## STEP 4: AOR AUTHORIZATION

[STEP 1](#) • [STEP 2](#) • [STEP 3](#) • [STEP 4](#) • [STEP 5](#)**HAS THE E-BUSINESS POINT OF CONTACT (E-BIZ POC) APPROVED YOUR AOR STATUS WHICH ALLOWS YOU TO SUBMIT APPLICATIONS ON BEHALF OF THE ORGANIZATION?**

When an AOR registers with Grants.gov, your organization's E-Biz POC will receive an email notification.

Your E-Biz POC must then login to Grants.gov (using the organization's DUNS number for the username and the "MPIN" password obtained in Step 2) and approve the AOR, thereby giving him or her permission to submit applications. When an E-Biz POC approves an AOR, Grants.gov will send the AOR a confirmation email which includes the requesting AOR's name, e-mail address and phone number.

In some cases the E-Biz POC is also the AOR for an organization. If the E-Biz POC wishes to submit applications on behalf of their organization, he or she must also complete a separate AOR profile (Step 3 of the registration process) using a different email than the one used for their E-Biz POC registration. The E-Biz POC will need to approve their AOR status by following the steps described above. Not until the E-Biz POC has approved their new "E-Biz POC + AOR" status, will they be able to submit grant applications on behalf of the organization.

When an E-Biz POC approves an AOR, Grants.gov will send the AOR a confirmation email.

Attachment files names were over 50 characters in length and/or contained special characters or spaces, resulting in a “VirusDetect” error message.

JAVA reads these files as containing a virus and therefore applicants with attachment files with these errors received a “VirusDetect” error message and their package was rejected by the Grants.gov system.

GRANTS.GOV

## *Electronic Application Through [www.Grants.gov](http://www.Grants.gov):*

For 2010 HUD retained 1-day grace period to allow applicants to cure errors.

Applications must be received by Grants.gov by the deadline date to be eligible for the grace period.

# GRANTS.GOV

## *Grace Period Policy:*

Applicants that have successfully uploaded their application to Grants.gov prior to the deadline, and subsequently receive a rejection notice from Grants.gov after the deadline date and time, will have a one-day grace period from the date stamp on the first Grants.gov rejection notice after the deadline, to cure the basis for the rejection and upload an application that corrects the problems cited in the rejection notice.

# GRANTS.GOV

## *Grace Period Policy:*

Applicants can upload the application as many times as needed to cure noted deficiencies within the one-day grace period.

Applicants that do not understand the error messages received in the rejection notice should immediately contact the Grants.gov Help Desk so they can get assistance in clearing the problem.

# GRANTS.GOV

## *Grace Period Policy:*

Applications uploaded and received by Grants.gov after the deadline date and time for which there is no prior rejection notice in the Grants.gov system logs will be considered late and will not be rated and ranked or receive funding consideration. Failure to successfully upload the application to Grants.gov by the deadline date and time does not qualify for the grace period as described above.

GRANTS.GOV

## *Grace Period Policy:*

Applications receiving a rejection notice due to the funding opportunity being closed will not be provided the one day grace period to correct the “opportunity closed” deficiency or any other basis for rejection because the applicant missed the deadline date and time and therefore does not qualify for the grace period as described above.

# GRANTS.GOV

## *Grace Period Policy:*

If an application is uploaded during the grace period and is subsequently rejected after the grace period ends, the applicant will not be afforded additional time to correct the deficiency(ies) noted in the rejection notice.

# GRANTS.GOV

## *Electronic Application Through [www.Grants.gov](http://www.Grants.gov):*

Applications received by Grants.gov, including those received during the grace period, must be validated by Grants.gov to be rated or ranked or receive funding consideration by HUD. HUD will use the date and time stamp on the Grants.gov system to determine dates when the grace period begins and ends.

# GRANTS.GOV

## *Electronic Application Through [www.Grants.gov](http://www.Grants.gov):*

Neither HUD nor Grants.gov will be responsible if email messages are not received at the address listed in the registration process. Applicants must also ensure that their email systems will accept messages from Grants.gov. Applicants are responsible for monitoring their email messages. Messages from Grants.gov come from [Support@Grants.gov](mailto:Support@Grants.gov)

# GRANTS.GOV

## *Tips for a Successful Submission:*

Submit the application at least 24-48 hours in advance of the deadline.

Almost all the QAR requests came from applicants that started submission late in the day on the due date and faced busy servers, password/ID issues or upload issues due to the applicant's anti-virus or fire-wall software.

# GRANTS.GOV

## *Tips for a Successful Submission:*

Grants.gov help desk open 24/7 except federal holidays.

If having issues submitting call the help desk and get a ticket number before you call HUD.

Read the Grants.Gov FAQs carefully to avoid errors that are within your control. Updates have occurred on Grants.gov for Security, Adobe Reader, etc.

# GRANTS.GOV

## *Tips for a Successful Submission:*

The SF424 form requires a 9 digit zip code

Applicants are advised to open all documents and attachment files and to scroll to the end of the document to make sure the files are the final versions of the application and complete.

# GRANTS.GOV

## *Tips for a Successful Submission:*

**DO NOT Zip files within Zip Files-** HUD cannot open zip files zipped within a zip file.

Follow the General Section for file software and file name requirements.

# GRANTS.GOV

## *Tips for a Successful Submission:*

Check the registration status on Grants.gov to make sure that the AOR is fully registered under the DUNS number for the applicant listed in box 8a of the SF-424. Application for Federal Assistance.
