant Secretary for the Federal Housing Administration. In this role she oversees the operations of the FHA and advises the Commissioner and the Secretary of HUD on legislative, regulatory and operational issues in the areas of Single Family, Multifamily, Healthcare and Housing Counseling. Prior to this Genger was the Chief of Staff to the FHA Commissioner serving as a liaison between FHA and congressional, industry, and community stakeholders and overseeing all communications functions for the Office of Housing.

- Genger previously worked at the Mortgage Bankers Association (MBa) as an Associate Director of Public Policy, assisting in the development and implementation of MBa’s strategy on legislative, regulatory, and industry issues related to residential government lending as well as secondary and capital markets. While employed with the Office of Congressional and Intergovernmental Relations at HUD, Genger provided counsel and advice on congressional action impacting the Department, with a focus on the Federal Housing Administration (FHA), housing finance reform, the Dodd-Frank Wall Street Reform Act, housing counseling, Departmental appropriations, foreclosure prevention and the Neighborhood Stabilization Program (NSP). Genger also served as legal counsel to the Office of Single Family Programs at HUD, working on matters related to loan origination, housing counseling, loss mitigation, and home equity conversion mortgages (HECMs).

- Genger earned a Bachelor of Science in Policy Analysis and Management from Cornell University and is a graduate of The George Washington University Law School. During law school she worked as a law clerk for the U.S. Department of Justice Antitrust Division as well as the Senate Judiciary Committee and at the lobbying firm Dutko Worldwide. She was also part of the inaugural class of the President’s Leadership Workshop, a program created by President Obama.

Post Sale Reporting

Post Sale Reporting Introduction

- HUD and the Asset Sales Office (ASO) would like to thank Purchasers for participating in HUD’s Single Family Loan Sale (SFLS) Program and providing timely and comprehensive post-sale reporting.
- The post-sale reporting provides transparency for taxpayers and other stakeholders and assists HUD in designing program refinements.
- The post-sale reporting requirements are included in Section 2.09 and Exhibits B-1, B-2 and B-3 of the Conveyance Assignment and Assumption Agreement (CAA) between HUD and the Purchasers.
- Periodic updates to the post-sale reporting will be posted to: http://portal.hud.gov/hudportal/HUD?src=/program_offices/housing/comp/asset/sfam/sfls under the Purchaser Post-Sale Reporting section.
- Questions on post-sale reporting can be directed to the ASO at 800-481-9895 or via e-mail to assetsales@hud.gov.
• This Training provides Purchasers with the following:
  • General guidance on post-sale reporting; and
  • Information on the requested reporting schedule and format to use for future
    reporting on all loans purchased to date.

• The post-sale requirements have evolved over time including:
  • Quarterly reporting versus semi annual reporting previously;
  • Standardized versus individualized reporting schedule; and
  • Updated reporting codes and new reporting fields.

• The guidance that follows reflects the latest reporting requirements.
Liquidated Damages for Non-NSO Dispositions in excess of Non-NSO threshold (50%) may be assessed in HUD’s sole discretion.

For Non-NSO Dispositions exceeding threshold by no more than 10%:

- For each loan disposed of in excess of the allowable threshold, HUD may require Purchaser to remit up to the Net Sales Proceeds from the sale.
- Net Sales Proceeds is the difference between Purchaser’s Sales Price for the loan and the gross sales proceeds from the subsequent purchaser.

Where the sale of a non-NSO property/loan subject to the damage provision is not an arms-length transaction, or where the non-NSO Disposition is in excess by 10% or more than the allowable threshold, HUD may require Purchaser to remit to HUD up to the greater of:

(i) Gross sales proceeds from the subsequent purchaser from such sale; or
(ii) Fair Market Value as of the date of sale as determined by an appraisal by a HUD-approved Appraiser or other valuation method approved by HUD.
In order to conform reporting dates for all sales HUD requests that Post-Sale Reports be submitted quarterly through the applicable final reporting period in accordance with the schedule below. Reporting is due on the first business day of the month.

