

On behalf of the U.S. Department of Housing and Urban Development (HUD) Office of Lead Hazard Control and Healthy Homes (OLHCHH), you are [cordially invited](#) to attend an informative webinar:

Enforcing Smoke-Free Housing Policies and Overcoming Barriers to Implementation: On-the-Ground Strategies

Thursday, June 4th, 2015

2:00 – 3:15 p.m. EST

[REGISTER TODAY!](#)

By joining this webinar, you will have an opportunity to:

- Gain insights from housing officials of the true benefits and leading reasons to adopt a smoke-free housing policy and the necessary steps for implementation of these policies
- Advance your understanding of successful approaches for enforcing a smoke-free policy
- Enhance your knowledge on issues such as working with staff to implement a smoke-free policy and strategies for overcoming challenges

[Register today](#). *Space is limited!*
