Dear Mrs. Sessom:

SUBJECT: Interim Obligation Letter Public Housing Operating Subsidies, LOCCS/PAS Project No. TX55200000113D

This letter obligates $1,767 of Operating Fund subsidy for the month of April 2013. The amount of the interim obligation is based on this project’s initial calendar year interim eligibility determination. For more information on the methodology used to establish both initial subsidy eligibility and funding availability, please see

Please note that the initial interim eligibility for this project may vary from its final eligibility determination. Revisions maybe made based on the approved FFY 2013 subsidy form. The program’s total operating subsidy eligibility and funding amounts for all PHAs may change once all FFY 2013 operating subsidy forms have been processed. Therefore, the final proration level may vary from the interim proration level.

All funds must be used in accordance with the Annual Contributions Contract and associated laws and regulations. By drawing down the funds obligated in this letter, you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current estimated eligibility and obligation is correct. The amount of your agency’s obligated funds is available through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.

Sincerely,

Delton Nichols