Data Reporting Templates - Overview

- Purchasers are required to submit two or three Data Reporting Templates depending on the type of pools purchased.

- Purchasers are required to include all loans they settled, including loans that were repurchased (reporting allows purchasers to indicate repurchased loans)

- The three templates are included as separate worksheets in the Excel file of Post-Sale Reporting Templates attached below:
  - LBL Data on the status of the sale portfolio (Part I – All pools, all loans);
  - LBL Data on the Reasons for Foreclosure during the 6 month foreclosure avoidance period (Part II- All pools, applicable loans only); and
  - NSO Summary Table (Part III - NSO pools only, all loans).

- A Data Dictionary describing the reporting fields and acceptable reporting codes is also included as a separate worksheet in the attached Excel File.

- Do not provide separate reporting on Associated Partial Payment of Claim (PPC) Loans (junior lien loans transferred with the senior lien loan.)
Certification Form Templates- Overview

- Purchasers are required to submit two or three Self-Certification Forms, depending on the type(s) of pools purchased.
- The templates are included in the two Word files of Self-Certification Form Templates attached below. There is one file for National/Regional pools and one for NSO pools:
  - Servicer Eligibility (National/Regional pools only);
  - Servicer and Asset Management Eligibility (NSO pools only); and
  - Foreclosure Avoidance (All pools – the same form is included in both files and is required only for the reports covering the first 6 months)
The Data Dictionary provided includes codes to be used for different required data elements. Data Dictionary Codes are important so that uniform reporting can be prepared for policy analysis and decision making.

- Note that using other data codes will result in non-compliant reporting.

Recent additions have been made to the LBL data and Data Dictionary:

- New Loan Status Category:
  - FB: Forebearance

- New LBL Data Fields for all loans: LOAN SECURITIZED? Indicates if the loan was securitized by the Purchaser (Yes or No)

- New LBL Data Fields for NSO loans:
  - Initial Date of NSO: The date marking the first day in which the loan qualified as final for the reported NSO Category.
  - Marketed as REO: Since the purchaser took ownership of the mortgage, has the property been listed for sale or marketed as an REO at any time?

- New Column in the Data Dictionary: Special Notes provides additional guidance for certain fields
The tables below, applicable to all loans, provide information from the Data Dictionary on data elements from the LBL Data Template that require additional explanation. (Note: If loans were securitized by the Purchaser, continue to provide all of the reporting data.)

NSO Reporting Differences - Summary

- For loans in NSO pools, three additional data fields are required to be populated in the LBL Data worksheet of the Data Reporting Template:
  - NSO Category - Column G
  - Initial Date of NSO - Column H
  - MARKETED_AS_REO - Column I

- For each sale a NSO Summary Table must be provided for the NSO pools purchased:
  - The NSO Summary Table worksheet is in the Data Reporting Templates file provided in Slide 9 above.

- The Self-Certification Form entitled “Servicer and Asset Management Eligibility Provision” is used for NSO loans versus the one entitled “Servicer Eligibility Provision” for National/Regional pools.
  - The NSO Self-Certification Forms are in the NSO Self-Certification Form Template file provided above.

- Detailed information on the additional NSO data fields, the NSO Summary Table and Self-Certification Forms is provided below.
### NSO CATEGORY

**TOTAL**:
Reason for Foreclosure Data

- For loans that are owner-occupied, purchasers are required to avoid finalizing any foreclosure action for 6 months from the Settlement Date, unless there are extenuating circumstances.

- For each loan that was foreclosed within the applicable six-month period, the reason for the foreclosure must be reported in the Post-Sale Report.

- Indicate if the loan was either: a) not owner occupied, or b) provide a summary explanation of the extenuating circumstance for the foreclosure action.

- Continue to include the Reason for Foreclosure data in each report.

- The applicable worksheet is in the Data Reporting Templates file provided in Slide 9. Sample LBL data is provided below:
