

## HOMELESSNESS RESOURCES

### What is HUD Doing to Assist Homeless Persons?

The Office of Special Needs Assistance Programs (SNAPS) supports the nationwide commitment to ending homelessness by providing funding opportunities to nonprofit organizations and State and local governments to quickly rehouse homeless individuals and families. Through these opportunities, SNAPS advocates self-sufficiency and promotes the effective utilization of mainstream resources available to individuals and families experiencing homelessness.

### Competitive Homeless Programs

[Continuum of Care Program \(CoC\)](#) funds local networks of organizations to quickly rehouse homeless individuals and to minimize the trauma and dislocation caused to individuals, families, and communities by homelessness.

Previously awarded grants under, [Shelter Plus Care Program](#), [Supportive Housing Program](#), and [Section 8 Moderate Rehabilitation Single Room Occupancy Program](#) are supported by HUD through completion of those projects.

### Formula Homeless Programs

[Emergency Solutions Grants Program \(ESG\)](#) funds are distributed by formula to metropolitan cities, urban counties, territories, and states for street outreach, emergency shelter, homelessness prevention, rapid re-housing assistance, and homeless management information systems.

Previously awarded grants under [Emergency Shelter Grants Program](#) and [Homelessness Prevention and Rapid Re-Housing Program \(HPRP\)](#) are supported by HUD through completion of those projects.

### Other Homeless Programs

Under the [Defense Base Closure and Realignment Program \(BRAC\)](#), HUD reviews base redevelopment plans and offers technical assistance to the communities in the vicinity of the military installation to balance the need for economic and other redevelopment while addressing the needs of people experiencing homelessness.

The [HUD-Veterans Affairs Supportive Housing Program \(HUD-VASH\)](#) is a joint program between HUD and the U.S. Department of Veterans Affairs (VA). HUD provides housing choice vouchers and VA provides case management and outreach. This program targets veterans who are currently homeless.

The [Title V Program - Federal Surplus Property for Use to Assist the Homeless](#) enables eligible organizations to use unutilized, underutilized, excess, or surplus Federal properties as facilities that assist homeless persons.
